How would YOU like a raise like this?

FIRST NATIONAL BANK

Pay to the order of Rev. N.E. Pastor Only Fifty Two Cents Each Church Member

—and for 34 Years Work

THAT is the kind of increase in salary the minister has received. His living expenses have risen just as fast and as far as yours.

But he is paid on the average just 52 cents more per church member than he was paid 34 years ago.

The Minister Never Fails You

Every officer of the Government with a war message to deliver appealed to the ministers first of all.

But 80% of the ministers receive less income than government economists figure as a minimum for the support of an average family.

When hospitals need money they enlist the support of the ministers—and receive it.

But when sickness visits the minister or the members of his family they must be treated in a charity ward. His pay is less than a day laborer's.

8 out of every 10 ministers receive less than \$20 a week—about half the pay of a mechanic.

We Pay Him Half the Wages of a Mechanic

And of these pitifully inadequate salaries, how much do you contribute? Nothing if you are outside the church; an average of less than 3c a day if you are a church member.

All of us share in the benefits of Christian ministers to the community. They marry us; bury us; baptize our children; visit us when we are sick. In their hands is the spiritual training of the youth.

We Are All Profiteers at Their Expense

Part of the Interchurch World program is this—a living wage for every minister of Jesus Christ; an efficient plant, and a chance to do a big man's job.

If you want better preachers, help to pay the preachers better. It's the best investment for your community—and for your children—that you can ever make.

HAS BEEN OPERATED ON

From Friday's Daily.

Reports received from Rochester, Minnesota, state that Martin L. Frederick, one of our best known citizens, who is at the Mayo hospital in that city, has underwent one operation and it is thought that a second one will be necessary. Mr. Frederick has been in very poor health for the past few years and an examination at Rochester decided that an operation would be necessary. It is to be hoped that our old friend may find relief from his sick-

ness and be able to return home restored to his former health. The condition of Mr. Frederick however, is quite serious and will require some time to fully determine the outcome of the operation.

FARMERS SAY SHORT-AGE OF SEED CORN

Farmers in Western Portion of County Are in Need of Good Seed Corn From Reports of Stock Exchange

From Saturday's Daily.

The Omaha live stock exchange and the stock yard managers have within the past few days received reports from the farmers residing in the western portion of Cass county in regard to the shortage of good seed corn, which might affect the raising of live stock in that locality in the coming year.

It is said that the last years corn crop in Greenwood and vicinity was not as satisfactory as had been hoped for and this had led to the inquiry as to the seed corn. The farmers have found difficulty in this locality in securing seed corn that was satisfactory to them.

The farmers in the main portion of eastern Nebraska have had a very successful year and they are being depended upon to furnish the good seed corn that will be needed in the preparation for the crops this year. With a good supply of seed corn a fine crop is looked for in the eastern portion of the state and especially in Cass county.

INTERCHURCH CONFERENCE AT WEEPING WATER

The Cass County Conference of the Interchurch World Movement of North America was held in the Congregational church at Weeping Water on Wednesday, April 7. Rev. H. C. Whitcomb, pastor of Calvary Baptist church in Omaha was captain of the visiting team of speakers and brought a message setting forth the genesis, the course of development and the fundamental purposes of the Interchurch Movement.

Rev. C. S. Brown of the Omaha Child Welfare Institute spoke in the afternoon and evening sessions, of the layman's part in the great united movement of the churches. Rev. A. F. Ernst of Low Avenue Presbyterian church presented an inspiring picture of what the Interchurch program is in other parts of the world. The Home Survey of religious conditions in the United States was set forth in an inspiring illustrated address by Rev. E. N. Tompkins of Trinity Methodist church, Lincoln.

Mrs. Fred Zink, of Murdock, representative of the women in the county organization was unable to be present at the conference. Instead of the address by her in the evening meeting, Mr. Tompkins spoke again, thrilling the audience with his eloquent statement of the vital necessity that religion be injected into all our life, and with his appeal for life recruits for Christian work.

For the permanent county organization, the following officers were elected by the conference:

County Convener—Rev. W. H. Riley, Weeping Water.

Life Service Director—Rev. E. C. Moore, Nehawka.

Spiritual Resource Director—Rev. H. G. McClusky, Plattsmouth.

Stewardship Director—Hon. C. A. Rawls, Plattsmouth.

Rural Survey Director—Rev. S. A. Jacobson, Nehawka.

Women's Work Director—Mrs. Fred Zink, Murdock.

Religious Education Director—Rev. J. B. Taylor, Union.

