Played Excellent Ball.

Both the teams of Union and Nehawka, who went to the mat at Nehawka last Sunday, contained some excellent players, men capable of making home runs, and a high number of scores. Nehawka was somewhat handicapped on account of a shortage of players and before the game could be pulled off, it was necessary to make a purchase of a player, and after having critically examined the Union bunch, picked out one which seemed well suited to the occasion, Mr. H. W. Griffith, who after some bickering as to price was purchased from the Union aggregation by the Nehawka syndicate at the figure of nine cents. His buying concluded the game was immediately called. The Nehawka team showed that they had the stuff in them for during the first two innings they rolled up twelve runs and while during the same time Union had gotten three and it looked pretty bad for Union. There were whisperings going around the crowd that the eyesight of the umpire, Fred Clarke, was not the best, as while Union was losing they could not see the correctness of his decisions when they were against the Union team. When Union got the decision then his eyesight was excellent. The Union team who are all good fellows, consisted of Pearceley, Lynde, Dave Easton, Earl Wolf, Hoback, Hathaway, Bruce Wolf and Kline. The Nehawka team showing Kimball, Rutledge, C. Cooper, Johnson, Griffith, purchased from Union, Sturm, Fred Cooper, John Griffin and Spence. As an evidence of their worth as ball players we cite the results, Nehawka sixteen and Union twenty-one. A good natured and a large crowd watched with much interest the game. The Union team will play at the home grounds the coming Sunday and will be pitted against the "Butchers" of South Omaha.

Cohen of Grand Island, who was going from Kansas City to Omaha and driving at an exceedingly high rate of speed. The car containing the Union people was just coming out into the road running north and south, north of Charles Garrison's and had passed to the west side of the road, which was proper as they were coming south, and the car driven by Cohen also took the west side which was wrong for him, and with the force of a catapult, hit Miss Taylor's car about the middle, wrecking both cars and injuring Miss Elsie Taylor very severely, bruising her head and one arm. Miss Taylor was compelled to keep her bed for a number of days and while mending is still in a very serious condition.

LOOKING AFTER ACCIDENT

From Wednesday's Daily.
This morning A. Cohen, a resident of Grand Island, was in the city looking after some matters in connection with an auto accident that occurred near Union on last Saturday and as the result of which Miss Elsie Taylor, daughter of Mrs. Barbara Taylor, was severely injured. The accident occurred on the government highway near the residence of Charles Garrison northeast of Union, when Miss Taylor drove out in her car from the west onto the main highway just as the car of Mr. Cohen

came from the south and as the car of Mr. Cohen was on the west side of the road instead of the east as it should have been it crashed into the car of Miss Taylor, with the result that she was badly injured and the car damaged to a considerable extent. The injured lady is now showing some improvement and it is thought will experience no permanent injury from the accident. Mr. Cohen is looking after the settlement of the case and it is thought the matter will be handled in a manner satisfactory to all concerned.

SOLDIER BONUS BILL QUIET TILL ELECTION

Republicans Plan to Keep Vets Hopeful Until Votes Safely Secured.

Washington, June 1.—The bonus legislation now in the senate bids fair to repose in committee through the summer and probably will rest there until election. After that it will be killed, it is believed here. Passage of the bill by the house was a most unusual proceeding, for it is stated that at least 65 per cent of the members were opposed to it. The power of the American Legion and the soldier vote drove men into the "aye" column who talked the matter over in the cloak rooms.

The senate, always known as a body which is to rectify house mistakes and accept verdicts bravely which the house will not put upon itself, is ready to take all blame for refusal to act, the leaders declare.

Just how and when it will be done has not been announced. It may be that some step will be taken before adjournment, although some of the leaders said today the matter had not been formally decided.

BRIEF OBITUARY OF MRS. MARY KERNS

Mary Watson was born May 1, about 1822, in Dair county, North Carolina. In early childhood she, with her parents, moved to the state of Kentucky and later to Iowa.

When about fifteen years of age she was united in marriage to Jonathan Kerns and a few years later came to Nebraska and settled on the land now known as the old Goos farm. Mr. and Mrs. Kerns being the third white family in the vicinity, had many trials to contend with from the Indians, who several times took possession of their home during its construction. In the very early days the present high school campus was a burial ground, the father of Mrs. Kerns, (Allan Watson) being buried there between two huge oaks. Husband of Mrs. Kerns died March 12, 1881 and was laid to rest in the Horning cemetery.

Mrs. Kerns was the mother of nine children, four of whom survive her: Joseph S. of Omaha; Stephen, Arting, Wash.; Elizabeth Saxton, Enid, Okla.; and Mrs. Martha A. Rennie of Plattsmouth; also sixteen grandchildren and eleven great grandchildren.

Mrs. Kerns was one of the first to be enrolled as a member of Liberty U. B. church and down through the years of her long life remained a member, always a devout Christian her life was a grand example for all who knew her.

Her first illness covered a period of more than three years, at times suffering greatly, but due to her wonderful faith in her Savior she bore it patiently and uncomplainingly and in the early morning hours of May 23, 1920, her spirit passed out of this life and entered that beautiful city not made with hands.

Funeral of Mrs. Kerns was held at the home of Mrs. Geo. W. Rennie with whom she had made her home for a number of years and was conducted by Rev. E. H. Pontius of Liberty U. B. church and the remains were laid to rest in Horning cemetery beside relatives who preceded her many years ago.
