# Ford

THE UNIVERSAL CAR

The Ford Sedan is the favorite family car, seats five comfortably. While an enclosed car with permanent top, it has large windows, and may in a minute be changed to a most delightful open car with always a top protecting against the sun. In inclement weather it is a closed car, dust-proof, water-proof, cold-proof. Finely upholstered. Equipped with electric starting and lighting system and demountable rims with  $3\frac{1}{2}$ -inch tires all around. A real family car. Anybody can safely drive it. It has all the conveniences of an electric car with the economy which goes with Ford cars, low cost of purchase price, small cost of operation and maintenance. Won't you come in and look at it?

## STATEMENT FROM CANDIDATE STAVA

Republican Nominee Before the Primary States Position in regard to Expenditures.

(Political Advertising)  
The following statement from M. G. Stava relative to his position as an active candidate for nomination in the primaries and election in the fall campaign, will prove of interest to voters generally:  
Plattsouth, March 29, 1920.  
To the Voters of Cass County—  
Greetings.

I come before you as a candidate for County Commissioner on the republican ticket and I wish to state my stand and reason why I filed and also the reason why I ask your support. Now, one reason why I filed was that nobody wanted to serve as commissioner. Well, I am willing to serve and serve gladly and am in position to give my undivided time and attention to the county affairs and look after all the county business properly.

Now, I wish to state that I am opposed strongly against any and all unnecessary expense and that I believe in economy in every branch and I believe that our by-roads ought to be looked after as well as our main roads, and that is the only place where I would not hesitate to spend the county funds.

In conclusion, I wish to state that I may be a stranger to some of you, but I am not a stranger to the State of Nebraska, for I was raised in Butler county and remember the antelope running over the prairies, and have seen the state develop to its present state of paradise.  
Thanking you in advance for all favors you see fit to render me, I am,  
Yours for Service,  
M. G. STAVA.

### LOOKING AFTER CHILDREN

From Wednesday's Daily.  
Miss Minnie Gilbert of Omaha, representing the Nebraska Children's Home society of that city was in the city today looking over the collection of funds and the condition of the children of the community. Miss Gilbert states that their society has no permanent home where a large number of children can be cared for at one time and that the children are kept in a number of private homes until they are placed in homes.  
At the present time the society has applications from some twenty families of the state asking for children for adoption, but have no little ones available.

Jack Schwartz departed this morning for Louisville, where he will look after the disposal of the body of Charles Bullock, who was killed near there Friday morning.

## A tractor that will fit your farm—the Fordson

YOU can make your farm produce more—at less cost—and with less effort on your part—by using the Fordson tractor. Not only will it help you prepare your land and cultivate the crops, but it furnishes power for many other farm jobs.

The Fordson tractor is the result of long study of farming conditions and it has proved a success. Burns kerosene—easy to operate and care for—practically trouble-proof.

## There's an Oliver No. 7 Plow for your Fordson

Just as the Fordson tractor gives ideal power, the Oliver plow means ideal plowing. It is scientifically designed for tractor service—and is backed by a half century of experience in making plows. It buries all trash and weeds at the bottom of the furrow—maintains an even depth of furrow—and is controlled from the tractor seat.

Come in and let us show you this remarkable farm team.
