SERVICE

is a word you often see in advertising—with many it is only a word—here it is an actual fact. Service means to us just what it means to you. Service is something we practice as sincerely as we preach.

Bank of Union UNION, NEB.

W. B. Banning was a business visitor in Plattsmouth last Wednesday, driving up in his car for a brief call.

E. W. Keedy, the druggist, had us place his name among the readers of the Journal in the Union department, recognizing the worth of the paper to the community.

There will be a ball game next Sunday at Eagle between the team from this place and the Eagle team. As the boys both play good ball we are looking for a very interesting game over there.

S. C. Keckler was a visitor in Union for a few days before departing for Arriba, Colo., where he makes his home and where he is going to show some interested parties some land as they are growing crops there at the present time.

Joseph Banning and family drove to Omaha last Sunday, where they went in order that the physician having charge of the case of Lucien Banning, might examine his case and know as to what he is making in improvement, and advise as to treatment.

Attorney C. H. Taylor of Omaha, was a visitor in Union last Sunday coming in the morning and returning home in the evening. While here he was the guest at the home of his mother, Mrs. Barbara Taylor and daughter, Miss Elsie, and Mr. and Mrs. E. W. Keedy.

J. D. Bramblet is lame to some extent on account of the overworking of a load of hay, which threw him to the ground injuring one of his feet. He is getting around now with the aid of a crutch, but is hoping that he will soon be able to throw it away.

Joe Banning whose corn is just in the right condition to receive attention and being unable to get some one to get out to the cultivation, he secured W. H. Marks to look after things at the store and Joe hikes to the farm himself and how he did slay the weeds was a caution. Joseph knows how to get rid of the weeds and at the same time improve the corn.

Miss Marie and Master Harold Frans of Union and Ernest Davis of Nebraska City drove to Peru last Sunday where they spent the day with Miss Bessie LaRue.

Attended Epworth League Convention

Last Wednesday a large number of the young people of Union and vicinity went to Plattsmouth where they were in attendance at the Epworth League convention which was being held at that place last week.

The young people speak very highly of the elegant way in which the Plattsmouth Epworth League entertained the delegates and provided for their every want. Those to go from Union were Misses Angie, Fannie and Nettie McCarroll, Naomi Mougay, Elsie Taylor, the Rev. and Mrs. L. Morrison Messrs. W. H. Porter, Louis Mougay, John and Leslie Everett.

Sends Some Products Home.

Last Monday J. D. Cross, who has two sons, Cale and Ray and their families in the west living near Arriba, Colo., received from them a package containing samples of rye, wheat, clover, both sweet and crimson, alfalfa, blue grass, timothy and other products which show what is growing there at this time.

The samples which look fine came through all right and were placed on exhibition in the window of the Farmer's Mercantile store.

American Legion Will Celebrate

The American Legion post No. 109 of Syracuse will celebrate on July 5th and will have amusement for all. There will be a big parade for which there will be prizes given for the three best exhibitions.

All are invited to this celebration and have a part in making it the greatest ever. Entertainment will be provided for all visitors. Come spend a day of unadulterated pleasure.

Log Would Not Hold Still

Imappreciably we advance in years, nor do we know of the lapse of time until some untoward event brings us face to face with the stubborn fact of the fleeting of the years and the logical results. Frank Bauer, with a number of boys, were out near the river fishing in a small tributary when Frank assayed to cross the river on a foot log, which seemed very simple though it was very difficult. Like many stubborn things, the log refused to hold still while our genial citizen navigated it and when he would place his foot on the wabbling foot path it would, out of sheer devilness evade his foot, and consequently be plunged into the mud and water to his discomfort and the soiling of his clothes as he was covered with a good coat of thick rich black mud. Still he laughed good naturedly as he crawled out and said it could have been worse.

Boys Play Ball Also.

The Union Juniors journeyed to Nehawka, where they engaged in a real ball game with the midgem team of that town, known as the Nehawka Kids, who proceeded to wallopp the Union boys to a tune of 11 to 4. They say it was a good game at that. Carl Stone of Nehawka was the umpire and all were satisfied that he made a good one.

Visited at Peru.

Last Sunday Emery Bauer and sister, Miss Anna Bauer, Forrest Frans and Miss Mable Harris, drove to Peru where they spent the day with Miss Frances Bauer, who is attending the summer school there. Mr. Emery Bauer is departing for the south and decided to visit Miss Frances before his departure.

Will Have Old Settlers Picnic

Not having missed a year for some thirty-three seasons, in holding the old settlers picnic or reunion, the people of Union and vicinity have concluded that it will not do to let the occasion go by without getting together and renewing acquaintances. Last Friday the officers and others interested in the matter came together, and discussed the matter and placed the annual picnic for Friday and Saturday, August 20th and 21st.