At an early date the county advisory committee, made up of the pastor and two members from each church in the county, will be called together to set the county Interchurch machinery in motion.—Weeping Water Republican.

ELECTION MAKES CHANGES IN COUNCIL

Election of New Members Retires Many of Old Leaders and Chairmen of Important Committees

From Thursday's Daily.

One of the results of the city election is that many of the old time leaders in the city council will retire from the active service of the city and the place they have occupied will be taken by the new membership elected and which as a whole is composed of a newer generation. One of the councilmen to retire is Rae F. Patterson, who at the completion of his eighth year declined a re-nomination and leaves vacant the chairmanship of the finance committee, the leading committee of the council and which position he has occupied since the commencement of his service.

Councilman Frank Buttery who is also retiring to private life has been the dean of the city legislative body in point of service as he has been a member of the council for the past twenty years and has occupied the positions on all of the committees and is now in charge of the lighting committee.

The judiciary committee also loses its chairman, L. G. Larson, who, while not having as long a service as the other members, has been at different times in the council and has had much experience in the city affairs.

Councilman Carl A. Johnson, present chairman of the streets, alleys and bridges committee who was defeated at the election is closing his eighth year in the council and has been the president of the council for the past year. Mr. Johnson has given to the city good and faithful service and retires with the assurance of a splendid record.

In the fifth ward Robert Harris is the retiring member and leaves the chairmanship of the fire and water committee to be filled by some of the newer councilmen. Bob has also completed his eighth year in the council and has always been on the job at the meetings and in his ward.

To the new members of the council and the splendid array of young men who form the holdover membership will be given the reins of government of the city and the new members can be depended upon to make a record that will be a credit to themselves as well as the city. The organization of the council will take place at the first meeting in May and the re-arrangements of the committees be made by the mayor.

SHERIFF QUINTON ASSUMES A NEW ROLE AS GARDNER

From Thursday's Daily.

Sheriff C. D. Quinton proposed this spring that he and his family will enjoy all the luxuries that come from a fine garden in the way of green onions and everything, and has accordingly planted quite a neat garden on the lot in the rear of the building occupied by C. A. Rawls and Thom. Walling. The garden of the sheriff has been eyed with hungry eyes by the other county officials and when the green stuff is up and ready for use we would advise a close watch be kept by the sheriff.

MAN FEELS AS HAPPY AS A BOY

Faby Says He Feels Thirty Years Younger Since Taking Tanlac.

"I honestly feel thirty years younger since I began taking Tanlac, and am as happy as a boy," said M. J. Faby, a switchman on the Missouri Pacific and living at 2008 T street, Lincoln, Nebraska.

"I had suffered from rheumatism in my muscles and joints for so long," he continued, "that I was getting to feel old before my time. My joints would swell up something awful and the muscles all over my body ached dreadfully most all the time. At times I was in such agony that I could hardly raise my hand to button my collar. My liver was nearly always sluggish, my appetite was mighty poor and I had such a tired, worn out feeling all the time that I often felt discouraged, for it looked like I would never get any better.

"But Tanlac has made a well man of me and I began to feel better soon after starting on it. My appetite picked right up, I enjoyed my meals and my liver soon got to acting all right. All the swelling and pains are now gone, and getting rid of this rheumatism is the greatest treat of my life. That tired, worn out feeling I had before is all gone, too, I sleep fine and simply feel like a different man, and there is nothing too good for me to say about Tanlac."

Tanlac is sold in Plattsmouth by F. G. Fricke and Company and the leading druggist in every town.

Funeral services were held at 2:30 this Thursday afternoon at the M. E. church and were conducted by the pastor, Rev. W. F. During Mr. Davis, thirty-eight years of residence in our city he had clerked in stores, worked in the lumber yard, carried mail on route two for seven years until having to quit on account of his health a few years ago. His vocation in life brought him in contact with many people and his friends could be numbered by those who knew him.

Mr. and Mrs. Davis visited their son, Gregg in California this winter and it was on the way home some three weeks ago that Mr. Davis caught cold which agitated complications of old age which no doubt hastened the end of his life. Relatives and friends from a distance who were here to attend the funeral were: son Scott of Scottsbluff and his two sons Waldron and Harold who are attending school in Omaha; daughter, Mrs. Cera Badgley and husband of Milford, Neb.; son-in-law, Henry Evans of Vail, South Dakota; two nieces, Mrs. J. W. Clark and Mrs. Elmer Miller of Auburn, Neb.
