

There's a Special Ingersoll for Each of These Folks

DID YOU ever "get fitted" to a watch? We mean, did you ever figure out exactly your watch needs and then see if you were properly equipped?

There are a dozen or more different Ingersolls—varying in price, varying in purpose—small watches, jeweled watches, radium dial watches for night use, and so on. For instance, if you have an expensive watch, you probably would choose a Radiolite for \$3.50. If you haven't a good serviceable watch, you'd be likely to buy a 7-jewel Reliance. The dealer will help you to select just the one for you.

"Ingersoll" has always meant the lowest-priced good timekeeper. Today, with present day costs and the 1920 purchasing value of a dollar, \$2.50 is the lowest price at which we can make a watch while keeping up the Ingersoll standard of quality. "Ingersoll" means "money's worth" whether it's for the \$2.50 Yankee or one of the Radiolites that tell time in the dark, or for one of the jeweled watches.

Prices include Government Tax

ROBT. H. INGERSOLL & BRO., New York, Chicago, San Francisco

W. T. Richardson of Myland writes insurance for the Farmers Mutual of Lincoln. Phone 2411.

Mrs. Frank Sebatka, Jr., departed on the early Burlington train this morning for Omaha to spend a few hours attending to some business matters.

Daily Journal 15c per week.

WEEPING WATER

Republican

Ralph Tefft completed enumeration of the school census the last part of last week. The total young people of school age is 415 as compared with 360 last year.

August Sitzman, wife and son were visitors here last Saturday attending to business matters and visiting relatives, the W. P. Sitzman family. August was formerly in the barber business here but is now a boiler maker in the shops at Havelock.

Mrs. L. D. Switzer has left Weeping Water to spend the summer with her children in Nebraska, Colorado and Wyoming. She will make headquarters at the home of her son Wayne, at Glen, Neb. Clark Switzer also is spending his summer in the west. Miss Alice Crozier was down from Omaha for the week end visit at the home. Her brother John Crozier and family drove her to Murray to catch the afternoon train for Omaha. When they got to Murray they found that the train was coming through Weeping Water on account of a wreck near Ft. Crook. Time was short but J. T. turned the Chalmers around and had some time to spare when they reached the depot here, but it was a flying trip. Wyley Colbert and bride were Sunday dinner guests at the home of his uncle Eugene Colbert. Mr. and Mrs. Colbert were married at McCook Sunday, May 30. They were taking their honeymoon trip by auto and went from here to Omaha and from there to Kansas City and back to Wauneta where they will make their home. Wyley Colbert is the son of Mr. and Mrs. George Colbert of Wauneta, Neb., who were former citizens of this community where the young man is well known and has a host of friends to congratulate him of his good fortune in winning the accomplished young lady as his life partner. The bride's home we understand was University Place and she was teaching school at Wauneta. Other dinner guests at the Colbert home Sunday were Mr. and Mrs. L. L. Caygill of Elmwood, Mrs. Wm. Caygill of Wabash, Albert Waltz and son of Colorado and Clarence Pool and his two daughters, Eloise and Hazel.

Water to spend a day or so at the home of Mr. and Mrs. Eugene Colbert. Irl Wilson spent Sunday with his parents, Mr. and Mrs. O. Wilson. Mr. and Mrs. Will Langhorst were Elmwood passengers Saturday evening.

Mr. and Mrs. J. W. Jones autoed to Lincoln one day last week. Iva McCrory and Fred Zink were Omaha passengers Monday. John Brown was an Omaha passenger Tuesday morning.

H. H. Gerbeling has been having some bad luck the last week. He has lost several cows from the alfalfa.

Howard Wilson, Walter Earls and Less Bosworth autoed to Lincoln Monday.

Edith Reese was an Elmwood passenger Tuesday evening.

Mr. Will Eger came down from Lincoln to spend a few days with friends.

Mr. and Mrs. C. L. Ohms and Mrs. Tom Colbert and daughter Bernice autoed to Lincoln Wednesday.

Death Claims Pioneer

Wm. Hemke was born in Germany in 1852 and has been a resident since 1882. He has been a resident of this city for forty years and has been an invalid at his home west of town for the past nine years. He passed away Friday morning at three o'clock at the home of his sons, Edward and August, at the age of 68 years.

On December 20th, 1875, Mr. Wm. Hemke was united in marriage with Miss Ernestina Bauers, who survives the husband. There were born to this union three girls and two boys, two dying in infancy, they being Augusta the oldest, and Minnie, the youngest. August Hemke and Mrs. Emil (Ida) Lau being twins, and Edward Hemke, they with three daughters of Mr. and Mrs. Emil Lau and three sons of Edward Hemke with the aged grandmother, are left to mourn the death of Grandpa Hemke. The funeral was held at the church north of Murdock of which he was a member, and the funeral oration will be delivered by the Rev. J. W. Peters on Sunday afternoon at 2 o'clock, while the interment was made in the quiet church yard near the church.

