Walter Valley, of near Murray, was visiting at the home of his daughter, Mrs. R. W. Porter Saturday.

The 160 acre farm of the John Corbet estate six miles east of town, was sold last Friday to Will and John Stoll, who own land adjoining and as the quarter was a mile long it gives an eighty to each of the boys, that joins their other land. Consideration was \$284.50 per acre.

Among the relatives from here who attended the funeral of Mrs. Stephen A. Wiles at Plattsmouth were her son, Isaac Wiles, her daughter, Mrs. Will Spangler and husband and daughter, Miss Stella, Miss Theresa Wiles, J. L. Errett and Monroe Wiles and her son, George Wiles, and wife and their son Earl from the country.

Clyde Canaday returned from Lincoln last Thursday night, where he graduated from the Agricultural college at the State Farm, which he has been attending the last two years. He would have graduated last year if he had not been called into the U. S. service. Claude expects to take up farming, but is not fully decided just where but it may be in Cass county.

The Saline County Farm Bureau has been very determined in their efforts to take County Agent Snipes away from Cass county and in their last attempt have made him an offer of \$2,500 to take up the work with them. But owing to Mr. Snipes' appreciation of the loyalty of Cass county farmers, they are much in hopes that they may be able to retain his services here.

Harold Day, of Cambridge came in Monday to see his father, Mr. E. E. Day who was quite poorly Sunday and Monday but was able to go to Omaha Monday for X-ray examination and the consultation of a specialist. The latest word from Mr. Day is that an operation is not necessary but he will remain at the hospital for treatment. He was accompanied to Omaha by his son, Harold.

Walter Lovell who has been very low with pneumonia at the Wm. Ash home is much better and the home is released from quarantine. Walter has been under the care of his old schoolmate, Miss Anna Tighe, who is a trained nurse and who has recently returned from her second trip overseas. She is taking a vacation on account of an operation for appendicitis soon after her arrival in New York and would not take a case of nursing, but when she learned of Walter's condition and that a nurse could not be secured, she offered her service which is without doubt responsible for Walter's being alive today. Walter's father is here from Chappell and a brother from Iowa to assist in his care.

Miss Frances Seybert, accompanied by June Marshall, of Plattsmouth, were over Sunday visitors at the home of Mr. and Mrs. G. P. Brown.

William Schleifert and daughter, Miss Erna, drove in from their farm west of Manley last Wednesday for a short visit at the August Pautsch home.

Harry Hinton, living on the Mrs. Isabel Pettis farm west of town, formerly occupied by Arthur Jones, called last week to pay his subscription a year in advance. Mr. Hinton lived on the former Jacob Keiser farm west of town last year, so in moving, he did not change neighborhoods.

Mr. and Mrs. Andrew Allen, of Phillips, who have been here visiting their relatives, Mr. and Mrs. Frank Wheeler and Mrs. Clara Grassman, have returned home and were accompanied by their niece, Miss Fern Grassman, who has resigned her school in the Hill district. Miss Gertrude Phelps has accepted the school for the remainder of the year.

Mike Schmader had the thumb on his right hand badly bruised while shoveling clay into the big hopper at the pottery last Friday. The shovel came in contact with a revolving wheel and was jerked from his hands and thrown across the room, barely missing his head. He will be unable to work for several days.

Harold Williams and Dewey Spangler returned home last week from the Methodist hospital in Omaha, where they underwent operations for appendicitis. They are looking fine and feeling good and gaining in weight right along. Harold is assisting at Frank Johnson's pool hall, while Bill Myers is taking a few days off with the gripe.

## DARTING, PIERCING SCIATIC PAINS

Give way before the penetrating effects of Sloan's Liniment

So do those rheumatic twinges and the loins-aches of lumbago, the nerve-inflammation of neuritis, the wry neck, the joint wrench, the ligament sprain, the muscle strain, and the throbbing bruise.

The ease of applying, the quickness of relief, the positive results, the cleanliness, and the economy of Sloan's Liniment make it universally preferred. 35c, 70c, \$1.40.

**Sloan's Liniment**  
Keep it handy

Mr. and Mrs. G. E. Steele and family were given a farewell dinner by their neighbors, Mr. and Mrs. Frank Erhart on last Sunday, as they expect to move in the near future to their new farm home southeast of Elmwood. They now reside on the Fred Schleifert farm southwest of Louisville. Their postoffice address will be Weeping Water, but they will be nearer Elmwood on the Gus Oehlerting farm.

