"EVERYBODY'S STORE"

FARMER UNDER A HEAVY BOND

Required to Furnish Nine Times the Value of Stolen Cars He is Charged With Receiving.

Chief State Agent Gus Hyers demanded \$3,500 bond from a prominent farmer south of Sidney who was arrested for receiving a stolen automobile and the chief was sustained by the court. The head of the state department of law enforcement has just returned from a round-up in the western part of the state. State Agent Joe Wilson accompanied him.

At Sidney, the officers with the assistance of Sheriff McDaniel and the chief of police recovered three stolen cars and while there, Mr. Hyers filed a complaint against Simon

Goeman for receiving a stolen car valued at \$400. The bond demanded in the case is sufficient to buy nine such cars. It was made large because of the supposition that Goeman may have received other stolen cars. Bond was furnished by a wealthy neighbor of Goeman. The car was stolen by an ex-convict whose name is withheld pending further development. The state case will be prosecuted by County Attorney Radcliffe. The defendant is represented by W. P. Miles of Sidney.

The proprietor of the Overland garage at Sidney was arrested for failing to properly register cars in transit as required by law. The proprietor admitted guilt and was fined \$100 and costs. Mr. Hyers found Sidney to be one of the best towns in the state in regard to enforcement of the automobile laws.—State Journal.

OVER THE COUNTY

LOUISVILLE
Courier

Grandpa James Terryberry reports the birth of a little daughter at the home of his son, Dan, at their farm home four miles south of the home place. The little miss is a beauty and arrived on Saturday, March 13, 1920.

Mrs. F. Reister and her sister, Miss Rose Scheel, were Plattsmouth visitors Saturday, Miss Rose going down to see the county superintendent, Miss Alpha Peterson on business. Miss Rose has taught a very successful school at College Hill this year.

Miss Dora Meisinger is back at her place in the dry goods department in F. H. Nichols' general store after a week's absence. In company with Miss Florence Gauer, daughter of Mr. and Mrs. John Gauer, she went to Plainview to visit the family of Philip Schafer, who are former Cass county residents. The young ladies report a splendid time and say the Schafers are getting along nicely and are enjoying their home out there very much.

Mr. and Mrs. William Wiles drove up from their farm near Murray last Sunday to help celebrate the birthday of Mrs. Wiles' mother, Mrs. C. M. Lau. Mrs. Lau's son, Charles and family could not be present because of sickness in the family. In the evening Mr. and Mrs. Lau entertained a few friends and neighbors in honor of the occasion, refreshments being served and the time passing pleasantly with conversation and music.

Charles McIntyre has been hired by the board of education as janitor for the balance of the year, the place having been left vacant by the resignation of H. N. Taylor, who has been janitor for the past ten years. Mr. Taylor had been receiving \$65 per month and asked for \$80, which request was refused by the board, whereupon he resigned. Edward Gess filled the place a week after which Mr. McIntyre, who is giving excellent satisfaction, was elected at \$70.

Mrs. Mary Gaebel is in receipt of a recent letter from her sister, Miss Katherine Gakemeier, who is making an extended stay in California with relatives and friends, and she writes of a pleasant visit she enjoyed recently with Mrs. J. D. Ferguson and family in Long Beach. She reports them all well and delighted with California. Miss Gakemeier went to California last fall in company with Mr. and Mrs. George Berger and remained with them at Orange for a time. She also visited her niece, Mrs. Leonard Bertrand, in Long Beach.

Mrs. James Ingram, of Broken Bow, has been here for some time assisting in the care of her mother, Mrs. E. Spence, who is in failing health at her home in the country. Her son, C. W. Spence and wife, of Havelock have also been at the farm helping the family. A trained nurse arrived on Monday and Mrs. Spence is given every care and attention, but little hope is entertained of her being able to leave her bed again, as she has never fully recovered since she fell recently, which was too much of a shock to her system, on account of her advanced years.

WEeping WATER
Republican

Lloyd Philpot and Humphrey Murphy who went to Detroit to drive home a couple of Dodge Bros. cars returned Wednesday evening. They found the roads quite good barring a few mud holes. They left Detroit Saturday.

The Republican is in receipt of the news of the arrival of a fine daughter at the home of Mr. and Mrs. Geo. Sheldon of Nehawka. Mrs. Sheldon was formerly Miss Florence Todd and has a host of friends in and around Weeping Water.

Claude Canaday who recently graduated from the State Farm school has rented a farm of Ray Wiles five miles northeast of town and was taking our furniture from the C. H. Gibson store Monday, which he told our reporter was a bachelor outfit. However, in the reporter's judgment the furniture was of a quality that would necessitate a more skilled hand to care for and we are quite sure Claude's good judgment would prompt him to buy the best of furniture even if he had to get a housekeeper to care for it.