YOUNG PEOPLE ARE JOINED IN WEDLOCK

Miss Golda Stephenson, of Nebraska City and Earl Irelan of Plattsmouth Married Today.

From Thursday's Daily. This afternoon at 1 o'clock at the home of the parents of the bride, Mr. and Mrs. George Stephenson, at Nebraska City, occurred the marriage of Miss Golda Stephenson to Mr. Earl Irelan of this city.

The wedding was a very simple one, only the immediate relatives of the young people being in attendance to witness the happy event. The rooms of the home were very charmingly arranged with the flowers of the early summer season, making a wondrous bower for the wedding ceremony. The marriage lines were read by Rev. J. S. Spears, pastor of the First Christian church and the ring service used. The bride was gowned in white beaded georgette crepe over white and carried bride's

roses. The groom was attired in the conventional dark blue serge. The bridal couple were unattended.

The young people will return to Plattsmouth this evening and at once start housekeeping in the home that the groom has prepared on South Sixth street. Mrs. Irelan is one of the popular young ladies of the Otoe county city, where she has been reared to womanhood and possesses a large circle of warm friends who are parting with her with much regret and in coming to this city she brings the well wishes of her friends and associates.

The groom is a member of the Journal force, coming to this city from Nebraska City several months ago, and is a young man of high character and universally respected and esteemed by those who have the pleasure of his acquaintance.

IT IS NOW ATTORNEY AUBREY H. DUXBURY

From Thursday's Daily. Aubrey Duxbury, the hustling and energetic commander of the local post of the American Legion, has received added honors and completed the course necessary to secure admission to the bar of the state of Nebraska and yesterday passed the examination before the state law commission and was admitted to the bar of the state and also to practice in the federal courts.

Mr. Duxbury has been engaged in study in the office of Attorney A. L. Tidd for the past few years and had his work at the law stopped temporarily by the declaration of war in 1917, when he volunteered for service in the navy and served until the storms of war had rolled away. On his return he resumed his studies and with the successful completion and in his success he will have the sincere congratulations of his host of friends who have watched his career with interest.

FOR SALE

Second hand binder, in good running order. Priced right. Inquire of Howard Graves, one mile south of Plattsmouth. 110-6sw

W. R. Egenberger was among those visiting in Omaha today, going to that city on the early Burlington train.

Chris Parkening, of Omaha, was in the city today visiting with his friends and looking after some matters of business.

Results Count on the Farm

The ability of your tractor to deliver unremitting, full-powered service—to make possible bigger crops with less labor—in short, to give you results that count—depends, to a large extent, upon proper lubrication. Our Tractor Oils will keep your tractor running strongly and smoothly throughout the year.

Our Tractor Oils are not affected by high engine heats. They maintain, under all conditions, exactly the right body to seal in compression, kill

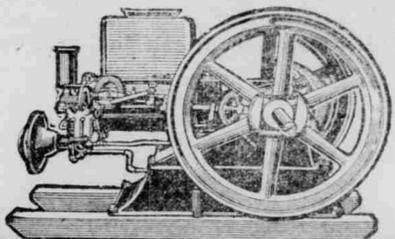

friction and lessen wear. They are the best insurance against the motor troubles which keep tractors from becoming really profitable investments.

Our experts have made a study of the tractor lubricating problem. They have found STANOLINE TRACTOR OIL best suited to a majority of tractors, Polarine Extra Heavy, Polarine Heavy and Polarine being recommended for quite a number. For the proper oil to use in your tractor—consult your Stanolind dealer or write us.

STANDARD OIL COMPANY (Nebraska) Omaha

J. J. Lohnes motored in this morning a few hours. Mr. Lohnes is trying to get from his home in Eight Mile Grove and departed on the early Burlington train for Omaha to spend a shearing of the sheep this season.

Maximum Engine Service

Cheaper Power and More of It

That's just what every farmer and power user is looking for. It will be well worth your while to ask us to explain why Stover Good Engines give maximum engine service—cheaper power and more of it. Thousands of power users in all parts of the world have tested and proven the mechanical perfection and over plus of power.

1/2 to 60 H.P. GASOLINE, KEROSENE DISTILLATE, CRUDE OIL

Stover construction is exceptional—drop forged and machine hardened parts. Cylinders and pistons accurately ground and fitted, saving wear and maintaining compression. Heavy enough to eliminate vibration, but no excess weight. Stover Good Engines are particularly designed for the work you are doing to do. They are built by experts—experienced designers and builders of "good" engines. Dimension for dimension, rating for rating, gallon for gallon of fuel a Stover Good Engine affords cheaper power and more of it than any engine you can buy. They come to you all ready to set up and begin work at once. Their construction, material, workmanship and features afford very user of a Stover Good Engine many years of satisfactory, economical power service.
