High School Notes

Willa Park is out of school on account of sickness. The school children are preparing their Christmas songs for the community Christmas program. Miss Mueller was unable to hear her classes Monday on account of sickness.

Moves West This Week

Herr Root, who has been engaged in the carpenter business for the past few years where, with his family departs for the west the last of this week and will make his home at Big Springs, where he will follow his vocation of contractor and builder of fine residences. Mr. Root is an excellent workman and we are sure he will make good in his new home.

Return from Visit in North

Mrs. W. M. Hendricks who has been visiting in the northern portion of the state for the past month where she was a guest at the home of her son and daughters returned home last week having enjoyed an excellent visit notwithstanding the fact that it was very cold there and with an over supply of snow. Mrs. Hendricks is enjoying very good health for a lady of her years. Mrs. Charles Carroll, her daughter, was a visitor in Omaha and returned home with the mother.

Underwent Operation at Omaha

Last Monday evening George Parks and wife with their daughter, Miss Willa, were passengers to Omaha accompanied by Dr. B. F. Brendel, their family physician, where they went to the St. Joseph hospital where on the following morning Miss Willa underwent an operation for relief from an acute attack of appendicitis. The case being an aggravated one was one of considerable delicacy. The operation was effected on Tuesday morning and the young lady was resting as well as could be expected at the time and it is the hope of her many friends that she may have a speedy and complete recovery.

Actions Looked Suspicious

After attending the lyceum bureau course number of last week Mr. and Mrs. I. M. Davis returned home and found after they had entered the house that some one had attempted to enter their home during their absence. The screen had been cut with a knife and the window broken and a flower pot which sat on a table near the window upset. Evidently the culprit had heard the folks returning and made his escape.

COMMUNITY XMAS TREE TO BE SUCCESS

INDICATIONS POINT TO LARGE ATTENDANCE—WILL BE ELECTRIC LIGHTED.

A FINE PROGRAM IS PROMISED

To be Given in Puls Hall Prior to Distribution of Gifts from the Tree—Treat for Kids.

The Community Christmas tree in Murray has every assurance of being a success, although this is the first time such a project has been attempted here. The tree will be in the street just under the light by the bank and the program will be held in the hall.

Miss Latta, assisted by the teachers and Mrs. Brendel, have charge of the program which assures its being up to standard. Miss Olga Minford, of Lincoln, will help with the program.

The financial committee is composed of Mrs. James Brown, chairman; Mrs. W. S. Smith, Mrs. Fred Lutz, Warren Wiley and Lee Kniss, and if you wish to help make this first community Christmas tree the success it deserves to be and have not already done so, hand your donation to any member of this committee. A list of the donors is published elsewhere in this department, and the names of later givers will be printed next week. Everyone is urged to contribute.

Mrs. William Sporer is chairman of the treats committee and it is planned to give each child who attends the Christmas eve festivities a treat. If the financial contributions will warrant it is the wish of the committee to remember all the grown-up "children" as well. Mrs. Puls is in Omaha at this writing looking after the securing of electrical decorations for the tree, which will be a blaze of light from top to bottom.

ROAD NOW OPENED TO AUTO TRAFFIC

Thanks to Work of Snow Shoveling Done by Crew of Volunteer Workmen Sunday.

The strip of road leading from Murray to the corner near G. M. Minford's place was drifted full of snow and as long as the wind continued to blow carrying with it the snow, it was of little use to clear the road out as it would soon fill up again.

The coming of better weather, however, caused a number of citizens to get their shovels out Sunday and get after the matter of clearing the roadway so that now one may get to Murray from the north and south as well, and travel via auto to Plattsmouth, Omaha and Nebraska City is again possible. Those who had a part in opening up the highway were Walter Tower, Nick Friedvich, L. H. Puls, Marion Barlett, J. C. Pittman, Albert Young, Dwyer Todd, J. Maracek, Henry Rice, Frank Reed, G. M. Minford, Glenn Perry, Jesse Vallery, T. J. Brendel and a number of others from east and south of town, whose names we were not able to get, but who worked just as hard and were as much interested in doing a good job as were the others. Thanks to this large force of workers the road is now in first class shape and travelers may steer their way without fear of going stuck.

Learn to know this name plate

It is the mark of the New Velie Six and has been adopted to better identify Velie cars in the markets of the world.

VELIE leads in value—is unapproached in efficiency—supreme in comfort—distinct in its class. There are five body styles. Velie Six has the strength and endurance of high-priced cars with the economy and simplicity that are possible only in semi-light weight construction.

A demonstration will be convincing. To those who expect to buy soon, we would say that on January 1st the prices of these cars will advance from \$1,800 to \$1,900.00, and there is no way you can make the \$100 easier. It is not difficult to get the cars at Omaha at this time. Let us have your orders in time.
