DEFENSE!

Defense used in any sense means preparedness against loss. The strongest financial defense is a checking account in this bank.

It is sure to pay in good times or bad; in times of world war or business depression.

A check book, and the attached stubs properly made out, is your best defense against having to pay the same bill twice.

Dunbar Defeats Union

Sure there was a ball game at Union and a good one at that, and playing though valiantly as she did, Union was beaten, but she has no reason to feel badly about it. The tally sheet told of the close score of three for the home team and four for the visitors. The game was between Union and Dunbar and each acted as perfect gentlemen. One prominent Union citizen said we had no gains as he thought it was just near victory so many times only to have the other team get it. The "Union Sammys" are playing pretty good ball and after having worked all week, it is difficult to do the best playing.

Line-up of the "Union Sammys": Sam B. Eaton p, Sam D. Eaton 1b, Sam E. Wolfe 2b, Sam B. Wolfe ss, Sam G. Kline 2b, Sam D. Lynde rf, Sam J. Pearseley lf, Sam J. Hoback cf, Sam H. Hathaway c.

Line-up of Dunbar Victors: Ross H. Smith cf, Cutler ss, Gordon 1b, H. Smith 3b, Haystie Heinke rf, Richter 2b, H. Heinke c, Hensley p.

Are Making Good Streets

They make an excellent pair, W. A. Taylor and John Lidgett and are capable of doing excellent work as street makers. It is no joke when we say they sure know how to do the work to the satisfaction of all concerned. In one of the streets towards the north part of town the other day as they were scraping their slip caught under the stones just under the surface of the earth and they were guessing for a while whether they were not uncovering some of the ancient ruins of Poppal. They soon found out it was only a small stone quarry in the street and were content to go peacefully along with their work.

Wagon Goes Wrong

While driving near Union a short time ago, C. E. Hartford in company with his daughter, had their car go wrong and were compelled to abandon the car and return home on the train. They placed the auto in the hands of Mr. Robert Willis and his compliment of excellent workmen who are placing the machinery in excellent condition.

Will Hold All Services

The Methodist church will conduct their usual services at the church next Sunday, they being the bible school, the morning service following, while in the afternoon the younger people's societies will meet and in the evening the Senior Epworth league, and also preaching in the evening. A cordial invitation is extended to all to attend the services of the church, Sunday school and the Epworth league.

He Sure Got By

Grant Clarence, who some thirty years ago, departed from Union to make his home in the west and lander near Golden, Washington, where he and his wife have made their home for some time. He is succeeding nice on their farm, and concluded that they would like to see old Union and its good natured citizens again, harnessed up their Chevrolet and made the trip, arriving safe and sound and will visit here with friends for some time before returning.

They Don't Use Them Now

One of the citizens of Union a few days ago recalled at a time not so many years since, when the farmers from the surrounding country called upon the city dads of Union with a protest against the seem-

ing carelessness in not providing hitching posts for the farm teams and suggested that unless there were provisions made for hitching the farmers teams, that they would withhold their patronage. The posts were placed in position and all reigned serene. They now need car parking space for their cars and tomorrow they will be wanting hangers for the airplane. City dads have to keep on the hop to keep abreast of the times.

Some Talk of a Band

Yes there are an abundance of material for a good band in and near Union and considerable interest is being taken in the matter of the organization of a band at this place. This looks like it is a good move and one which should be productive of good results, and should receive the encouragement of all the business men and active working citizens. Get behind the move gentlemen and push it along.

What's the Matter of a Park

For thirty-three years with the one that is to be held this summer, the people of Union and community have kept going the beautiful idea of meeting once a year and in the fall, with a get-together meeting, when old time friends can meet each other and greet each other and talk over the old times. This had had to be held wherever chance threw it. Union is big enough and should have a park of her own near or adjacent to the city where functions of these kind could be held. Some patriotic person should donate a parcel of ground for the purpose and the city should care for the same.

