

RED CROWN GASOLINE

Gives more mileage and motoring satisfaction

Because—Red Crown Gasoline is a straight distilled, all-refinery gasoline that produces a uniformly powerful explosive mixture.

Because—the low boiling point factors in this mixture ignite instantly.

Because—the mixture burns quickly and completely—every drop of Red Crown Gasoline is converted into alert, energetic power. It means more miles per gallon of fuel and more satisfaction per mile.

Use Polarine for efficient lubrication. Keeps all the power behind the pistons and minimizes your carbon troubles.

Look for the Red Crown Sign.

COURTING DEATH AT THE CROSSING

Summer Brings Increasing Travel and Accidents at Railroad Crossings Should Bring Caution

From Thursday's Daily.

Disastrous accidents caused by motor cars being struck by trains at highway grade crossings are of such frequent occurrence as to shock newspaper readers throughout the length and breadth of the land. Every day brings accounts of more lives sacrificed in such accidents. Last year over 4,000 men, women and children, most of them riding in automobiles, were killed or injured by being struck by trains. Strange to say, it happened in many instances that automobilists in their efforts to get across, ran into the sides of passing trains. This seems like the limit of chance-taking.

It is high time that solemn notice be taken of the frightful lack of care on the part of drivers that leads to most of these sad occurrences.

Sometimes a driver nearing a crossing, sees an approaching train. He cannot always tell whether it is a freight or a fast passenger. Maybe the driver decides to take a chance. He does not know that a fast train can run the quarter mile from the whistling post to the crossing in fifteen seconds. The average man is unaware of this fact. How often it happens that the driver, trusting to his burst of speed, or in a last effort to save himself, has engine trouble or is seized with panic and so loses his life.

Far too many children and youths

of immature age are allowed to run motor cars. On one of the railroads recently, a party of seven boys, the oldest of whom, a lad of fourteen, was driving, had their machine struck on a crossing. Four of the boys were killed outright, all of the others were injured.

Somebody committed a crime when those youngsters were trusted with that car. In Iowa, the state law provides that a motor car driver shall be at least 15 years of age.

Drivers know the fatal danger of being struck by a train of cars, why will they not remember that when they approach tracks that must be crossed, their personal safety, in fact their very lives depend upon the amount of care they use.

Certainly a man's life is worth more than a little effort required to save it. Every day millions of people watch out for the safety of their money and other property. That is proper enough but it is unfortunately a fact that lots of people act as if they did not value their lives as highly as they do their cash.

The Facts About Rheumatism

More than nine out of ten cases of rheumatism are either chronic or muscular rheumatism, neither of which require any internal treatment. All that is required is to massage the affected parts freely with Chamberlain's Liniment. You will be surprised at the relief which it affords.

P. E. O. LADIES ENJOY PLEASANT MEETING

MISS LULA WILFORD OF LINCOLN, STATE ORGANIZER OF SOCIETY IS PRESENT TO TAKE PART

AT MRS. T. H. POLLOCK HOME

Delightful Three-Course Luncheon Served by Social Workers of Methodist Church.

From Saturday's Daily.
One of the pleasant meetings held by the P. E. O. society, both from the standpoint of attendance as well as interest was held by Chapter F of this city on Thursday at the pleasant home of Mrs. T. H. Pollock on high school hill.

The business session of the society was held at 10 o'clock in the morning at the Pollock home on which occasion Miss Lula Wilford of Lincoln, state organizer, was present and inspected the local chapter and the work of the society for the year and this portion of the day was very much enjoyed by the ladies in attendance.

At the noon hour the chapter was entertained at luncheon by the Social Workers of the Methodist church at the church parlors which had by the skillful hands of the ladies of the church society been transformed into a shower of beauty that was a delight to the eye, potted ferns and plants forming the main portion of the decorative scheme. Here the tables had been prepared in a most artistic manner, the P. E. O. colors of yellow and white being used in the decorations, yellow cut flowers with the soft glow of the yellow candles and the showy napery forming the combination of the colors of the society and with the glittering silver and china forming a most pleasing and efficient manner by the young ladies of the Social Workers.

