"mean temperature" this lican leaders cannot escape a very winter has been about the meanest heavy load. They control the senate organization and they must hear ve ever remember.

party in such a body.

America will soon enjoy the distinction of having been in the way longer than any other nation.

-:0:---The spring suit styles are very pretty, but where will the people who can fit into them come from?

-:0:----What this country needs is a great er spirit of sacrifice and we suggest we begin by sacrificing profiteers.

One way to quit worrying about high prices is to buy and operate farm-and worry about low prices.

-:0:-

It is feared the shortage in cot ton shirts will continue until the price of silk shirts reaches \$50 apiece.

Now that the raisin has achieved fame, the Kansas Industrialist in prepared to stand the shock even if prunes and vice-presidents eventually amount to something.

-:0:-Fifty-two thousand Americans emigrated to Canada in 1919 and carried with them cash and effects valued at \$18,000,000. About the same number entered from England.

-:0:---In the United States each individ ual consumes \$3 pounds of sugar a year. An increase of a cent a pound in price means \$91,300,000 a year PLATTSMOUTH SEMI-WEEKLY JOURNAL

living wage will not suffice. It is trite to say that the deterioration and eventually palsy all our national functions. Trite as it is, it is a fact we have studidly tried to dodge. We can't dodge it any longer. The profession of teaching must be accorded its just recognition. Its rewards and opportunities must be such as to attract our young men and women of talent

and purpose, and to retain them. The failure to appreciate the importance of adequate public schools the responsibilities of a majority has been national, but no state has sinned more previously in this re-If the senate fails to act defin spect than has Missouri. Our atitely, the majority party must as titude towards our country schools, sume the chief burden for the fail especially, has been niggardly. ure, so far as the senate itself is pittance has been the wage of the concerned. If it defeats the treaty,

country school teacher. The "little it cannot load the fault upon the red school house", extolled by the president, without abandoning th demagogue, has too often been constitutional theory of a co-ordinwretched hovel, where ugliness and ate branch of the treaty-making neglect have broken the hearts of power functioning independently of

many brave men and women .- St the executive. The president may Louis Post-Dispatch.

have influence with certain serators, but so has W. J. Bryan and Elihu Root. Mr. Roosevelt as a private citizen had influence with senators.

But the senate because of outside influence cannot escape its constitutional obligations nor evade its full responsibility for its acts and its

failures. P. J. Linch was a Lincoln visitor In history, certain elementary hursday. facts will be thrown into high re Dr. L. Muir was in Lincoln Sat lief. It will be seen that the pres urday morning.

Mrs. Dale Boyles was in Lincoln the democratic ticket. Mr. Vallery ident kept strictly within his constitutional powers in negotiating Thursday forenoon.
