

## Use the Sunlight It's Free

Sunlight is the world's champion disinfectant. It's on the job most of the time and it's just as necessary for the sleeping quarters of the hog as it is for bedrooms in the house.

Therefore, in planning your hog house, be sure to provide plenty of windows. See that every nook and corner gets its share of this reliable disinfectant. In this way you will also make sure of good ventilation.

Build a substantial hog house, for the hog needs protection more than any other animal on the farm. Make sure of good drainage and cleanliness.

We stand ready to give you any advice on the question of material. And our advice is just like the sunlight—it's free.

Health Broke Down and He Suffered Terribly—Tanlac Overcomes Troubles Quickly.

"Ever since taking Tanlac I feel so fine that I want everybody to know what a wonderful medicine it is," said James R. Carson, of 2814 14th street, Omaha, Nebr.

"When my health broke down some time ago," he continued, "I lost my appetite and the little I did manage to force down seemed to do me no good. My food would sour on my stomach and cause me so much distress that I hardly ever saw a well day. I was badly constipated and also suffered agonies from neuralgia in my face and my shoulders ached so bad I felt like it would drive me distracted. I was so nervous and restless that I could hardly sleep and when I would get up in the mornings I felt as tired as when I went to bed and would be miserable all day long. I lost twenty pounds and though I was constantly taking some kind of medicine, I got worse instead of better.

"When I read so much about the good Tanlac was doing, I decided to get a bottle. My appetite picked up right after the first few doses and it wasn't long before I could eat anything and as much as I wanted. Tanlac has toned up my whole system and I never have any trouble with indigestion and I am taking on weight every day. Those awful pains I had in my face and shoulders are all gone. I am relieved of constipation, I sleep like a baby all night and get up in the mornings ready for my work. Tanlac has fixed me up all right and I am glad to recommend it."

Tanlac is sold in Plattsmouth by F. G. Pricke and Company and the leading druggist in every town.

### Former Murdock Citizen in Hospital

The health of Emanuel Thimgan, who has been making his home at Sutton, has not been the best for some time past, and has been removed to the Lincoln hospital where he is being treated. His two brothers, Edward and Matthew Thimgan, were in Lincoln last Friday, where an x-ray was taken of the brother to ascertain if possible what is the matter with his health. They returned home last Friday evening.

### Entertained the Eastern Star

Mrs. H. A. Tool, at her beautiful home in Murdock, entertained last week the members of the Eastern Star lodge of Elmwood, whose members lived at that place at Wabash and at Murdock. A most enjoyable time was had, where the ladies made every one else happy, and all declare that Mrs. Tool is an admirable entertainer. A delightful luncheon was served before the departure of the guests, which added to the pleasure of the meeting.

### Cannot Get the Needed Help

Max Dusterhoff, the interior and exterior decorator, and his assistant Joe, are hardly able to get the work done which is coming his way. The excellent work which they do is drawing them much work, and with the inability to secure the needed help, they are kept extremely busy and have much work ahead. With the rustling ability of these gentlemen, they are turning out an excellent grade of work and an abundance of it also.

### Have Delightful Dance.

Some twenty-five friends of Fred Lau, and other neighbors and relatives came down from Omaha and having the music they decided to have a sociable dance and a number of friends in Murdock were invited and a very enjoyable time was had. The affair was held at the Woodmen hall and was one of the attractive features of the week end for Murdock.

### Have Both Gotten Moved.

Jesse Landholm and wife, who have been deprived of a home by the sale of the one which they had constructed last summer, have moved into the Mrs. Schewe residence. Mr. O. J. Pothast who purchased their home has moved into it and will make his place of abode. This is a very pretty and convenient home and one very desirable to live in.

## OVER THE COUNTY

### ELMWOOD Leader-Echo

Mr. and Mrs. Earl Cool of Plattsmouth, were Elmwood visitors last Saturday. Mrs. Cool remained for a week's visit with her parents, Mr. and Mrs. C. Schmeider.

Mrs. D. Buskirk is at Minnate, Neb., visiting with her son, Milo and wife and with the new grandson, for they are the proud parents of a fine baby boy. Grandpa Buskirk is getting anxious to see the young man and we wouldn't be surprised to see him go that way soon.

Mr. and Mrs. Leonard Nash and children of Palmyra were Sunday visitors at the home of Mr. and Mrs. D. Pentman. Mrs. Nash and the children remained for a week's visit here. The Nash family have just completed a fine new home at Palmyra and are now moving to the same.

Ida Grant and Mrs. M. L. Baird received the sad news that William Grant, 20 years of age, drowned in the Fox river near his home at Aurora, Ill. He was attempting to get his canoe and the water being cold took the cramps and was drowned. He is the son of U. S. Grant, who lived here at one time. This is indeed sad news.