At the conclusion of the luncheon the ladies enjoyed some time very pleasantly in a review of the P. E. O. work and the purposes of the society. Mrs. William Baird, state recording secretary of the order, presiding as the toastmistress, and in her usual accomplished manner introducing each member of the chapter. Toasts were responded to by Mrs. J. W. Crabill, president of Chapter F, Mrs. Elizabeth Travis, a former officer of the grand chapter of Nebraska; H. G. McClusky who responded to the toast, "All Rainbows" and whose toast was received with the greatest of delight by the ladies. Mrs. A. V. Hunter responded in a very charming manner to a toast on the work and purposes of the P. E. O. which closed a most pleasant period of pleasure and profit and left with the members a deeper appreciation of the good that this sisterhood has accomplished among the membership of the society.

MAY HAVE SECURED GREENWOOD LOOT

Three Young Men Giving Residence as Nebraska City Are Detained at Independence, Mo., for Robbery

From Friday's Daily.

Three young men, giving their residence as Nebraska City, are now being held at Independence, Mo., for investigation in connection with the robbery of the Greenwood bank several months ago, as well as a number of similar crimes in this state. Cashier Phil Hall of the Greenwood bank, which was looted by the robbers on their visit there recently, has notified the Nebraska state agents of the arrests and said that the valuables found in their possession were similar to that taken from the bank.

The men were arrested at Independence after they had made a lavish display of money, which they were spending recklessly. When arrested they gave the names of John

For smooth engine operation

It's the quality of the lubricating oil that governs a motor's vibration—that keeps her running smoothly and quietly and minimizes wear.

But oil should do more—should keep compression tight at all engine heats and maintain an unbroken seal between pistons and cylinders so that fuel develops maximum power.

Polarine meets all these requirements. It cushions bearings and moving parts against both wear and noise and maintains a gas-tight seal in the cylinders under all conditions of engine operation and heat. It makes motoring more pleasant and less expensive.

Buy Polarine for your motor at the same place you buy economical, clean-burning Red Crown Gasoline—at first-class garages and service stations where you see this sign.

DEATH OF AGED LADY

Mrs. Aaron F. Thornton was buried in the South Bend cemetery last Sunday, April 18th, at 2 o'clock p. m. The services were conducted by Rev. Wm. H. Barnhardt.

Her maiden name was Luvina L. Hack. She was born in Indiana in 1839. When seventeen years of age she was married to Aaron F. Thornton. To this union were born ten children, six of whom are living. They are Mrs. Lilla Vogt, of Idaho; Mrs. Celista Osler, Carson, Iowa; Mrs. Myrtle Enfield, Glenwood, Iowa; Mrs. Leta Long, South Bend; Thomas Thornton, of Glenwood, Iowa, and Logan Thornton of Augusta, Kansas. There are fourteen grandchildren and three great-grandchildren surviving her.

For the past three years Mrs. Thornton has been confined to her bed. During this time she suffered much but was ever cheerful. Her death occurred Friday evening of last week, she being 82 years and 8 months old.—Louisville Courier.

Mont Robb, the genial grain dealer, was in the city last evening visiting with his friends, departing this morning for Louisville, Ashland and Lincoln in the interests of his company.

A TWICE-TOLD TALE!

One of Interest to Our Readers

Good news bears repeating and when it is confirmed after a long lapse of time, even if we hesitated to believe it at first hearing, we feel secure in accepting its truth now. The following experience of a Plattsmouth man is confirmed after three years.

Louis Kroehler, proprietor of the hardware store, 521 Main St., Plattsmouth, says: "Some time ago I had a pain in my back. I was so lame I couldn't stoop. My kidneys were weak and I had a tired, languid feeling nearly all the time. Headaches were common. I bought Doan's Kidney Pills and they soon relieved me."

OVER THREE YEARS LATER, Mr. Kroehler said: "I still hold the same opinion of Doan's Kidney Pills as when I first endorsed them. It has been several years since I have had to take a kidney medicine."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Kroehler had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
