WILL ATTEND BIG EASTERN MEETING

Frank M. Bestor of the Firm of Bestor & Swatek to Attend Convention of Winchester Dealers

From Saturday's Daily.

Frank M. Bestor of the firm of Bestor & Swatek, one of the most enterprising business men of this city, and the Winchester dealer, will attend the first annual convention of the national association of Winchester Clubs, which will be held at New Haven, Conn., June 28, 29, 30 and July 1. Mrs. Bestor and the children will accompany Mr. Bestor to the big gathering and expect to enjoy a fine time.

At the present time there are in the neighborhood of 3,000 Winchester dealers in the United States and it is expected that 2,000 of them will attend the convention. A great number of them will bring their families.

This gathering will be something new in the convention line and will mark a new era in the hardware and sporting goods field. Those who attend the convention, which will be held in Woolsey Hall, of Yale university, will be amply repaid for their trip. After convention sessions there will be class room talks and tours through the plant. On those tours the dealers will be shown how the goods are made that they sell. In the class rooms merchandising problems will be solved and every effort will be made by the Winchester company to aid the Winchester dealer in solving the problems that confront him today and by doing this they know that the Winchester store will be the leading one in the community.

The great majority of the Winchester dealers will go to New York and from there will take the boat trip to New Haven. The "Highlander" has been chartered to take the tourists to the Elm City, leaving Pier 70, East River, at the foot of 23rd street, shortly before noon on the 27th. Following the business sessions in New Haven, entertainment will be provided for all. A special women's committee will look after the welfare of the fair sex. There will be moonlight rides, a clam bake, field sports, a shooting exhibition by the Topperweins, a theater party, ending with a banquet on the last night of the convention.
