YOUNG PEOPLE ARE JOINED IN WEDLOCK

Nuptials of Miss Frances Roucek and Julius Kalasek Celebrated Today at St. John's

From Saturday's Daily.

This morning at 8 o'clock at St. John's Catholic church occurred the marriage of Miss Frances Roucek and Mr. Julius Kalasek, the services being attended by a number of the relatives and close friends of the contracting parties.

The nuptial mass was celebrated by Rev. Father M. A. Shine, rector of the church, who pronounced the blessing of the church on the two estimable young people who are to take up life's journey together in the future.

The wedding was a very quiet one and the bridal couple were attended by Mr. and Mrs. Joseph Sedlak, Jr., sister and brother-in-law of the groom. The bride was very charming in an attractive traveling costume of light blue with picture hat of white and carried a shower bouquet of brides roses. The groom was attired in the conventional black.

Mr. and Mrs. Kalasek departed this afternoon for Clarkson, Nebraska, where they will enjoy a visit at the home of Mrs. Kalasek's parents, Mr. and Mrs. James Roucek for a short time and on their return to Plattsmouth will be at home after July 15th to their friends in their cozy home on Washington avenue that the groom has awaiting for the coming of his bride.

The bride is one of the popular young ladies of the city and is held in the highest esteem by those who have the pleasure of knowing her and in her new home she will carry the best wishes of the host of friends. The groom has grown to manhood in this city and is one of the employees of the steel car department of the Burlington and a steady and reliable young man held in high respect by those who know him. He was during the world war a member of the armed forces of the United States and served over a year in France with the army.

To the happy young couple goes out the well wishes of their friends for a long and happy married life and one filled with all the good things the young people so well deserve.

HAS CAR DAMAGED

From Thursday's Daily.

While returning from Omaha last evening Ed Mason had a small auto accident that damaged his car somewhat. He was coming up the hill near the Will farm and in some manner the car got beyond control, dashing into a small embankment along the road and resulting in the breaking of one of the wheels and the windshield, the branches of a small tree breaking the glass of the windshield.

ATE NO BREAKFAST FOR OVER A YEAR

Wisconsin Man Suffered So From Dyspepsia He Could Hardly Get Around.

"Actually, two bottles of Tanlac have done me more good than all the other medicines and treatments I have tried put together," said Paul James Kowalski, of 1517 Jefferson avenue, Waukesha, Wis., an employe of the Federal Malleable company, in West Allis, Wis.

"For years I have had trouble with my stomach," continued Mr. Kowalski. "My appetite was very poor and for a year I couldn't eat any breakfast at all. Nothing agreed with me and after every meal I would bloat up terribly with gas, often became nauseated, and finally got so I just dreaded to eat. I had a bad headache all the time and became so dizzy at times I could hardly keep from falling. My nerves were in such bad shape it was almost impossible for me to get a good night's sleep, sometimes lying awake all night long, and in the mornings I could hardly get out of bed. My kidneys worried me a great deal and I had a severe pain across the small of my back just about all the time. I kept losing weight and finally I became so badly run-down and weak I could barely get around and lost lots of time from my work."

"Some of my friends down at the shop where I work advised me to try Tanlac, saying it had done them a world of good, and the way it went after my troubles was simply remarkable. I had taken only a few doses when I began to improve, and now I feel like a new man. I have a good appetite, everything I eat agrees with me, and I haven't had a headache or dizzy spell since I began taking Tanlac. I am never bothered with my kidneys and the pains have left my back entirely. It will always be a pleasure for me to recommend Tanlac."

Tanlac is sold in Plattsmouth by F. G. Fricke and Company and the leading druggist in every town.

LOCAL BOYS MARRIED IN MISSOURI

Forest and John Baughman of This City, United in Marriage to Misses Gertrude and Gladys Russell

From Saturday's Daily.

A very pretty double wedding occurred at Buckner, Mo., on June 30th and in which two Plattsmouth young men were united in marriage to the charming daughters of one of the leading families of the Missouri city.