An important business change on Main street took place late Saturday night when Crozier Bros. sold their large merchandise stock and business to Johnson Brothers (Andrew and Mogens). The deal came as a surprise to the public and the change was a sudden one indeed.

Good to Remember
N-T-O-N-I-G-H-T
Tomorrow Alright
Paste In Your Hat

F. G. FRICKE & CO.

Keys to the store were turned over Saturday night and the new owners opened the place of business Monday morning under the firm name of Johnson Bros. General Merchandise. The members of the new firm are well known to most of our readers and are two young men of excellent qualities and business experience. The junior member, Mogens, was formerly with his uncle, Hans Johnson, in the mercantile business and is now living on a farm south of town which he will have to make arrangements to get away from before he can devote his entire time to the store. Andrew, the senior member also had some experience in the grocery line before taking a position as clerk at Boone & Davis' store, where he served the public for a number of years prior to moving to Chappel, where he has been employed by a large mercantile firm until moving back to Weeping Water about a week ago. Hence the new men are not strangers to our city or inexperienced at the business, but are fully competent and capable of handling the enormous business established and carried on by Crozier Bros.

EAGLE
Beacon

Mrs. Ed Betts is able to be out on crutches after a couple of weeks with a lame foot.

Mrs. Kate Oberle was taken to Lincoln last week and underwent an operation on one of her feet. It was painful, but not serious, and necessitated carrying the member in a cast for several days.

Little Ruth Elenor Umland, the infant daughter of Mr. and Mrs. William A. Umland, died last Friday morning at 7:30, only nine days after her advent into this world. The sympathy of the community goes out to the young parents in their bereavement.

Col. Phil Hall, Jr., cashier of the First National bank of Greenwood, and former Adjutant-General of the Nebraska National Guard, was in Eagle last week in the interests of the American Legion post at Greenwood, of which he is the Commander. He secured a number of membership requests from here, and he informs the Beacon that when he has 11 members, if desired, he will institute a post at this place. Something like ten or a dozen of these have already been secured and the probabilities are that Eagle will boast of a good strong post of this worthy organization in a very short time, as there are more than a sufficient number hereabouts to make it go.

The Agriculture class, under the direction of Miss Spence, has been testing seed corn lately and have found some excellent seed. The highest test was 98 per cent, others ranging down from this as low as 10 per cent. This corn was all a fair sample of that grown around Eagle, having been brought by the pupils, and proves that farmers should be exceedingly careful in the selection of the corn they use for seed this spring.

Friday of last week all pupils of the school were examined for defects of eye, ear, teeth, nose and throat. A complete tabulation of the results has not yet been made, but the defects will reach a high percentage. We are safe in saying that 40 per cent of the children have defective teeth; 20 per cent have eye trouble; 10 per cent ear trouble and about 5 per cent nose and throat trouble.

COMMUNITY PICTURE SHOW.

Murray will have another one of those popular "Community Picture Shows" Saturday. This will be one of a very pleasing character. The community spirit shows much growth in this bustling little city, and is working wonders for the solution of the problem which confronts the community.

Remember that this exhibition is entirely free, being given in the spirit of friendliness and all are expected to attend. Tell your friends and be at the Murray hall at eight o'clock. No admission. Only come and enjoy yourselves.

SAYS HANDS WERE ALMOST USELESS

Rheumatism and Other Troubles Began to Disappear After Taking Tanlac.

"There's no mistake about Tanlac being a real medicine, for nothing but a real medicine could do what it has for me," said Mrs. Hattie Campbell, of 1808 Grace St., Omaha, Nebr.

"Beginning with indigestion four years ago," continued Mrs. Campbell, "my troubles multiplied till my life became one of constant suffering. Everything I would eat soured on my stomach and almost tortured me to death. The gas would press on my heart at times so I could hardly breathe and I would almost smother. I suffered from heartburn and had nervous sick headaches and was so dizzy that I would almost fall every time I stooped over. I had rheumatism in my hands so bad that my fingers were all bent over, and at times they would become so numb as to be almost useless. My appetite was poor and I fell off from one hundred and thirty pounds to ninety-four and nobody will ever know how much I suffered.

"I was in an awful fix, and while I tried everything recommended I found no relief until my sister and some of my friends got me to take Tanlac. While on my second bottle my appetite returned, I could eat most anything I wanted and my other troubles began to leave me. I have regained sixteen pounds of my lost weight and am now able to eat anything I want without suffering from gas or indigestion afterwards. My hands and fingers have become supple again and I hardly notice any rheumatic pain in them. Those headaches and dizzy spells are gone and I have improved so much that I hardly feel like the same person."

Tanlac is sold in Plattsmouth by F. G. Fricke and Company and the leading druggist in every town.

ELMWOOD
Leader-Echo

George Penterman, Emil Rosenow and Herman Fleischman are in Colorado, near Burlington, this week, looking at land.

Wm. Sack, the auto and garage man from Eagle, was in town Monday the first time for a number of weeks. He is still getting around on crutches, but is much better since his operation.

