### GETTING LINE ON CANDIDATES

From Saturday's Daily.

The headquarters of the prohibition party in this state are engaged in getting a line on the various candidates for senators and representatives in the state by sending out and getting a list of the filings in each county in the state. The New Voice, the official organ of the party is preparing an album of the candidates in the state and propose to have their position on the question of bone dry or a little moisture made clear with the intention doubtless of seeing that only the bone dry candidates receive their endorsement.

### QUINN CASE ARGUED

From Saturday's Daily.

This morning the Quinn case involving the validity of a deed made by Mrs. Ellen Quinn of Elmwood conveying to her son, Charles Quinn, her farm near that place, was argued before Judge Begley in the district court. The opening argument was made for the plaintiff by Attorney Wm. Deles Dernier and for the defendant by William A. Robertson. Hon. Jesse L. Root of Omaha concluded the argument for the defense and A. L. Tidd for the plaintiff.

### How Diphtheria is Contracted

One often hears the expression "My child caught a severe cold which developed into diphtheria," when the truth was that the cold had simply left the little one particularly susceptible to the wandering diphtheria germ. If your child has a cold when diphtheria is prevalent you should take him out of school and keep him off the street until fully recovered, as there is a hundred times more danger of his taking diphtheria when he has a cold. When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diphtheria or any other germ disease being contracted.

Omaha Woman Suffered for Fifteen Years—Troubles Ended by Taking Tanlac.

"I have had a long, hard struggle with ill health, but Tanlac has overcome my troubles at last," said Mrs. John Madsen, of Seventh and K avenues, East Omaha, Neb.

"For fifteen years," she continued, "I suffered from stomach trouble, nervousness and headaches. Nothing I ate would agree with me and I felt nauseated most all the time. I had awful pains in the pit of my stomach and the gas pressure on my heart would almost cut off my breath. Headaches and dizzy spells would almost drive me frantic, my strength would give out and I was compelled to stay in bed for weeks and had almost lost hope of ever getting well."

"I had tried everything I could think of, but nothing seemed to help me. Finally, hearing such wonderful things about Tanlac, I got a bottle and it has proved to be just what I needed. I began to improve right from the start and have been getting better ever since. My appetite is picking up fast and I can eat most anything now without suffering like I did before. I am gaining in weight and strength every day and am so delighted with Tanlac that I am telling all my friends what a wonderful medicine it is."

Tanlac is sold in Plattsmouth by F. G. Fricke and Company and the leading druggist in every town.
