Much Came from Small Beginning

At the general conference of the Church of the Brethren held at Sedalia, Missouri, June 10th to 17th, there were about 12,000 in attendance of whom 630 were delegates. Evangelism and Christian education are being stressed upon more and more in these annual conferences. Seven foreign missionaries home on furlough were present. Ten new missionaries were sent to the foreign fields. Brother Moy Wing, at his own expense but under the direction of the church, will open a new field in South China.

Our first offering of \$224 for world wide missions was taken thirty years ago. In 1894 our first foreign mission party composed of Wilbur Stover and wife of Pennsylvania and Miss Gertha Ryan, of Alvo, Nebraska, sailed for India. Today we have about 125 foreign workers besides hundreds of native workers in the fields.

Our annual conference offerings have grown until this year the offering reached \$669,588.04 and four hundred church are yet to be heard from.

When we consider the gifts in treasure and the hundreds of young people, members of our volunteer bands, who have consecrated their lives to the service of God wherever he shall call through the church, we are made to believe that some are in real earnest when they pray, "Thy kingdom come; Thy will be done."—M. E. Stair, pastor Church of the Brethren, Alvo, Nebraska.

We Have a Special Ingersoll
for Each One of These Folks

DID YOU ever "get fitted" to a watch? We mean, did you ever figure out exactly your watch needs and then see if you were properly equipped?

There are a dozen or more different Ingersolls—varying in price, varying in purpose—small watches, jeweled watches, radium dial watches for night use, and so on. For instance, if you have an expensive watch, you probably would choose a Radiolite for \$3.50. If you haven't a good serviceable watch, you'd be likely to buy a 7-jewel Reliance.

The point is that we'd like to "talk Ingersoll" with you—show you the line and the 100% money's worth prices and then "fit you" to an Ingersoll.

Good display in the window if you're too busy to come in.

Many readers will profit by the following:

Mrs. Jos. Altman, 327 Chicago avenue, Plattsmouth, says: "I had an attack of the 'flu' a year ago and it left my back in a weak and tired condition. My kidneys were weak, too. Sometimes I could hardly bend over while about my housework on account of the sharp stitches in the small of my back and through my kidneys. I felt weak all over. I had heard so much about Doan's Kidney Pills helping other people who had been troubled as I was, I tried them with the best of results. The one box from Fricke & Co's drug store was all I had to use and I have not had a sign of any kidney trouble since. I think Doan's are fine for such ailments as I had."