On Monday evening Mr. and Mrs. Frank Gustin returned from California, where they spent the winter. They report that they enjoyed their sojourn in the balmy climate there. Frank's friends accused him of being responsible for the cold snap on Wednesday, but all he can say is that he came home a little too soon.

Last Saturday morning as the Missouri Pacific freight engine was doing some switching on the side track one of the cars and the tender of the engine was partially derailed. It seems that there was a sharp curve in the switch and the force against this was sufficient to tear the rail loose partly derailing a car and tearing out several rails. Things were quickly gotten back in shape again and the freight on its way again with a short delay.

On Tuesday evening a caucus was held at the city hall for the purpose of placing in nomination candidates for the city board. L. A. Tyson was made secretary of the meeting. A ballot was taken and Harry Tolhurst, W. N. McLemon, Elmer Boyles, C. S. Aldrich, L. A. Tyson and F. J. Fitch were nominated for the two year terms; Guy Clements, Fred S. Backemeyer, H. A. Williams, J. S. Deering and L. F. Langhorst for one year terms. There are to be three candidates elected from those nominated for the two year term and two candidates from those nominated for the one year term.

TAFT IN OMAHA APRIL 3

Omaha, March 19.—William Howard Taft will arrive in Omaha April 3 from York, Neb., to speak here under the auspices of the Concord club and the Northwestern Warriors. Governor McKelvie and Mayor Smith have been invited to join the reception committee and Lieutenant Colonel Wuest, Fort Omaha commandant, has been asked to provide a military escort for the occasion. Mr. Taft will speak in the evening on "Americanism and Bolshevism."

Henry R. Gering came down this afternoon from the metropolises to visit relatives here over Sunday. Mrs. R. B. Hayes and little daughter, Jeanne, departed this afternoon for Omaha and from there will go to Lincoln for an over Sunday visit.

Notice to Ford Owners!

How are your lights? Does your motor crank hard? If you have these troubles your magneto is weak. A new magneto would cost you \$20.00 installed. We recharge your magneto without taking your motor down for \$5.00.

Come In and Let Us Explain!

W. W. WASLEY,
Garage Phone 650 House Phone 502

NEHAWKA
News-Ledger

Mrs. Z. W. Shrader returned home from Omaha Tuesday afternoon after a short visit with relatives at that place.

Mr. and Mrs. B. J. Moore and son returned home from Pawnee City Tuesday afternoon after a few days' visit with relatives there.

Word was received here this week announcing the birth of a baby girl to Mr. and Mrs. Will Rice of Wayne, Nebraska, on March 10th.

On Tuesday of this week occurred the marriage of Mrs. Edith Duckworth to John A. Leonard, both of Nehawka. The couple went to Nebraska City, procured a marriage license and the marriage ceremony was performed by Judge Bischof in the County Court room of that city. The couple returned to Nehawka at once and will make their home here.

Mrs. R. C. Bailey, who is well known to the people of Nehawka and the country north of town, died in a hospital at Omaha Wednesday, March 10th. Mr. and Mrs. Bailey resided for a number of years on the Troy Davis farm five miles north and one mile west of Nehawka. Several years ago they removed to Minnesota and later to Hartington, Nebraska, in the northeastern part of the state, where they still lived up to the time of Mrs. Bailey's death. Mrs. Bailey died in the Omaha hospital following an operation for gall stones. She leaves a husband and one son seven years old to mourn for her. The funeral was held Saturday and interment was made in Graceland cemetery in Omaha.

The meeting of the commercial club last night revealed the very pleasing fact that while not a great deal of progress has been made on incorporation of the village, the committee appointed to map out the boundary lines of said incorporation limits are meeting with practically no opposition. There are no difficult problems to solve and it would seem that everybody realizes the great importance of incorporation and is willing to concede certain points and concessions in order that we may derive the benefits. A small delay in getting the petition ready to sign was due to the fact that two or three parties had not yet decided whether or not they wanted to be annexed and the committee is waiting for them to decide. No doubt but they will decide one way or the other quickly, when it will then be only a matter of circulating the petition.

SOCIAL WORKERS MEET

On Wednesday afternoon, March 17, 1920, there was one of the merriest gatherings of the season when the Social Workers' club met at the home of Mr. and Mrs. M. G. Stava, south of the city.

Thirteen members and several visitors participated in a short business session after which a very jolly social hour was spent in conversation and music.

At a late hour a most bounteous luncheon was served by the hostess, and as the shades of evening began to appear the "Workers" wended their way homeward.

NEW BLACKSMITH SHOP

I wish to inform the people of Plattsmouth and Cass county that I have moved to Plattsmouth and started a blacksmith shop on the corner of Sixth and Pearl streets, in the Dawson building. I will appreciate your patronage and guarantee complete satisfaction.

W. A. BAKER.
