Methodist Church Items

Sunday school attendance last Sunday was encouraging, considering the condition of the weather and roads as was the attendance at the morning service.

The study of China taken up by the Epworth League is proving very interesting and instructive, and the attendance is very good indeed. The stereopticon lecture on Panama on Sunday evening was attended by all the house would hold and was altogether a helpful and delightful service. It is wonderful how the people sing from the screen.

Next Sunday morning we will again give the opportunity to those who desire to unite with the church. Signs are very encouraging and point to many who will take that important step in the near future. Why not do it next Sunday?

Next Sunday evening we are to have another stereopticon lecture on the subject, "The Six O'Clock Whistle Around the World." This is a missionary lecture showing the conditions of life and the religious work that is being done among the industrial classes throughout our country and the world. This is free to everybody.

I desire again to call attention to the work that we are trying to do in the community of Alvo. We are trying to serve every interest in the community. That is our program. To do this we must get out of the beaten track that we and our forefathers have trod to some extent. We cannot however set aside the gospel of Christ, the need for pray-

er, the study of the scriptures, or strict attendance upon all the services and work or religion that tends to spiritualize our lives. We must do some things though, that seem new, and a little difficult for some people to adjust themselves to. I ask that before any are led to condemn, they will at least give us a chance to present the case. We have no wish to offend, only to help. We believe we are doing that, and will do it in a larger way as time goes on.
ERNEST A. KNIGHT, Minister.

Holds Mid-Winter Meeting

The Friday club held their mid-winter open meeting on January 16 at the home of Mr. and Mrs. Ed Stroemer with an attendance of 76, 19 families being present. Roll call was answered by the ladies with a commendation for husbands. A program of readings, songs and music was then given after which the Bumble Bee family led the other guests to the dining room where oysters with all the trimmings were served. After supper the husbands were ready with commendations for wives, which all agreed to obey.

Arthur Skinner proved to be the best guesser present and was given a jar of crackers as a reward. The guests departed at 11 o'clock, expressing their appreciation of the royal entertainment given them.

Returns from Lincoln

Mrs. A. I. Bird returned home last Tuesday night from Lincoln where she had been the previous ten days helping care for her father, R. Z. Penn, at the home of his daughter, Mrs. Alfred Swale. Mr.

Penn died on January 26 of cancer of the liver and had only been bed-fast two weeks, having felt better for the past summer than for several years. He was 72 years of age and is survived by six daughters and one son, the mother having passed away November 6, 1912, at their home in Waverly. Mrs. Alfred Swale, Lincoln, Mrs. A. I. Bird, Alvo, Mrs. George Jeffery of Idaho, Mrs. R. F. Dimick of University Place and Fred Penn were all at the bedside of their father when death came and the other two daughters, Mrs. Reed of California and Mrs. Harry Martin of Waverly were unable to be there and could not attend the funeral. Mrs. Martin was ill in bed. Cecil Reed and sister of Stratton, Neb., attended the funeral.

The funeral was held at the home of Mr. and Mrs. Swale in Lincoln Thursday afternoon and burial was made in the Waverly cemetery beside the wife of the deceased. Many friends extend sympathy to the bereaved families.

Hits Cow with His Truck

While taking a load of hogs to Nebraska City, James Campbell encountered a drove of cattle which were being driven along the road, and while he exercised the greatest care, one animal gored another causing it to jump in front of the truck with the result that one light and the fender was damaged and the animal got a pretty hard bump.

Sells a Baby Overland

Robert Willis, the rustling auto man, who is a genuine salesman, has just disposed of a new Baby Overland, which is a beauty, and no mistaking the fact. The car was purchased by W. H. Porter, president of the Farmers' Co-operative store. Mr. Willis taking in part payment a Ford which Mr. Porter purchased only a short time since. Mr. Porter declares he will drive the new car when he goes anywhere in preference to the larger car which he also owns.

Mrs. Ben Roddy Improving

Mrs. Ben Roddy, who has been at the hospital in Omaha for the past few weeks, where she underwent an operation some time since, is making good progress towards recovery, and were the weather better and no epidemic of flu in the community to fear, she could come home. But on account of these and the fact that her husband and little son, John, have been having a tussel with the prevailing malady, she will remain in the hospital for some time yet.

Depart for Home in West

Mr. and Mrs. Howard Shrader, of Henry who, with their little daughter, Eula, have been visiting in this city for some time as guests at the home of Mrs. Shrader's parents, A. J. Talkington and wife, departed on last Thursday morning for Surprise, where they visited briefly before departing for their home in the western part of the state. Their visit at Surprise was with the parents of Mr. Shrader, Mr. and Mrs. George Shrader.

Attended Nehawka Match

A number of the sports of Union were in attendance at the wrestling match which was pulled off in our neighboring town of Nehawka last Friday evening. The contest was between athlete Goldsmith, of Iowa, and a wrestler of supposed fame, having his home in Lincoln. It appeared that the contest had been unequally staged as the Iowa man was the winner in a very short time, the Nebraska man not being any serious obstacle in the way of victory for Mr. Goldsmith. Among those who visited Nehawka and attended the contest were the following from Union: Fred Clark, Blair Porter, E. E. Leach, Bruce Wolf, Ralph Davis and a number of others.

Services at Baptist Church

There will be services at the Baptist church this coming Sunday, after a lapse of several weeks due to the prevailing epidemic of grip and flu which has held high revel in Union and community. It is hoped all who can will be out at the various services of the day, which include Bible school and preaching in the morning and B. Y. P. U. and preaching in the evening.

Buys Land in Colorado

Roy Girkin, Earl Wolf and Leland Young were visiting in the west last week, going to Arriba, Colorado, where Mr. Girkin purchased a quarter section of land and returned home a few days since. Mr. Girkin reports the country looking fine out that way, with some excellent land opportunities for investment.

Returned to Home in West

Rev. W. A. Taylor, who has been confined to his home and a part of the time to his bed, is much improved although he is still unable to get away from the house, where he will remain until he entirely regains his health. He insisted that Mrs. Taylor accompany her sister, Mrs. Abbie Becker and mother, Mrs. M. E. Chase, of Denver, to Omaha, for a visit at the home of a brother, C. M. Chase before the departure of the mother and sister for their home in the west.

Mrs. Taylor and husband enjoyed very much the visit of the relatives here. They were accompanied by a little grand-daughter of the elder Mrs. Chase and a niece of Mrs. Taylor, Miss Viola Smith, from the west, who had an excellent time while here.

DEATH OF UNION YOUNG MAN

From Tuesday's Daily.
Charles James, 16-year-old-son of Mr. and Mrs. Robert James, residing southeast of Union, passed away Saturday at Lincoln where he has for the past term been attending the state agricultural school. The young man had been for the past week, suffering from the flu which was complicated with an attack of pneumonia and the patient had no sooner shown improvement with these maladies than he was taken with the scarlet fever and also was suffering from the effects of a vaccination for smallpox. The condition of the young man continued to grow worse until death came to his relief Saturday afternoon. The body was brought to Union early Monday morning and the services held from the train by Rev. J. B. Taylor, pastor of the Baptist church. The in-
