

-WRESTLING MATCH!

There will be a Wrestling Match to the finish, best two out of three falls, at

COATES HALL

Plattsmouth, Nebraska

Tuesday, March 16th

The well known wrestlers, Frank Schmarler, champion of Cass county, who has put down many a good man in the navy, weighing 175, will wrestle Jess Queen, of Omaha, a wrestler of considerable note. These men met at Union some time since and wrestled until the lights went out without a decision. This will sure be a good go. Lee Fickler will referee this event.

A preliminary bout will be given between our own Lee Fickler, of Plattsmouth, and Roy Girtton, of Harlan, Ia. Also a bout between Joe Schlater, Jr., of Plattsmouth, and Geo. Reichart, Jr., of Louisville, each 12 years old.

Admission, \$1.00

Match Called at 8:30

TAKEN WITH APPENDICITIS

From Tuesday's Daily.

Sunday afternoon while Bryan Snyder was enroute to Omaha he was taken with a very severe case of appendicitis and was hurried from the train on its arrival in Omaha to the hospital where he has been since that time. The condition of the patient is such that it is thought that it will be possible to operate on him tomorrow morning. The sickness of this popular young man will be much regretted by the many friends in the city and vicinity and it is to be hoped that he will soon be able to recover from his illness.

DEATH OF LOVING WIFE AND MOTHER

Mrs. Bainbridge W. Bates of Nehawka Answers Summons—Came to Nebraska in 1868.

From Saturday's Daily.

Eunice Amelia Bennet was born in Stockbridge, Vermont, September 28, 1847, and passed away February 25, 1920, aged 72 years, 4 months and 28 days. Her childhood days were spent in Vermont in the farm home of her parents—sturdy, thrifty people of Puritanic ideals.

The family of Bainbridge Walker Bates lived near the Bennett home and the young couple were friends all through their childhood days, which friendship ripened into a love that became the foundation of the future home. On November 22, 1864, the two were united in marriage and unto this union was born Frances Amelia, their only daughter.

During the first three years of their married life, Mr. and Mrs. Bates lived in Vermont on a farm near their parents' home. In the spring of 1868, they came to Nebraska, where they lived for two years on a farm which is now the present site of Avoca. While living here they purchased the home place southwest of Nehawka where they resided for the next twenty-one years.

In 1887 the wife of one of their nearest neighbors died, leaving a tiny babe, one week old. Their parental sympathy was aroused and the babe was taken into their home, tenderly nourished and cared for and grew into manhood as a member of the family—whom all knew as Charles Bates.

The life of Mrs. Bates on the farm was stamped with the trials and vicissitudes of the early pioneer. During the first two years in Nebraska, her home was in a log cabin. The nearest market was twenty miles away. Such circumstances called forth all the young housewife's thrift and industry. The wayfarer was always welcome and with a willing hand she ministered to his needs. Ungrudgingly she gave of her young strength to further the development of her home and community.

In 1869 a prairie fire threatened to destroy the home. With her husband and neighbors she fought desperately, and her husband has always declared that this fight shortened her life ten years. Following the marriage of their daughter, Mr. and Mrs. Bates left the farm and moved to Nehawka where they have since resided.

In early life, Mrs. Bates united with the United Brethren church, the church of her choice not being near. She later joined the Baptist church which was the church of her preference. As an earnest, devout Christian, she has always been willing and glad to do whatever she could to promote the work of the church of God.

Mr. and Mrs. Bates have enjoyed an unusually long wedded life! For more than fifty-five years they have worked together. Together they have watched the development of eastern Nebraska. Hand in hand, they have worked together and always has the wife been a true helpmate to her husband. Her spirit of service made her dear to the hearts of those around her. She will be sadly missed by a devoted husband, daughter and son and their families, besides other relatives and a host of friends.

SUFFERS PARALYTIC STROKE

From Tuesday's Daily.

