since his recent serious illness with pneumonia, following an attack of the flu which left him pretty weak, but gaining steadily.

Herman Gakemeier called Saturday to have his paper sent to South Bend hereafter as he has moved from his father's farm, which he has rented in the past, to his new home southwest of South Bend which he recently purchased. His many old friends in this vicinity will wish them happiness and prosperity in their new surroundings.

Frederick Stohman, the fifteen-year-old son of Mr. and Mrs. Frederick Stohman, who had the misfortune to injure his hand recently while out hunting with his cousin, Leroy Stohman, came home from the hospital in Omaha last Friday, where he was taken for treatment after the accident. The barrel of the gun exploded, tearing his hand badly and it was necessary to take several stitches in it, but fortunately, there will be no serious results from it.

Mr. and Mrs. Martin Sjogren and son David, drove home from Craig on Wednesday of last week, encountering rain the whole trip. However, they made almost as good time as usual and arrived here without any mishap. They had gone to Craig to visit their son John and family. The stork had arrived at the home of their son the week before and left a pair of twins, a boy and a girl, but to their sorrow, the little boy did not live. The little girl and mother are getting along very nicely although Mrs. Sjogren was very ill for a time. She is now progressing towards recovery. Mr. Sjogren's sister, Mrs. Sigrid Schmaeder, has been staying with them caring for the family.

LINCOLN WOMAN GAINS 25 POUNDS

Had to be Wheeled Around in Chair for a Year—Tanlac Restores Her to Health.

"I don't believe I would be alive today, had it not been for Tanlac," said Mrs. M. A. Van Kleeck, of 1011 N. 29th street, Lincoln, Neb.

"Beginning eight years ago," she continued, "I went down from a strong, healthy woman weighing one hundred and eighty pounds till I hardly weighed a hundred and had become a complete physical wreck. I suffered terribly from stomach trouble, indigestion and gas and what I thought was heart trouble. I also had sick headaches a great deal of the time and was so nervous and miserable I could hardly sleep. I had the best of treatment and was given all kinds of medicines but kept getting worse, and for two years I was so weak and run down that I could not walk to the corner and finally got to where I had to be wheeled about in a chair for a whole year.

"I have gained twenty-five pounds since taking Tanlac, and it has done me more good than all other medicines I have ever taken put together. Before I finished my first bottle, my appetite improved and I began to feel better, and after taking this medicine a few weeks I was enjoying normal health again. For five long years before taking Tanlac, I was never in a store, but I can now walk all over town shopping, and by taking a little Tanlac every now and then I am able to keep feeling well. I have already recommended Tanlac to many of my friends who have taken it with good results, and I surely will praise it the longest day I live."

Tanlac is sold in Plattsmouth by F. G. Fricke and Company and the leading druggist in every town.

A tractor that will fit your farm—the Fordson

YOU can make your farm produce more—at less cost—and with less effort on your part—by using the Fordson tractor. Not only will it help you prepare your land and cultivate the crops, but it furnishes power for many other farm jobs.

The Fordson tractor is the result of long study of farming conditions and it has proved a success. Burns kerosene—easy to operate and, care for—practically trouble-proof.

There's an Oliver No. 7 Plow for your Fordson

Just as the Fordson tractor gives ideal power, the Oliver plow means ideal plowing. It is scientifically designed for tractor service—and is backed by a half century of experience in making plows. It buries all trash and weeds at the bottom of the furrow—maintains an even depth of furrow—and is controlled from the tractor seat.

Come in and let us show you this remarkable farm team.

\$250 PER ACRE FOR SALE!

THE JACOB VALLERY, JR. IMPROVED HALF SECTION

3 miles west of Plattsmouth on the Louisville road. This farm will be sold very soon as I already have several buyers figuring on the deal.

Better buy from me now at \$250.00 per acre than to let the other fellow beat you to it and then have to pay him a bonus to get the farm.

It is a fact that often, when a farm which has been for sale for a number of years is at last sold to some outsider, the neighbors who have always intended to buy it "as soon as they could get around to it," now rush in and offer the new owner more money than he paid for it, with the result that the farm changes hands one, two or possibly three times more, within a short time, each sale at an increased price.

This farm may go the same way. At \$250.00 per acre you can keep this farm and have one of the best farms in the best location in Cass county, or sell it in 60 days at a good profit.

Don't neglect the opportunity to buy this good half section so well located. Terms to suit purchaser.

T. H. POLLOCK,

Phone No. 1 Plattsmouth

NOTICE TO OUR MURDOCK READERS

Owing to the crowded condition of the Journal this issue we are compelled to carry our Murdock page over until Thursday. This move is made necessary owing to the present high price of print paper, which we will be compelled to curtail upon whenever possible.

Print paper has now almost prohibitive price for the smaller newspaper and our readers will be compelled to bear with us whenever it is possible for us to save on print stock. By reducing the size of the paper two pages we save 25 per cent of the paper, which means a vast amount of money within the year.

ORDER OF HEARING

On Petition for Appointment of Administrator, The State of Nebraska, Cass county, in the County Court, in the matter of the estate of John W. Long, deceased. On reading and filing the petition of John W. Long, praying that administration of said estate may be granted to John W. Edmunds, as administrator. Ordered, that April 6th, A. D. 1920, at ten o'clock a. m. is assigned for hearing said petition, when all persons interested in said matter may appear at a County Court to be held and for said county, and show cause why the prayer of petitioner should not be granted, and that notice of the pendency of said petition and the hearing thereof be given to all persons interested in said matter by publishing a copy of this order in the Plattsmouth Journal, a semi-weekly newspaper printed in said county, for three successive weeks, prior to said day of hearing. Dated March 12, 1920. ALLEN J. BEESON, County Judge.