The rain of Wednesday evening was one of the biggest in a long time. About two inches in about 45 minutes. The creek near town was soon full and running over. Many reports that corn was badly washed and some will need replanting. Some reports that stock in pastures along the creek near Weeping Water was washed away and some drowned.

Miss Jessie Bragg, daughter of Henry Bragg is home from India, where she has just spent five years as a missionary instructor. Her's has been a great work and the people here are indeed proud of her. She will most likely spend a year in this country before returning to her work in India. Her many friends were glad to see her and to hear from her of the great work that is being accomplished in foreign lands.

Mrs. Jessie Woodard has resigned her position as manager of the local telephone exchange at Elmwood where she has served so efficiently for a number of years has tendered her resignation to take effect June 1. Mrs. Woodard and Mr. and Mrs. Guy Shreve will move to Oregon City, Oregon, where they will make their future home. Mrs. Woodard has a good position there and Guy also has one in a large garage.

### WEeping WATER Republican

B. W. Hiatt of Rising City was here Monday to see his aged mother Mrs. Moses Hiatt, who is very poorly at the home of her daughter, Mrs. A. M. Cole. He also visited his daughter, Mrs. C. H. Gibson, and Mr. Gibson drove him to Lincoln Tuesday.

Mr. and Mrs. W. D. Bism arrived Saturday evening from Rochester, Minn., where they had been to consult the Mayo Bros. regarding Mr. Bism's health. They visited here until Tuesday morning when they left for their home at Brighton, Colo., and were accompanied as far as Omaha by Mr. and Mrs. C. W. Bism.

The State Fire Inspector, C. R. Shickley, was a visitor in town Friday and made a very rigid inspection of most business places from cellar to garret and left orders in many places for needed attention to lessen the fire hazards. Some recent new chimneys were ordered and specific orders given our fire chief, C. H. Gibson, to see that orders were complied with.

G. W. Woodruff of Stanton, one of our former citizens of the town, passed through on the Tuesday evening train enroute to Elmwood for a visit at the home of his daughter, Mrs. Charley Bailey. George is a veteran of the Civil war and is in his 83rd year. He says he feels good and eats good but is no good to work as his days are growing shorter.

The D. A. B. Chapter met Monday afternoon at the home of Mrs. J. M. Tegarden and elected new officers for the ensuing year. Mrs. J. M. Tegarden was re-elected regent; Mrs. C. E. Teft, vice regent; Mrs. E. E. Day, secretary; Mrs. John Robinson, Treasurer; Mrs. M. J. Wick, registrar. A very pleasant time was enjoyed by all present.

Again in the same issue of our paper we are called upon to report reckless shooting, this time still more serious. Just shortly after dinner today as Mrs. Charley Cheery was at work on the back porch at their home in Rector's addition a stray bullet struck her on the head inflicting a scalp wound and nearly knocking her down and being thrown against the wall was all that kept her from going entirely down. It seems that more than just newspaper talk is necessary for this recklessness that seems to prevail.

### LOUISVILLE Courier

Ralph Meisinger, accompanied by his father, Adam Meisinger, took a load of hogs to the Omaha market recently where they got a good price. They sold them to Bryson Brothers.

Miss Catherine Gohry of Murdock, and Robert E. Eldridge of Omaha, were married in Omaha on Wednesday of last week and will make their home in Omaha. The groom is the son of the senior Eldridge of the firm of Eldridge-Reynolds, of Omaha.

George Dolan, who was discharged from the navy at San Francisco last fall and spent the winter in California, arrived in Louisville last

Just as the girls had finished eating a knock was heard at the door and to the surprise of all they asked for Miss Mitchell. When she went to the door the party had gone, but had left a suit case. The guests were all astounded to find the suitcase and found it full of beautiful and useful gifts.

On Wednesday afternoon at two o'clock, at the home of Mr. and Mrs. D. R. Mitchell occurred the marriage of their daughter, Miss Zella, to Mr. Merrill McDonald. The room was decorated in pink and white crepe paper and white bells. The bride was dressed in white organdie and carried a large bouquet of pink roses. The groom wore a conventional blue serge. The wedding march was played by Mrs. S. A. Jacobson, of Nehawka, cousin of the bride. The ceremony was performed by Rev. W. A. Taylor, of Union, assisted by Rev. S. A. Jacobson, of Nehawka. After the ceremony refreshments were served consisting of pineapple ice cream and angel cake. The bridal party left for a short visit with the groom's cousin and husband at De Witt, Nebraska.
