ard Furnace company products, being a guest of the company, with all expenses paid by them. There he met the dealers from all over the country engaged in handling this line, and had as his companion none other than John Bauer—general John—of Plattsmouth, who handles the same line of goods in the county seat. Mr. Tool was very favorably impressed with the way the company entertained their guests.

Guest of Omaha Dealers

Wm. Gehrts, the implement dealer, and who is a hustler when it comes to handling all the well known and best selling lines of machinery, was a guest of the Omaha dealers at a three day convention held in the metropolis last week. He and Chas. Schaefer, who is again in his employ, were both in attendance, they having gone to Lincoln and from there to Omaha. Mr. Gehrts will handle the famous John Deere line this season, as well as the International products and Case separators. This will enable him to supply the farmer's every need.

Electric Wires at South Bend

The transmission line which is to carry the electricity for use in operating the machinery at the sand pit at South Bend, has been completed, the wire being strung along the Postal Telegraph company's line of poles on the Rock Island right-of-way. Everything is therefore ready for the turning on of the current at South Bend.

This step places the current that much nearer to Murdock and it is expected that steps will be taken in a short time to complete the long-felt desire of the citizens of Murdock to enjoy an electrically lighted city, with an abundance of current for both light and power uses.

Chairman of Committee

L. F. Langhorst, proprietor of the Langhorst Department stores, was a visitor in Lincoln a few days of last

week, and while there attended a convention of prominent democrats of the state, who requested him to take the matter in hand of giving a get-together banquet at the Lincoln hotel in the capital city on Wednesday evening, January 21st. It is planned to have a large number of prominent democrats present at this banquet and a great deal of work is expected to be accomplished toward lining up on a program of procedure for the coming months, when the campaign will be waged with an earnestness seldom exceeded.

The democrats of this county feel honored at the appointment of their fellow co-worker, Mr. Langhorst, who is an acknowledged organizer, to the position of chairman of the committee on arrangements, which fact alone assures the success of the banquet. A little later the list of speakers will be announced. All democrats in the county who can do so, are urged to be in attendance at this banquet. And if a republican who wants to be god and learn a lesson desires he can come too, with the hope that it will do him some good.

CASS COUNTY PIONEER CALLED HOME

Mr. John Buskirk, at the Age of 83 Years, Dies After Short Illness This Week.

Mrs. Mary Buskirk, widow of the late John Buskirk, died at her home about two miles north of Murdock last Wednesday evening at the advanced age of nearly 83 years.

Mrs. Buskirk was born in the state of New York and lived there until she was about thirty years of age, being there united in marriage to John Buskirk. Later she and her husband came west, settling near South Bend some 52 years ago, and this good lady has made her home in this vicinity ever since—more than half a century.

To this union were born eight children, all of whom survive their parents. Mr. Buskirk preceded his wife to the other world by some twelve years. Since that time, Mrs. Buskirk has resided on the home place, being comforted and cared for by her son, Ervin and family, who have provided her with a home.

The children who mourn the departure of their mother are Mrs. Sarah Kilgore, Portland, Oregon; Dede Buskirk, Elmwood; Arthur Buskirk, living in Wyoming; William Buskirk, Bloomfield, Nebraska; Louis Buskirk, Ashland, Nebraska; James Buskirk, living near South Bend; Mrs. Viola Franklin of Madison and Ervin Buskirk, who lives north of this city on the farm.

The funeral was held at the First Methodist church in Murdock last Sunday afternoon at 2:00 o'clock, the Rev. Barnhardt, of Ashland, officiating. The remains were laid to rest in the Wabash cemetery.

CLYDE MURPHY HERE

From Saturday's Daily. Yesterday afternoon Clyde Murphy, a former Plattsmouth boy, and son of Fred Murphy and wife of Chicago, was in the city looking after some business for the Burlington railroad, departing on No. 2 for his home in Chicago. Clyde has been located in Chicago since his discharge from the army in May 1919 and is now married. During the war he spent nine months of his service in France on active duty and enjoyed the experience of the boys of Uncle Sam in the old world in cleaning up the world war. For a portion of the time he was stationed at Conlie where Matthew Herold of this city was also stationed but they did not have the opportunity of meeting being unaware of each other's presence. The years since the removal of the Murphy family from this city have developed Clyde into a big husky young man and it was hard for the old friends to recognize him as the lad who had been so well known during his residence here.

TO HOLD COURT IN OMAHA NEXT WEEK

District Judge James T. Begley to Preside in Up-River City, Trying Riot Cases.

From Saturday's Daily. Judge James T. Begley, of the second judicial district, has been asked by the district bench of Douglas county to hold court in Omaha during the next two weeks and assist in the task of handling the numerous cases that are on the docket as the result of the indictments found by the grand jury against the participants in the riot there in September that resulted in the lynching of the negro, Will Brown.

The second district is not holding court at the present time and Judge Begley has consented to assist his colleagues of the Douglas county court and will therefore take up the work in Omaha the first of the week.

The trials of these cases have required some time as they are contested very bitterly and a large number of witnesses are to be heard and the process of the trials has been long and tiresome.

VISITS IN THE CITY

William Atchison, one of the well known and prominent residents of Stove Creek precinct, was in the city yesterday afternoon looking after some matters at the court house.

Mr. Atchison is an applicant for the position of county highway commissioner and while here talked the situation over with the board of commissioners. He has been a member of the jury panel in the federal court at Lincoln and has just completed his work there and is enroute home to Elmwood.

NOT A WELL DAY IN ELEVEN YEARS

Lincoln Man Takes Tanlac and Says He Has Gained Sixteen Pounds as A Result.

"I never knew what a well day was in eleven years till Tanlac straightened me out," said C. A. Crawford, contracting painter and paper hanger, living at 2323 Q street, Lincoln, Neb.

"I had been in such a wretched state of health for so long," he continues, "that I was a total wreck. I couldn't sleep well and my stomach was in such a dreadful condition that nothing I would eat agreed with me and I lost weight till I was little more than a living skeleton, for I had gotten down to one hundred pounds. Every summer my vitality would run low and I would have to take to my bed and be laid up for three or four months at a time.

"Finally I got a bottle of Tanlac, and soon after starting on it my appetite improved so I could enjoy my food and I started up hill again. I have already gotten back sixteen pounds of my lost weight and am still gaining right along. My nerves are so much stronger and I have improved so much in every way that I feel like a different man. I have been working hard every day the past summer, sleep like a log every night and feel fine all the time. I am now full of life and energy and I don't hesitate to say Tanlac has done more for me than everything else I have tried put together."

Tanlac is sold in Plattsmouth by F. G. Fricke & Co.; in Alvo by Alvo Drug Co.; in Avoca by O. E. Copes; in South Bend by E. Surzenegger; in Greenwood by E. F. SCHOOL HEARINGS MONDAY

From Saturday's Daily.

On Monday will be commenced the hearings on the proposed school districts and these hearings will be continued through Tuesday and Wednesday. The commission will pass upon only the boundary lines and sites for school houses at these hearings as this is the method prescribed by law and after the hearing the matter passes out of their hands into that of the voters. The districts as outlined will upon proper petition be placed upon a ballot at the school election and passed upon by the voters. If unfavorable there will be no change in the present district but if accepted the law makes it necessary for the superintendent to organize such districts. All matters after outlining the districts is set by law and the superintendent merely followed out the law instructions.