ELMWOOD

Leader-Echo

C. M. Guernsey has purchased a property in Lincoln and will move with his family to that place some time this week or next.

Mrs. John Hess, who has been spending the winter at Yakima, Washington, returned to her home at Wabash on Wednesday of this week.

On Sunday a baby girl arrived at the home of Mr. and Mrs. Leland Hayes. Jim is a happy daddy and is stepping rather high. The parents have the heartiest of congratulations because of this happy event.

J. F. Hoover and Fred Gillett were down from Lincoln a few hours on Monday. John, who had been quite sick when he left two weeks ago, is very much improved. He will leave at once for Milwaukee, where he will make his future home.

H. H. Carroll has received a challenge from young Brooks of Iowa, for a finish match. He weighs 133 lbs. and claims he has never been defeated by anyone under 150 lbs. He has a match with Breedlove, the world champion featherweight. The challenge to wrestle Erven Carroll will be accepted as soon as possible.

Mr. and Mrs. Orest Cook are the proud parents of a fine son, born to them on last Saturday. He is a lusty young man and the happy parents are pretty proud of their first son and heir. Of course it goes without saying that Grandpas and Grandmas Oscar Turner and Wm. Cook are the

proudest in the world. The young man has been given the fine name of Orest Wendell Cook.

On Tuesday evening the class of M. L. Gollaher, composed of young married people of the Methodist church went to the country home of Mr. and Mrs. Howard Capwell, where the evening was spent in honor of the Clyde Corbet family, who are moving this week to Lincoln, where they will make their future home. A good size crowd was present and all enjoyed the evening with Mr. and Mrs. Corbet. Clyde, who recently had a serious operation is very much better. We are sorry to see this family leave Elmwood and are glad that they are not going so far for we know that they can come back to visit often.

WEeping WATER

Republican

E. P. Buck has bought the Mrs. D. T. Dudley home which was recently wrecked by fire and is busy these days cleaning up the premises and will use what is left from the fire and convert it into a bungalow.

The Misses Dorothy Gordier, Eloise Pool and Lila Wollen went to Union Sunday between trains with Miss Emma Wohlfarth, a cousin of Miss Gordier, who was returning to Plattsmouth after the week end visit here.

Chris Johnson and Peter Lund were in Omaha Monday to see Rasmus Peterson at the hospital, who is not making much improvement.

Mr. Peterson is the young man who has never recovered from his affliction received while in the service.

Herman Wegner came down from Omaha Tuesday evening, where he has been the last five weeks caring for his wife and little daughter at a hospital. He reports Mrs. Wegner still confined to her bed, while the little daughter had gained to the extent that he had her out in a wheel chair Tuesday for the first time.

Mrs. J. R. Josephson went to Omaha this (Thursday) morning, expecting to find her daughter, Elvera, able to accompany her home this evening or tomorrow as the doctor had told Miss Elvera that in all probability she could come home this week. It is hoped that she will be able to come as home will look pretty good to her and she to home folks after two weeks' stay in the hospital.

At the regular meeting of our fire company last Thursday night, it was voted to increase the membership from eighteen to twenty-five. The experience at the last two fires demonstrated that a larger company would be better. Two hundred feet of new hose has been ordered, 100 feet of which will be paid for by the city and the other by the fire company. If our volunteer fire fighters have to furnish part of their necessary equipment to battle with the fires in town, besides their work, there is not too much that can be done in the way of praise and appreciation for their great services. There is evidence that some people are appreciating this. August Meyer phoned them while they were in session at their last meeting and told them to visit a soda fountain or cafe and order to their appetites' content and have the bill charged to him, in remembrance of their splendid work at the garage fire a short time ago. This made the boys feel pretty good, as did also the sandwiches and hot coffee furnished by J. M. Teegarden the day the boys were fighting the flames at the Mrs. D. T. Dudley home at which time it was only for the timely action of the fire boys that the Teegarden home was saved.

LOUISVILLE

Courier

Marion Metzger, of Merryman Cherry county, came down to Omaha on Wednesday of last week on business, but did not have time to visit his relatives in this vicinity. J. R. Noyes spent a few hours with him at the auto show in Omaha.

W. H. Heil has rented the J. O. Ward farm which he recently purchased, to Axel Johnson who has already taken possession, having moved down from Omaha last week. Mr. Heil's son, Rudolph, will continue to farm the home place east of Louisville.

Cashier W. J. Rau and his most capable assistant, Mrs. Rau, of the Manley State bank, drove over Monday evening to look after a few business matters and made a short visit at the home of Mr. and Mrs. August Pautsch.

Mr. and Mrs. William Wiles and two children, drove up from their farm near Murray on Tuesday of last week for a day's visit with Mrs. Wiles' parents, Mr. and Mrs. Charles Lau and family. This was Mr. Wiles' first trip away from home

Ford
THE UNIVERSAL CAR

The Ford Sedan is the favorite family car, seats five comfortably. While an enclosed car with permanent top, it has large windows, and may in a minute be changed to a most delightful open car with always a top protecting against the sun. In inclement weather it is a closed car, dust-proof, water-proof, cold-proof. Finely upholstered. Equipped with electric starting and lighting system and demountable rims with 3½-inch tires all around. A real family car. Anybody can safely drive it. It has all the conveniences of an electric car with the economy which goes with Ford cars, low cost of purchase price, small cost of operation and maintenance. Won't you come in and look at it?