Officers for the coming year were chosen, they being Fred Clark, president; Dr. C. Schwab, vice president; C. L. Graves, secretary and J. M. Patterson, treasurer. An executive committee was chosen for the purpose of looking after the annual picnic, which consisted of the president and secretary and three other members, they being Earl Merritt, W. B. Banning and W. H. Mark. The outgoing president being J. T. Reynolds. A meeting of the committee is arranged for July 10th.

Much Concerned Regarding His Son

Joseph Lidgett, who lives north of town and his good wife are considerable concerned about their son Walter Lidgett, who was during the war, stationed at Honolulu and who with others, was returning to the states on Nov. 2, 1919, but of whose landing nothing was ever heard by the relatives here. At that time there were some troops being sent to Siberia, but as to whether their son was of them they never had any information. They have selected the aid of W. B. Banning, who is taking the matter of with Senator G. M. Hitchcock and try and ascertain where the young man is. If he is now in Siberia they want to know it, or where ever he is they would like to know.

Met With Mrs. Snavely

Last Tuesday afternoon the members of the W. C. T. U., met with Mrs. J. C. Snavely and enjoyed the afternoon very pleasantly. Mrs. Snavely entertained the ladies in a most royal manner, and before their departure after an enjoyable afternoon, served a very appetizing and dainty luncheon. The afternoon was occupied by the discussion of two themes, one, Sabbath observance, in which Mrs. Mont Robb was the leader, was discussed first, and later the subject of Evangelistic Missions was considered and in this subject Mrs. Rev. L. Morrison was the leader.

Underwent Operation Saturday

R. D. Stine, with his mother, Mrs. Catherine Stine, went to Omaha last Friday, where the aged lady entered the Methodist hospital, where on Saturday morning she underwent an operation for the removal of a cataract from one of her eyes. The growth had almost obscured the sight of that eye, but the specialists who performed the operation assured her and her son that there was a good chance of her seeing again. Mr. R. D. Stine was up and visited his mother, who was making excellent progress since the operation.

Had Excellent Ball Game

Last Sunday at the local grounds, the Nebraska City team and the local boys crossed bats in one of the nicest games which have been played on the Union diamond this year.

The Nebraska City boys out played the home team, but in this they were the most courteous, and like treatment was accorded the visitors by the home team. There were two umpires, one from Nebraska City, while our own, Fred Clarke, was the other one. The final score showed Nebraska City team had six runs to the five of the home team. The line up for the two teams were:

Nebraska City—Thomas, 1b, Beason H. C. McKay 3b, Coverdale cf, Van Winkle ss, F. McKay rf, Wilcox c, Gulde p.

Union—B. Wolfe ss, Dave Eaton cf, Bob Eaton 2b, Glen Kline c, Earl Wolfe 3b, Derwood Lynde 1b, Earl Hatheway lf, Ralph Davis rf, Toy Wood p.

Will Have a Double Header

Arrangements have been perfected for a game between Union and the Nebraska City team, for the Fourth of July, at which time they will play two games and those who love baseball may have the worth of their money.

WILL VISIT THE COAST

From Thursday's Daily. This afternoon Mrs. Martina J. Petersen and daughter, Miss Myrtle, departed for a trip of several months duration on the west coast. They expect to travel over the Burlington to Kansas City and from that city will go over the Santa Fe via La Junta, Colorado, and while in that state will enjoy a visit at the home of Mr. and Mrs. E. L. Spies. One of the pleasant features of the trip is that Mrs. Petersen will enjoy a meeting with two of her brothers whom she has not seen for forty years and is looking forward with great pleasure to the reunion with the brothers who reside at Oakland, California. Mrs. Petersen and daughter while on the coast will visit a number of the larger cities and expect to remain there until in September.

HELD UP BY FLOODS

Dr. and Mrs. R. P. Westover, who a short time ago departed for the northern portion of Nebraska and southern Dakota for an outing are finding this return badly handicapped by a storm which has brought a great many of the streams in southern South Dakota out of their banks and made the travel very difficult.

Dr. and Mrs. Westover visited at

Rushville, Nebraska, for a short time with Judge Westover and wife, parents of the doctor and on Thursday the family departed for California in order to benefit the health of the mother who has been very poorly and since that time Dr. Westover and wife have been motoring thru South Dakota and are at present held at Hot Springs in the flooded condition of the streams in that vicinity.

TOPS THE MARKET

From Friday's Daily.

L. J. Wiles topped the Omaha market last Thursday with thirty-five head of fat cattle which brought \$16.40 per cwt. This was the highest price paid for cattle in the Omaha market since last October.

Leslie bought these cattle in December at \$8.50 per cwt, and they made a gain of 450 lbs. per head which in spite of the high price fed they consumed, left a nice profit.—Weeping Water Republican.
