south of this city. The news of the death of Mr. Hill came as great surprise to the friends here who had no intimation as to illness prior to this time. As soon as the message was received, Ed Beins, of near Murray, a brother of Mrs. Hill departed for Kansas to be present at the funeral. The Hill family moved to Cass county some seven years ago and during their residence here resided south of this city where Mr. Hill was engaged in farming and from here moved to Oklahoma two years ago and later removed to Kansas, where they have since resided. Mr. Hill was sixty-four years of age at the time of his death.

The death of this estimable gentleman will be much regretted by the old friends of the family throughout the county and the widow and family will receive the deepest sympathy of the friends here.

As far as could be learned Mr. Hill has no immediate relatives in this city and vicinity but a large number of the relatives of Mrs. Hill, who was formerly Miss Minnie Beins, reside in this vicinity.

WANTS TO KNOW THE REASON

From Wednesday's Daily.

I. H. Dillon, chief of the state bureau of health at Lincoln, has addressed a letter to County Attorney A. G. Cole in regard to the birth and death reports from Cass county. Mr. Dillon states that for the month of March the reports at his office in Lincoln shows fourteen deaths and only one birth. He is anxious to know if this is correct or have the physicians of the county been neglecting to file the reports as required by law. If the conditions are true it would seem that there should be something done to remedy the evil, and if not then the physicians should get busy with their reports. Certainly the arrival of our bright Cass county babies should not be ignored. Mr. Cole is addressing a letter to the various physicians making clear the law that provides a penalty for failure to report the births and deaths with a fine of not more than \$500 or a jail sentence.

Mr. Heinrichsen, who was seventy-eight years of age, has for some time been suffering from Bright's disease and with his advanced years was unable to rally from the malady and has gradually failed until death came, to relieve his suffering. For many years he has served as the mayor of Fort Calhoun and as such occupied a prominent part in the 100 year celebration held there which marked the foundation of the first trading post in the state. He leaves to mourn his death a widow and six children: Mrs. John Mueller, Ashland; Louis Heinrichsen, Lusk, Wyo.; William Heinrichsen, Plattsmouth; Mrs. Carl Royer, Henry and John Heinrichsen, Jr., all of Fort Calhoun. GLEN PERRY MEETS SERIOUS ACCIDENT

While Working Around the Barn at His Farm Home South of City, Is Kicked by a Colt.

From Monday's Daily.

Glen Perry, one of the leading farmers of this portion of the county met with a very serious and painful accident Saturday evening at his farm home and as a result of which he is now at the St. Joseph hospital in Omaha.

Mr. Perry was engaged in looking after some work around the barn shortly after 7 o'clock in the evening and as he was working near a young colt that was tied in the barn, the animal suddenly became unruly and kicked, striking Mr. Perry in the stomach and knocking him down.

The blow was quite severe and Mr. Perry crawled to the door of the barn and was able after a few minutes to go on to the house and did not at that time feel any serious effects of the injury.

He was not complaining any when he retired for the night but after he had been in bed for some two hours he was taken very sick and his sufferings became intense and a physician was called by the family, who found Mr. Perry in a very serious condition upon his arrival as he was apparently suffering from an internal injury as a result of the accident. It was decided to have him taken to the hospital and accordingly he was hurried by auto to the St. Joseph's hospital in Omaha, where he is at the present time.

Mr. Perry was operated on yesterday at the St. Joseph hospital and it was found that a large bruise was visible on the large intestine but fortunately there had been no rupture of the intestines and the patient should recover in a short time. The fact that the injuries of Mr. Perry is no worse will be very pleasing news to his host of friends throughout the county.

MOTHER'S DAY PROCLAMATION ISSUED BY GOVERNOR

From Monday's Daily.

"I am reminded that we are approaching the day which has, for the last decade been observed as Mother's day, namely, the second Sunday in May.

"The first day of the week has been selected for this purpose because it is of a sacred rather than of a social nature, thus lifting it out of the ordinary affairs of life and placing it before us in an attitude that calls into activity the best emotions of the human soul.

"Mother—the one who gave us birth, watched over us in our infancy, directed us during the days of youth and always pointed out to us the best things in life—is certainly worthy of the highest consideration.

"Therefore, in keeping with past

custom, I set apart Sunday the ninth of May next as Mother's Day, and suggest that mention of it be made in all the churches and Sunday schools throughout the state, and that subjects be chosen that will exalt the name of our best friend.

"SAMUEL R. McKELVIE, Governor."