Louis Sandin, father of Dr. O. Sandin of this city was found on Friday in a very serious condition at his home in Stromsburg, Nebraska, having suffered a paralytic stroke and which has gone very serious with the patient who is nearly seventy years of age. Dr. Sandin left Saturday in response to a message and is still at the bedside of his father. From what can be learned of the case in this city it seems that Mr. Sandin is living alone and on Wednesday had arranged to have one of his neighbors assist him in some work and when the man arrived at the Sandin home he failed to receive any response to his knocking on the door and realizing that the aged man must be sick or unable to answer the summons he forced the door open to find Mr. Sandin lying on the floor and helpless, as the result of the stroke. He was at once given medical aid and cared for while a message was dispatched for the son in this city.

CANDIDATE FOR DELEGATE TO CONVENTION

Petitions for Placing Name of Hon. W. F. Moran of Nebraska City on Primary Ballot.

From Tuesday's Daily.

Petitions are being circulated in this city for the placing of the name of William F. Moran, of Nebraska City, on the democratic primary ballot as a candidate for delegate from the first congressional district to the national convention at San Francisco.

Mr. Moran was one of the delegates to the last democratic convention and carried out the expressed will of the voters of the state in regard to the desires as to the policies of their party. He has given years of the best possible service to his party and if elected can be depended upon to stand by the man the people of Nebraska say they want for the highest office in the nation.

FILING FOR PARTY OFFICES NECESSARY

Chairman J. P. Faltter of Democratic Committee Receives Advice on Matter From State Chairman.

Chairman J. P. Faltter of the democratic county central committee has received a communication from State Chairman A. P. Sprague in regard to the placing of the names of delegates to state conventions and party committeemen on the primary ballot this spring. The letter from Mr. Sprague is as follows:

Dear Mr. Chairman and Secretary:

Doubtless, you are aware that the last Legislature made amendments in our primary law in what is known as the "Reynolds Bill", Chapter 90, Session Laws 1919. Briefly, the amendments are: First, one section provides for the nomination of the State officers below the Governor by a State Convention instead of in the primary. This section has been suspended by reason of the filing of a referendum petition with the Secretary of State. So that all of the State officials this year will be nominated the same as they have heretofore; that is, in the primary. The second change is that the delegates to the County Convention are elected at the primary election. This means that the delegates must file their application with the County Clerk, the same as other candidates.

We take it for granted that if they do not file and their name is written in and a mark made after it, that ballot will be counted and the delegates made up from the list so written in. It is of the utmost importance that delegates be elected at the primary. If this is not done, there is no legal way to hold a Convention. If the delegates are written in for part of the precincts, then, under the law, they have the right to fill the vacancy in the other precincts.

The law provides that the apportionment of delegates from the various voting precincts be made on the vote cast for Governor at the last preceding election. This must be done by the County Central Committee. As the time is short, the undersigned recommend that there be one delegate elected from each voting precinct for each 50 votes or major fraction thereof cast for Governor Neville at the last election and that the Chairman and Secretary of your County should convene the County Central Committee and make the apportionment, or, make the apportionment without the meeting, so that it will be made prior to March 20th.

Another change is a provision for the election of one man and one woman as members of the County Central Committee from each voting precinct. These are to be placed on the ballot and voted for on primary election day. It is important that people file their application with the county clerk or that the names be written in by the voters at the election. This is the only way you can get a legal County Central Committee. So, see to it that those who desire to file do so.

The Attorney General has held that no filing fee is necessary, either for delegates or committeemen, but they make a written filing, the same as any other candidate for office, with the County Clerk. We urge that you give this matter sufficient publicity so that the democrats in your county will understand what the conditions are and will take whatever steps are necessary to hold a County Convention and select members of the County Central Committee.

We are sending a copy of this letter to the Chairman and Secretary of each County Central Committee in the State.

Respectfully yours,
A. P. Sprague,
CHAIRMAN.
Clinton J. Campbell,
SECRETARY.
