# AND WE ARE GOING TO Sit Still in Our Boat!

NEVER BEFORE IN THE HISTORY OF NEBRASKA MERCHAN-DISING HAVE MERCHANTS BEEN CONFRONTED WITH CONDITIONS AS WE FIND THEM AT THIS TIME.

Two Omaha merchants come to the front Sunday with 20% reduction in all lines-excepting patented articles and a healthy number of other items. Another merchant comes up closer Monday, with a 30% reduction-with no restrictions. Still others who do not choose to be targets-and who in their years of business history have built up an enviable reputation of fair and square dealing-and ARE NOT PRESSED BY ANY BANK OR BANKER TO PAY THEIR LOANS-come forth with sane and sensible argument against this era of Hysteria. We quote from Thomas Kilpatrick & Co., Omaha.

### We believe merchandise should be cheaper.

We believe it will be cheaper. BUT-

We believe that no lasting benefit can come from ill-considered or irrational action. From creating an artificial stimulus to overbuying when market conditions do not warrant it. THE EFFECT OF THIS IS TO MAKE A RENEWED AND UNNATURAL DEMAND UPON THE PRODUCERS. WHICH WILL IN TURN SUSTAIN AND PROBABLY ADVANCE THEIR PRICES.

We have never secured from our merchandising any such profit as would warrant a horizontal discount of 20 to 30 per cent. We shall from time to time offer goods at such discount as will dispose of them, taking into consideration every factor that enters into value.

We propose to remain in business, tell the truth, sell goods honestly and satisfy our customers.

We advise our friends to buy such standard and staple merchandise as they can reasonably use AND WITH THE VALUE OF WHICH THEY ARE QUITE FAMILIAR, at the absurd discounts now being offered in Omaha and nowhere else on earth.

Don't let any of this Monkey stuff get under your hat. No doubt when they have had a chance to mark up everything in their houses, some Omaha Kikes will throw a 100% reduction fit.

IF YOU WILL COMPARE VALUES. BE HONEST WITH YOUR-SELF, THINK THIS THING OUT FOR YOURSELF, you will be convinced Plattsmouth merchants in all lines are giving you lower figures and better merchandise than you will find in the price-juggling stores of uncertain quality.

We are for honest dealings. To take 20 or 30% off means putting it on somewhere or going busted.

PLATTSMOUTH MERCHANTS ARE YOUR FRIENDS - THEY

The "push" which the American egion is making this week throughout the nation is to be a success judging from the interest displayed in
