

Ford

THE UNIVERSAL CAR

The Ford Sedan is the favorite family car, seats five comfortably. While an enclosed car with permanent top, it has large windows, and may in a minute be changed to a most delightful open car with always a top protecting against the sun. In inclement weather it is a closed car, dust-proof, water-proof, cold-proof. Finely upholstered. Equipped with electric starting and lighting system and demountable rims with 3 1/2-inch tires all around. A real family car. Anybody can safely drive it. It has all the conveniences of an electric car with the economy which goes with Ford cars, low cost of purchase price, small cost of operation and maintenance. Won't you come in and look at it?

\$250 PER ACRE FOR SALE!

THE JACOB VALLERY, JR. IMPROVED HALF SECTION

3 miles west of Plattsouth on the Louisville road. This farm will be sold very soon as I already have several buyers figuring on the deal.

Better buy from me now at \$250.00 per acre than to let the other fellow beat you to it and then have to pay him a bonus to get the farm.

It is a fact that often when a farm which has been for sale for a number of years is at last sold to some outsider, the neighbors who have always intended to buy it "as soon as they could get around to it," now rush in and offer the new owner more money than he paid for it, with the result that the farm changes hands one, two or possibly three times more, within a short time, each sale at an increased price.

This farm may go the same way. At \$250.00 per acre you can keep this farm and have one of the best farms in the best location in Cass county, or sell it in 60 days at a good profit.

Don't neglect the opportunity to buy this good half section so well located. Terms to suit purchaser.

A tractor that will fit your farm—the Fordson

YOU can make your farm produce more—at less cost—and with less effort on your part—by using the Fordson tractor. Not only will it help you prepare your land and cultivate the crops, but it furnishes power for many other farm jobs.

The Fordson tractor is the result of long study of farming conditions and it has proved a success. Burns kerosene—easy to operate and care for—practically trouble-proof.

There's an Oliver No. 7 Plow for your Fordson

Just as the Fordson tractor gives ideal power, the Oliver plow means ideal plowing. It is scientifically designed for tractor service—and is backed by a half century of experience in making plows. It buries all trash and weeds at the bottom of the furrow—maintains an even depth of furrow—and is controlled from the tractor seat.

Come in and let us show you this remarkable farm team.

ANNUAL CITY INSTITUTE

On Friday and Saturday of this week the city teacher's institute will be held. At this time two very prominent school men, Supt. A. J. Stoddard of Beatrice and Dean B. E. McProud of University Place will have charge of the sessions. The program planned is very strong and much good will be derived from it.

On Friday evening the public as well as the teachers is invited to go to the High school auditorium and hear a splendid musical and educational program. Both Supt. Stoddard and Dean McProud will speak. Their discussions will take up some of the recent and urgent school problems.

The incentives and encouragement received since the close of the world war has enlarged the possibilities of all educational institutions, both public and private and with this, of course, new and difficult problems are presented.

Do not miss this opportunity of hearing two excellent speakers on subjects which are of vital interest to any community.

Program begins at 8:00. Admission free.

TWO OLD RESIDENTS DIE DURING WEEK

MRS. THEO CABLE SUCCEMS TO ATTACK OF APOPLEXY MONDAY MORNING

GLARINDA ELLINGTON IS TAKEN

Life of Hot Springs Pioneer Ends After Long Illness in California.

The following account of the death of the sisters of Mrs. V. A. Kennedy of Murray, was taken from the Hot Springs (South Dakota) Star, and the Webster County Argus, of Red Cloud, Neb. They tell of the loss of two sisters of Mrs. Kennedy, giving a fuller account of the matter than we were able to get otherwise. The many friends of Mrs. Kennedy extend sympathy in her loss.

The news of the death of Mrs. Theo Cable early Monday morning was a great surprise and shock to the many with whom she was acquainted through her long residence in Hot Springs and a grief to the family which was the greater from the suddenness of the bereavement.

Mrs. Cable was apparently as well as usual the evening before and had been visiting at the home of her daughter, Mrs. J. O. Dalbey. When she retired after returning to her own home she had no symptoms of illness and even at 4 o'clock in the morning she spoke to her husband. Mr. Cable rose at 5:30 and went to

BOY SCOUTS TO ORGANIZE FOR 1920

Meeting Thursday Evening Will Give Scouts Chance to Re-register and Will Prepare Work for Year

Relatives in Nebraska were notified and arrived in time for the funeral, which was held in the Benson-Joyce chapel, Wednesday afternoon at 2 o'clock. Interment was made in Evergreen cemetery.

Elizabeth Ellington Cable had spent the last twenty years of her life in Hot Springs, coming here with her husband from Nebraska. Mr. Cable and three daughters, Mrs. Olive Dalbey, Helen and Caddie Cable survive her. She was a woman respected and liked by those who knew her, active and efficient in the performance of whatever she undertook and a helpful friend and neighbor. She was a member of the Christian church and of the Yeoman Lodge, under the auspices of which organization the funeral services were conducted. Rev. B. L. Donovan officiating.

A NEW ARRIVAL

Last evening the home of Mr. and Mrs. Emil J. Meisinger near Mynard, was gladdened by the arrival of a fine little daughter, and who has been christened Dorothy Ann, by the happy parents. The little one is doing nicely as is the mother and Emil feels very much elated over the good fortune that has befallen him.

ASKS FOR PROBATE OF WILL

From Tuesday's Daily: A petition was filed yesterday in the county court by Mark White asking that the last will and testament of Mrs. Ann White, deceased, be admitted to probate. The petition also requests the appointment of D. J. Pitman as administrator of the estate, which consists of personal property of the value of \$5,500.

The Boy Scouts of this city will have the opportunity of re-registering at the meeting on Thursday evening and taking up the work of the coming year. Scoutmaster Rev. A. V. Hunter has secured the permission to have the strength of the troop placed at forty and the first forty boys who register will be duly enrolled while those who are late will have to wait further opportunity of getting into the scout organization. The past season the scouts enjoyed several splendid outings and their experience in the line of scout work proved very beneficial to them in every way and they are better physically, mentally and morally for their association with the organization as the principals of honor and faith which are a part of their training are things that go a long way in the development of character. The meeting Thursday will be held at the high school at 7 p. m.

VISITS LOUISVILLE LODGE

The I. O. O. F. lodge of Louisville enjoyed a big time last evening at their meeting and among those who attended were District Deputy Grand Patriarch J. H. Short and wife, and three sons, Sanford, Harry and Earl and a niece, Mrs. Birdie Potts of Lincoln, and the members of the party report the Louisville people as royal entertainers and the occasion one that they will long and pleasantly remember.

Good Advice!

Profit by the lesson of the season, the scarcity of good clothing, substitutions and uncertain values. Go now and buy a Kuppenheimer overcoat and a suit in his wardrobe for present and future needs.

We have a number of good late in the season Kuppenheimer overcoats to show you, and many fine suits by the same makers.