### ELMWOOD

Mr. and Mrs. William Brown and baby Elizabeth, returned home from their visit at Walton. Little Elizabeth has been very sick but is almost well again.

Little Alice Cool, daughter of Mrs. Emma Cool, who has been suffering with appendicitis and whose condition became so severe that on Monday she was taken to Lincoln where an operation was performed. Her case was a very severe one but at present she is getting along quite well.

Clarence Irons has just completed a deal whereby he sold his eighty-acre farm near Weeping Water to George Easley, of Syracuse, Nebraska, for \$200 per acre. Clarence then bought a 160 acre farm near Tecumseh in Johnson county. He says that he intends moving to this place in March and will farm it himself.

The funeral services of Zora, the little daughter of Mr. and Mrs. Geo. Miller of this city, took place Wednesday afternoon at two o'clock from the Christian church, being conducted by Elder D. A. Youtsey and interment was made in the Elmwood cemetery. The little one had been sick for several weeks with pneumonia and everything was done for her that was possible and she was taken to Lincoln, where she could have the best of care, but she died early Monday morning.

F. J. Fitch has just completed drilling the city well. They will put in a fine ten horse power Fairbanks-Morse and a big pump jack sufficient to handle a large stream of water to the stand pipe continuously. Aside from the new outfit the old one will also be retained. This will give the city a sufficient and proper kind of pumping plant that will always be sufficient for its needs. All now that is necessary to make the system complete is the extension of the mains to all parts of the city so that each and every resident may have access to the city water. The water plant might just as well be made complete now as any time. It will mean a lot to the city and to everyone in general. Why not get this thing done as soon as possible?

Mrs. Robert Pettit has been laid up this week with a touch of the flu, and was unable to visit her son at Murray in his affliction.

Noble Taylor has been quite ill for the past week, and for a time Saturday night was reported in a very critical state, but he is somewhat improved at this writing.

Mrs. J. Adams returned Monday from a week's visit with her daughter, Mrs. Henry Ruhga, at Wabash. Mrs. Ruhga and daughter, Miss Eunice, came home with her and will spend a week at the Adams home.

Mr. and Mrs. Albert Frolich were made happy Monday morning by the birth of a 7½-lb. boy. Both mother and son are doing nicely at this writing and we presume Albert will be able to see fellow mortals soon.

Mrs. Fred Spanke had the misfortune to meet with a painful accident last Saturday morning when she fell with a pan of hot water and

scalded her arm badly. It is still giving her much pain.

Mrs. Ed Betts received word Monday of the death near Avoca of her brother's wife, Mrs. George McFadden. Flu and pneumonia caused her death and she leaves two little children who also have flu, but are getting along nicely now. The funeral was held at Nebraska City Wednesday.

## DEATHS AT UNION

J. Ben Roddy

J. Ben Roddy, oldest son of Mr. and Mrs. J. B. Roddy, died Wednesday noon at the home of Charles Garrison after only a few days' sickness with pneumonia. The death of this splendid young man was a shock to all and the bereaved parents and relatives have the sincere sympathy of the entire community. His wife, who had been recovering from an operation for appendicitis at the Methodist hospital in Omaha, and who suffered a relapse from the flu, was physically unable to be brought home at the time of his death.

Mr. Roddy lived here practically all his life and was well known throughout this part of the country. He leaves a wide circle of friends to mourn the loss. Funeral services were held Saturday morning at the St. Mary's church in Nebraska City.

Jesse Franklin Hughson

Jesse Franklin Hughson was born February 15, 1887, died February 2, 1920, aged 32 years, 11 months and 13 days.

Jesse was not known to have an enemy because of his kind and loving disposition and one who was for the good in everything he thought and did. He always felt that his home with his father and mother, brothers and sisters was the most cherished spot on earth to him, and there he grew to manhood and had always lived.

He was taken down with the flu several days ago and was not able to overcome the dreaded malady. Rev. Taylor, of Union, held a short service at the home and gave them many words of love and comfort and cheer to the living, in the sad hour. A short service was held at the grave where friends and relatives took the last look with tears of sympathy and regret for the father and mother, brothers and sisters not able to be there on account of just recovering from the same sickness.

He was a member of the M. W. A. lodge of which he had been a member several years. There were several floral offerings from his lodge, also friends, Jesse was the oldest of six children, three brothers and three sisters, all living, except himself. His father and mother, Mr. and Mrs. Frank Hughson, are known by all and have the sincere sympathy of all the community.—Vehawka News-Ledger.
