RECEIVES WORD OF RECENT MARRIAGE

Information From Glenwood Tells of Marriage in That City of Cass County People on January 24.

From Tuesday's Daily. The Journal is in receipt of a letter telling of the marriage at Glenwood, Ia., on Saturday, January 24, of Mrs. Margaret Hayes and Mr. Robert Shrader. The wedding was a very quiet one, the contracting parties stealing a march on their friends and having the nuptial ceremony performed in the Iowa city.

The bride is well known in this portion of the county as the result of her war work that has won her a great deal of praise in the self-sacrifice and hardships which she endured while in the service of the Red Cross in France where she served in the field hospital section of the army and assisted in the care of the wounded as they were brought in from the battlefield. She has the esteem and love of all those with whom she has come in contact for her splendid service in the hour of need. In keeping with her spirit of sacrifice Mrs. Hayes brought back with her from France one of the little war orphans who has been making his home with her since that time. She is a daughter of C. Jensen, a prominent rancher of Orin Junction, Wyo., and is a lady held in the highest regard by those fortunate enough to know her. Mr. Shrader has been reared to manhood and is one of the enterprising farmers of near Murray and well known to a large circle of warm friends. The many friends will extend to Mr. and Mrs. Shrader their best wishes for a long and happy married life.

From Tuesday's Daily. Yesterday marked the passing of the 61st anniversary of Cyril Janda, Sr., one of the high esteemed citizens of this community, and in recognition of this occasion the children of this pleasant and genial citizen prepared and carried out a most delightful surprise on the father and grandfather. The evening was spent in playing games of all kinds and in instrumental as well as vocal music, the members of the family being exceptionally lifted in their musical work and this was one of the very enjoyable features of the evening. The luncheon which was served had as the centerpiece the large and handsome birthday cake as a surprise to the good father and was appreciated to the utmost by the guest of honor. It was a late hour when the party disbanded to retire to their respective homes wishing that the father might enjoy many more such pleasant occasions with them. The members of the party included besides the parents the seven children and 42 grandchildren.

NARROWLY ESCAPES ACCIDENT

From Tuesday's Daily. Albert Schuldt had a very narrow escape last evening from a very serious accident as his escape from being run down by a passing automobile on the intersection of Sixth and Vine street was too close for comfort. A car was coming down Vine street going east and as it neared the crossing Mr. Schuldt was starting across and as the car at first gave indication of making the turn south on to Sixth street he supposed that it was the intention of the driver to make his turn. Instead the car continued on east and swept by Mr. Schuldt who jumped and the car struck the heel of his shoe but fortunately with not enough force to cause him to fall. However the incident should be a warning to exercise more caution in driving on the streets of the city as someone is liable to receive serious injuries.

GOES TO THE HOSPITAL

From Tuesday's Daily. Eugene Warner, who has been sick for the past week at the Perkins House in this city suffering from a very serious case of Bright's disease as well as complications of heart trouble, has become so seriously ill that it is necessary to remove him to the hospital and he will be taken to Omaha this evening or in the morning to receive treatment. Mr. Warner was employed here a number of years ago at the Burlington shops and since leaving here has been located in the west and later moved to Chicago where he was first taken sick and later given treatment in the hospital there, coming from there to this city.

DISTRICT COURT SUSTAINS CO. COURT

In Matter of Guardianship of Dorothy Hirz, Minor, District Court Sustains the Judgment.

From Monday's Daily. The matter of the guardianship of Dorothy Hirz, minor, which was on trial in the district court and which had been taken under advisement by District Judge James T. Begley was decided this morning when the court handed down the decision sustaining the judgment of the county court which had decreed that the child was to remain in the custody of Matthew Sulser and wife until further order of the court. The decision sustains the petition of the applicants and states that the child shall remain in her present home until further order of the county court. The applicants are given 40 days to prepare and serve bill of exceptions in the case.

This case has attracted a great deal of attention from the residents of this portion of the county where the two children have a large number of relatives. The child, Dorothy, and sister, Helen K. Hirz, are daughters of the late Henry Hirz, Jr., and were placed in the custody of their aunt, Mrs. Nellie Schultz, at the time of the departure of their father for overseas as a member of the United States army. While in service in France the father was killed in battle and the child, Dorothy, was placed in the custody of Mr. and Mrs. Sulser. Later the aunt, Mrs. Schultz, was appointed guardian of the children and action was later commenced to have Dorothy remain in the custody of Mr. and Mrs. Sulser and this application was sustained by the county court to be in force until the court should otherwise decree.

SUSTAINS SERIOUS ACCIDENT.

From Monday's Daily. Wm. Baier, who lives a few miles southwest of Nebraska, met with a very serious accident Sunday morning when his hand was caught in the gears of a small gasoline engine. After starting the engine and finding it required some adjusting, he attempted to regulate the governors, but his mitten was caught in the cogs and he lost the thumb and the index and middle fingers, taking them off at the wrist. The aid of several physicians was soon at hand and found it necessary that he be taken to a hospital as quickly as possible. In company with his wife and H. Wessel of this place, they went to Omaha Monday afternoon, where the hand was operated on the following day at the St. Catherine hospital. Unless an infection develops, the two remaining fingers of the hand will be saved. Nebraska News-Ledger.

The decision sustains the petition of the applicants and states that the child shall remain in her present home until further order of the county court. The applicants are given 40 days to prepare and serve bill of exceptions in the case.

This case has attracted a great deal of attention from the residents of this portion of the county where the two children have a large number of relatives. The child, Dorothy, and sister, Helen K. Hirz, are daughters of the late Henry Hirz, Jr., and were placed in the custody of their aunt, Mrs. Nellie Schultz, at the time of the departure of their father for overseas as a member of the United States army. While in service in France the father was killed in battle and the child, Dorothy, was placed in the custody of Mr. and Mrs. Sulser. Later the aunt, Mrs. Schultz, was appointed guardian of the children and action was later commenced to have Dorothy remain in the custody of Mr. and Mrs. Sulser and this application was sustained by the county court to be in force until the court should otherwise decree.

SUSTAINS SERIOUS ACCIDENT.

From Monday's Daily. Wm. Baier, who lives a few miles southwest of Nebraska, met with a very serious accident Sunday morning when his hand was caught in the gears of a small gasoline engine. After starting the engine and finding it required some adjusting, he attempted to regulate the governors, but his mitten was caught in the cogs and he lost the thumb and the index and middle fingers, taking them off at the wrist. The aid of several physicians was soon at hand and found it necessary that he be taken to a hospital as quickly as possible. In company with his wife and H. Wessel of this place, they went to Omaha Monday afternoon, where the hand was operated on the following day at the St. Catherine hospital. Unless an infection develops, the two remaining fingers of the hand will be saved. Nebraska News-Ledger.
