COURT HOUSE IS TO GET NEEDED REPAIR

G. A. Burlinghoff of Lincoln, Architect of the Firm of Burlinghoff & Davis, to Carry Out Work

From Wednesday's Daily.

The Cass county court house which has for several years been badly in need of repair is at last to have the proper attention given to the roof of the building and be put in proper shape so as to save the county taxpayers the expenditure of a great deal of money.

The roof of the building has been in bad shape for a long period of years and the breaking of the copper flashing caused the water to seep into the interior of the roof and which has finally resulted in the rotting away of the ends of the beams that support the ceilings of the rooms below and as a result the plastering in the large district court room has fallen in a large section and more will follow if the damage to the building is not repaired at once.

The best method of doing this has been considered by the board of commissioners and in order to more fully cope with the matter the board secured the firm of Burlinghoff & Davis of Lincoln, one of the leading firms of architects of the state, to take up the matter and give the board the benefit of their expert advice. Mr. G. A. Burlinghoff came down from Lincoln this morning and with the board of commissioners made a personal inspection of the damaged portion of the building.

It has been thought that perhaps the removal of the rotten trusses and the replacement of the steel ceiling might eliminate the danger to the building. Mr. Burlinghoff after an inspection of the building recommended the placing of a new steel truss in the portion of the building occupied by the court room that would strengthen the protecting trusses now holding up the roof and which would permit the repair of the rotted wooden trusses. He was also of the opinion that the easiest and cheapest way to permanently remedy the trouble would be the use of the truss and the replastering of the room that would do away with the necessity of the removal of the heavy tiling on the ceiling which would cost quite a large sum and not be as satisfactory as the retention of the fire proof tiling.

The board has decided to take the necessary steps to keep up the property of the county and work will be taken up as soon as the plans of the architect are fully made. The present board of commissioners recognizes the necessity for action that should have been made many years ago by other county boards but the burden has been passed on until the necessity of making the repairs to save many thousands of dollars has been acted on by the present board.

PLEASANT BIRTHDAY PARTY

Tuesday, May 11th, was certainly a day of interest to little Miss Catherine Terryberry as it was her birthday anniversary and to remind the little daughter of the pleasant event, Mrs. Terryberry very quickly arranged a little surprise in the way of a party and to which a number of the class mates of the guest of honor were invited to spend the afternoon at the Terryberry home at Eighth and Elm street. The afternoon was spent in the playing of the games of childhood days and which served to pass the time most enjoyably. At a suitable hour dainty and delicious refreshments were served that added to the delight of the little folks present. At the home-going hour the little folks departed wishing Catherine many happy returns and leaving with her many beautiful tokens of their love and friendship. Those who were present at the pleasant party were: Jane and Marion Fricke, Helen Landwehr, Jimmie Begley, Glen Frhart, Edith Bradway, Helen Cushman, Edward Egenberger, Martha Gorder, Robert Livingston, Gretchen Warner Ruth Peoples, Hazel Speck, William Wetenkamp, Francis Wetenkamp, Minnie Kerns, Eleanor Olson, Wallace Terryberry and the guest of honor, Catherine Terryberry.

Representatives of 224 Chapters and 25,000 Members Gather at Cathedral.

From Wednesday's Daily.

The forty-fifth annual convention of the grand chapter of the Eastern Star of Nebraska convened at the Scottish Rite cathedral at 10 o'clock Tuesday morning. Over five hundred delegates were present and nearly every one of the 224 chapters in the state was represented at the opening of the convention. The morning session was devoted as usual to purely ceremonial matters.

The Nebraska Eastern Star organization feels proud of its record. It now has a membership of nearly 25,000 in the state and 224 live chapters. The Eastern Star order is united in its work with the Masonic bodies. At the present time the organization of Masonic women has three homes under its supervision. Two are located on spacious grounds at Fremont, one for boys and one for girls. The third home is situated on the grounds of the Masonic home at Plattsmouth, and is conducted for both boys and girls.

The Eastern Star is now deeply interested in the building and equipment of an Eastern Star hospital at Fremont to care for the aged and infirm members of all the Masonic bodies and the ailing children from the Eastern Star homes. A substantial increase in the total membership of the women's auxiliary organization for the past year is reported.

During morning session of the grand chapter a reception was rendered to distinguished visitors. A welcome on behalf of the Lincoln University Place, Havelock and Bethany chapters was extended by Mrs. Harriet M. Condra, worthy matron of Temple chapter of Lincoln and the response was made by Mrs. Anna J. Davis, associate grand matron. Mrs. Julia Porter Hall of Kearney, a noted musician of Nebraska and a singer who received European musical training, is the soloist during the three days' session of the Grand Chapter. Mrs. Hall studied under Mrs. Schumann-Heink.—State Journal.

A FINE LITTLE SON

Those who have met Charles H. Warner in the past two days have remarked the unusually pleasant appearance of this gentleman and he has a good cause for the joy that he is showing, as on Saturday the stork called at the home of Mr. and Mrs. Wallace Warner and left with them a fine eight pound boy who has been named Charles Harry Warner so that the event has been doubly pleasant to Charles Sr., in having the new grandson named for him. Mrs. Warner and the little one are doing nicely and Wallace is becomingly proud over the event.

SHALLENBERGER CHAIRMAN STATE DEMO CONVENTION

Lincoln, May 11.—The selection of former Governor Shallenberger of Iowa to deliver the keynote address at the democratic state convention in Omaha next Tuesday is arousing a great deal of speculation among politicians.

He was elected a delegate to the democratic national convention on the Hitchcock slate. This fact leads many to believe that the wets have drawn first blood.

While governor, Mr. Shallenberger signed the eight o'clock closing law and aroused the enmity of the wets in the state and politicians of dry proclivities say that his selection is a concession to the Bryan slate.

DANCE A GREAT SUCCESS

From Wednesday's Daily.

The dance given last evening at Coates' hall by the local post of the American Legion, was one of the most enjoyable and successful dances that has been held in this city in many months. The success of the dance was great despite a number of unavoidable conditions as the weather conditions made it very hard to get in from out of the city and this also served to delay the arrival of the orchestra, but when it arrived—oh boy! The Carl Lamp orchestra under the personal direction of Mr. Lamp, furnished the music and it was of the type that he has made famous all over the state and was a real treat to the lovers of the dance. The members of the legion feel very grateful for the splendid patronage given them by the good people of the community who braved the threatening storm to attend the ball. Those who attended were delighted with the music and are eagerly awaiting the return of the musical artists from the big town. A number from Weeping Water and Nebraska City were in attendance at the ball.

County Commissioner William Atchison of Elmwood and C. F. Harris of Union, came in this morning to attend the meeting of the county board to look over the court house repair.
