CANTATA ENJOYED BY LARGE NUMBER

Combined Choirs of Methodist Church Render "Penitence, Pardon, Peace" at Cantata Last Evening.

From Saturday's Daily
The auditorium of the Methodist church was comfortably filled last evening by a congregation who enjoyed to the utmost the special musical program prepared by the combined choirs of the church presenting the beautiful cantata, "Penitence, Pardon and Peace", the words of which were selected from the scriptures and the musical setting by J. H. Maunders.

At the opening of the service Mrs. J. D. Ironmonger of Glenwood gave a very charming solo number which was a fitting opening of the splendid evening of music.

The solo parts of the cantata were given by D. C. York, Mrs. Mae Morgan and Miss Clara Mae Morgan. The accompaniment for the cantata was played by E. H. Wescott, organist of the church. The effects of the mixed choruses of the male and female voices was most delightful and brought out the full beauty of the story of the passion, death and the resurrection of Jesus Christ.

SURELY APRIL FOOL

From Saturday's Daily
The weather this morning proved a real April fool joke on the inhabitants of this portion of Nebraska, when the daybreak brought with it a snowstorm of real winter intensity. The fact that the 7th of April will mark six months of winter and makes the average citizen long for the good old summer time.

The wintery weather conditions which give little indication of moderating will prove a hard blow to the usual Easter parade of the new hats and garments which is such a pleasure to the feminine heart, but to the old man who is raising the funds to combat the h. c. l., the weather will not make much difference as he would have only the old clothes that have stood the winter storm and strife to wear anyway. One of our prominent citizens who was looking over the stock of B. V. D.'s and Palm Beaches at one of the local stores has decided to apply his money in the purchase of an additional ton of coal.
