## YOUNG MAN PAYS PENALTY FOR MISDEED

VICTOR KRIVANEK SENTENCED BY JUDGE BEGLEY TO 90 DAYS IN COUNTY JAIL.

WAS PAROLED LAST YEAR

But in Last Few Months Left City and Made Himself Subject to Original Sentence.

From Wednesday's Daily

Late yesterday afternoon Victor Krivanek, one of the young men who was involved in considerable trouble here a year ago in connection with the loss of goods and money from a number of the places in the city, and who has since that time been under a suspended sentence, was arraigned before District Judge James T. Begley, to answer to the charge of having violated his parole in leaving the jurisdiction of the court without the permission of the judge and the parties to whom he was paroled. The young man prior to leaving the city had been in the employ of the firm of C. E. Wescott's Sons as a salesman in their store and in that capacity served during the time, after he was originally released under suspended sentence, until late in October when he departed for parts unknown. The firm of C. E. Wescott's Sons however have no part in the action that was brought against the young man as he has fully settled his accounts with that firm as far as they are concerned and they made no complaint to the county attorney.

The young man when brought into district court yesterday afternoon in the custody of Sheriff Quinton entered a plea of guilty to the charge of having violated his parole and was accordingly sentenced to serve 90 days in the Cass county jail for the violation of the parole and after receiving his sentence was turned over to the custody of Sheriff Quinton and removed to the jail to serve out the sentence of the court.

Of the young men who were arrested here in 1918 this is the only case of the violation of the parole as the other members of the party have appeared in court and been released from the parole.

## BENSON HIGH SCHOOL WINS IN BIG GAME

Plattsmouth High School Basketball Team is Defeated at Benson Last Evening by Score of 38 to 23.

From Wednesday's Daily

The Plattsmouth high school basketball team had their first experience this season in playing on a strange floor last night when they met the Benson team at Benson, and the result proved a triumph for the Omaha lads by a score of 38 to 23. The Plattsmouth team while playing a good game were up against the strangeness of the Benson gym which made their try for the baskets very difficult owing to the low ceiling of the room and which while easy for the Benson team was a hard proposition for the locals. Sattler at center and Brubaker as forward were the bright stars for the Plattsmouth team and contributed largely to the scores made by the team. The team will go to Auburn soon to play the team of that city. There were a large number of rooters accompanying the team to the metropolis and encouraged the boys during the course of the battle.

## FORMER CHRISTIAN MINISTER IS JUDGE

Rev. A. L. Zink, Former Pastor of Christian Church Here, is Appointed County Judge of Red Willow.

From Wednesday's Daily

Rev. A. L. Zink, for a number of years in charge of the Christian church in this city has definitely abandoned the ministry to take up the more interesting role of county judge in Red Willow county, Nebraska. Rev. Zink was appointed last Saturday to the vacancy caused by the appointment of Judge Frank M. Colfer and at once entered upon the discharge of the duties of the office. Mr. Zink and family came to

McCook from Des Moines, Ia., three years ago and for two years was in charge of the Christian church in that city, resigning about a year ago to enter the produce business in McCook and was engaged in this line of work at the time of his appointment to the bench.

The announcement of the appointment came as a great surprise to the friends in this city as it was not known that the minister had any political ambitions. During their stay in this city, Rev. and Mrs. Zink did excellent work for the church and greatly increased the interest in the church and their success here called them to the larger scene of usefulness at Des Moines.

## KNIGHTS OF COLUMBUS HOLD A SMOKER

Large Numbers of Members of Order and Friends Assemble at Lodge Rooms for Social Time.

From Wednesday's Daily

Last evening the Knights of Columbus enjoyed a very pleasant time at their hall in a social meeting to which the members and their friends have been invited. The inclement weather served to keep a number from out of the city attending as the snow made the travel very disagreeable and therefore interfered with the attendance somewhat.

The time was spent most delightfully in a social way with cards as one of the chief amusements of the evening and much interest was created in the various games while plenty of smoke served to keep the players going at full speed and everyone present in the best of spirits. Father M. A. Shine, rector of St. John's church gave a short talk on the benefits of the organization and the general spirit of the knights in their work for their country and their church and the remarks of the eloquent rector were very much enjoyed by the membership and the invited guests. A very dainty and enjoyable luncheon was served at a suitable hour and to which the members of the party did ample justice and brought to a close a very enjoyable evening.

## Men's Suits and Overcoats—1/2 Price!

DOES THAT SOUND REASONABLE?

You know it doesn't. You know there is "a nigger in the woodpile" somewhere whenever you see an ad like that, especially in these days. Might as well advertise—

CORN AND WHEAT.....1/2 PRICE  
BUTTER AND EGGS.....1/2 PRICE  
DAY LABOR.....1/2 PRICE

You would be suspicious of the eggs or the labor that was offered at one-half price today. You may as well be suspicious of the clothing that is thus offered. It simply "can't be did" unless a man is a philanthropist and has plenty of money to give away. Selling men's clothes today at one-half price is just like giving money away. We would like to do it—we wish we were able to give every man in Plattsmouth not only one half, but both halves of a suit or overcoat. Since we cannot do this, we do not want to deceive you by saying we will.

BUT LISTEN—

Here is something we can do. We can offer you the remainder of our Ladies Coats, not at 1/2 price, because we don't have them marked high enough for that, but at a straight, clean, bona fide reduction of 20%. We can do this simply because this market has not been upset, cleaned up and overbalanced like the men's has. You know that our prices have always been about 20% below the city stores, so that with this reduction of 20% you can depend upon it you are buying these goods at exactly 40% off of city prices. We advise you to be among those to get first pick of these splendid Coats at this reduction.

As it will be impossible for us to meet all the people at one time, we appoint the following time for the different districts. Hearings to be held in the office of county superintendent.

## YOUNG PEOPLE ARE JOINED IN WEDLOCK

Miss Agnes Born and Mr. Otto E. Peteriet United in Marriage This Morning.

From Wednesday's Daily

This morning at 9 o'clock at the St. John's Catholic church occurred the marriage of Miss Agnes Born and Mr. Otto E. Peteriet, the beautiful impressive service of church being celebrated by Rev. Father M. A. Shine, rector of the church. The

wedding was a very quiet one, the young people being attended by Miss Margaret Hallahan and Mr. Frank Fight, uncle of the bride. Following the wedding the bridal couple were entertained at a nuptial breakfast at the home of the grandparents of the bride, Mr. and Mrs. John Fight, on Pearl street and later motored to the home of the bride's parents west of the city where a reception will be held this evening for the young couple.

Mr. and Mrs. Peteriet will reside on a farm west of the city where the groom has a home awaiting the coming of the bride and where they will be at home to their friends.

The bride is the charming and accomplished daughter of Mr. and Mrs. Phillip Born and was born and reared to womanhood in this community where her friends are legion. The groom is one of the industrious young farmers of the county and has made many warm friends by his many sterling qualities of character.