Mr. Forest Baughman and Miss Gertrude Russell and Mr. John Baughman and Miss Gladys Russell were the contracting parties and the ceremony occurred at the home of the brides' parents at Buckner. The home was very prettily arranged in decorations of sweet peas and carnations and made a very pleasing setting for the happy event. The wedding occurred at 4 p. m. and was followed by a 5 o'clock wedding luncheon and the tendering of the best wishes of the friends to the young people.

Mr. and Mrs. John Baughman departed after the ceremony for Denver where they will enjoy a honeymoon and will then return to this city to make their home. Mr. and Mrs. Forest Baughman are here enjoying a visit at the home of the groom's parents and will remain until July 10th when they return to their future home at Archer, Mo., where the groom is employed at present.

The two charming young ladies who have been joined in marriage to the estimable bridegrooms are very popular in their home and have been up to the time of their marriage engaged in work in the office of the telephone company at Buckner and are held in the deepest affection by a large circle of warm friends. Mr. Forest Baughman is an employe of the Crane company of Omaha and has for several months been located at Archer, Mo., where he will make his home. John is an employe of the Burlington in this city and a splendid young man whose friends are legion throughout the city and his good fortune will bring much pleasure to the friends in this city. Both young men are the sons of Mr. and Mrs. H. W. Baughman of this city.

PURCHASES NEW HOME

From Friday's Daily.
Yesterday the deal was closed whereby H. W. Smith of the Cass County Monument Works becomes the owner of the Mike Mauzy property in the north part of the city.

WOOD BROS. INDIVIDUAL THRESHER

NO wasted grain from bad weather.
NO waste from rushing the job through.
NO big crews—just you and a few of your neighbors.
NO two or three weeks' time spent helping everybody in the neighborhood thresh.

Speedy --- Simple --- Economical 100% Of Your Grain Threshed!

Here is an ideal separator for use with your tractor. It is light, easy running, simple to operate and does perfect work.

Its 12-bar cylinder, 23 $\frac{3}{4}$ inches in diameter, set with heavy spikes makes it sturdy enough for the toughest work. The cylinder is exceptionally heavy and its weight assures steady motion and ease of operation.

The INDIVIDUAL is identically the same as the famous Wood Bros. "Humming Bird" thresher which is known by every farmer, except that it is smaller in dimensions and lower in price. Just what you want, isn't it?

LITTLE CHILD VERY SICK

From Saturday's Daily.
Last evening, Helen, one of the little daughters of County Commissioner and Mrs. Julius Pitz, was taken to the Immanuel hospital in Omaha where she will remain for a few days taking treatment. The little one had been playing in a sand pile in the yard at the home

a few days ago and it is thought that she ate a portion of the sand and which caused an infection of the stomach and resulted in her having to be removed to the hospital. It is thought, however, that no serious result will follow and the little one will be all right in a few days.

C. H. Smith and wife departed this morning for Brock, Neb., where they will visit over Independence day at the home of their daughter, Mrs. J. H. Teegarden and enjoy a family reunion as their daughter, Mrs. R. E. Sheehan and children from Galesburg, Ill., will also be guests at the Teegarden home.

A tractor that will fit your farm—the Fordson

YOU can make your farm produce more—at less cost—and with less effort on your part—by using the Fordson tractor. Not only will it help you prepare your land and cultivate the crops, but it furnishes power for many other farm jobs.

The Fordson tractor is the result of long study of farming conditions and it has proved a success. Burns kerosene—easy to operate and care for—practically trouble-proof.

There's an Oliver No. 7 Plow for your Fordson

Just as the Fordson tractor gives ideal power, the Oliver plow means ideal plowing. It is scientifically designed for tractor service—and is backed by a half century of experience in making plows. It buries all trash and weeds at the bottom of the furrow—maintains an even depth of furrow—and is controlled from the tractor seat.
