

## Why Give Jones \$20?

If you need a suit for Spring and fail to buy now, you are slipping twenty dollars worth of "Jack" into Jones' pocket, for he is buying your suit—he knows good clothes when he sees 'em; knows that \$25, \$30 and \$35 suits are almost a thing of the near past.

Keeping up with the Jones' is a profitable past-time just now—if you act along with other Jones' and snap up one of those suits. For prices are much lower than you will see again.

We unearthed several dozen men's good suits during invoicing—many of them are 40, 42 and 44, stouts and regulars, and considering the way they are marked—\$25 to \$35, and nearly all good worsteds, it's a shame so many men are going with the southeast corner of their pants absent.

About 50 of you hard to fit, fat ginks, come in!

## SOME GOOD ADVICE

Strengthened by Plattsmouth Experiences.

Kidney disease is too dangerous to neglect. At the first sign of backache, headache, dizziness or urinary disorders, you should give the weakened kidneys prompt action. Eat little meat, take things easier and use a reliable kidney tonic. There's no other kidney medicine so well recommended as Doan's Kidney Pills. Plattsmouth people rely on them. Ask your neighbor! Here's one of the many statements from Plattsmouth people:

Mrs. Harry Kuhney, Eighth and Pearl streets, says: "I couldn't say anything but good words for Doan's Kidney Pills, for I know from personal experience that they are all that is claimed for them. I use Doan's when my back aches and my kidneys are not acting as they should and they never fail to give quick relief. We use Doan's Kidney Pills in our home when necessary for kidney trouble, and they always give good results."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same

that Mrs. Kuhney had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
