### Methodist Church Items

Last Sunday morning four people were received into the church, making 24 new members that have been received since January first.

We shall give opportunity each Sunday for those who desire to take their stand with us. People are not sneering at the church so much these days, and they will do it less as the church reaches out into the community with a spirit of service and real helpfulness.

We are all looking forward to the "Alvo Community Day" on February 20th. Let us all join in making it a real success. It is ours, and community pride ought to stimulate every one of us to do our part to make that day what it ought to be. Remember that this is an enterprise of our splendid school, and of interest to every patron in the community.

The services at our church next Sunday are sure to be full of interest, beginning with the Sunday school at 10 a. m.

Sincerely,  
E. A. KNIGHT, Minister.

### THE HIGHEST MEDICAL AUTHORITIES AGREE

All eminent physicians agree with Drs. Hare, Caspari and Rusby, who say in their excellent book, "The National Standard Dispensatory," "Cascara sagrada is considered to be the best drug we have for habitual constipation. It not only increases the secretions of the gastro-intestinal canal, but because of its bitterness acts as a tonic, improves the appetite and digestion, and prevents the constipation which usually follows the use of similar drugs." Cascara (the bark of the California buckthorn) is the principal ingredient of Triner's American Elixir of Bitter Wine. The other ingredients make Triner's remedy still more perfect and that explains sufficiently why Triner's American Elixir of Bitter Wine enjoys the renown of being the best remedy for all stomach disorders. Your dealer of whom you buy medicines has also Triner's Angelica Bitter Tonic, Triner's Cough Sedative, Triner's Liphment and other Triner's highly dependable remedies in stock.—Joseph Triner Company, 1323-43 S.