Star Was in the South

Last week Orville Hathaway and Charlemaine Beverage and another party hitched up the car of Mr. Hathaway and departed for the south where they spent the day down the line and thereby missed the ball game between Union and Dunbar, which was an excellent game.

Shove Over a Little Gentlemen

It has been mentioned by some that there is a need of closer co-operation with the business men of Union. Union should enjoy all the trade possible from the surrounding country and it is for the benefit of business men working in union in Union, that this can be accomplished. What is good for one of the citizens of Union should be good for them all. Get together and more effective work can be accomplished than working singularly. It has always been noted that team work in any line always pays. Try it once gentlemen, and you will make good progress.

Receiving Many Visitors

Last Monday morning just a little after midnight, while Herold Day and E. Wiles of Weeping Water, were returning from Nebraska City, just as they turned the corner about a mile from Wyoming, or attempted to turn a corner, their car, a Hudson Speedster, hit the bank and went over into a ravine in a field, almost demolishing the car and almost doing the same with Mr. Wiles. A passerby happening along assisted the young men to extricate themselves from the wreckage and hastened with Mr. Wiles to the office of Dr. W. M. Barritt of Union, where his wounds were dressed, it requiring until after daylight to complete the work. There were some thirteen cuts all over his person, some on legs, arms, and body, with but two on the face.

PIONEER WOMAN OF MILLS COUNTY, IOWA

Mrs. Sarah Mendenhall, of Pacific Junction, Now Deceased, Well Known in This City.

From Wednesday's Dally. The following from the Glenwood Tribune tells of the life of Mrs. Sarah Mendenhall, one of the pioneer residents of Mills county, and who has a number of descendants living here in Cass county:

We cannot say, and we will not say that she is dead; she is just away. We think of her still at the same, we say— She is not dead; she is just away.

"The Death Angel summoned another pioneer resident of Mills county, Mrs. Sarah Mendenhall, after a lingering illness, on Wednesday evening, June 30.

The angelic summoner, who hovered over the home of Grandma Mendenhall for many days, crossed the threshold at about 5:00 p. m., and her spirit left its tenement of clay.

"Death came as a relief from hours of silent suffering which she had endured for weeks past.

"For four score and ten years she dwelt on earth. She grew into happy womanhood; she lived the life of wife and mother, facing all its joys and sorrows with a spirit that added to her loveliness of character.

"For near three score years she has been a resident of this country. In this county her children grew to manhood and womanhood and went forth to make homes of their own. Grandchildren grew up and found her always kind and lovable.

"Truly her life was a benediction to all with whom she mingled.

"Sarah Maria Templeton was born at Charlottesville, Ind., July 22, 1830 and died June 30, 1920, just twenty-two days from her 90th birthday.

"She moved to Holt county, Mo., when a child, with her parents, and there grew to womanhood.

"In 1848 she was married to J. P. Mendenhall and in 1863 they moved to Pacific City, Iowa, and there she lived until a few years ago. Since then she has lived in Pacific Junction.

"She was the mother of eight children. The husband and three children have preceded her. The five children who survive her are Mrs. Mary Godsey of Kearney, Neb., Samuel Mendenhall, of Mondamin, Ed and John of Pacific Junction and James of Azura, Calif. All were present at the funeral except the latter.

"Sarah Templeton was also of a family of eight children and all but one have preceded her in death. A sister, Mrs. Minnie Powell, who lives at Alma, Kansas, and now 87 years old, is still living. Six members of her family lived to that age or older.

"She was a faithful member of the Baptist church and will be greatly missed in the community.

"Those from a distance attending the funeral were her granddaughters, Mrs. Alma Simmons, Alma, Kansas; Mrs. Lulu Youcum, Russell, Iowa; Mrs. Nellie Berry, Mondamin, Iowa; Mrs. Mamie Birdsall, Missouri Valley, Iowa; Mrs. Pearl Davis and Mrs. Flora Rority, Council Bluffs; Mrs. Minnie Lee, Pacific Junction, and the grandsons were Ora and Harvey Mendenhall, Mondamin; Mr. Harry Mendenhall and wife and Mr. Walter Mendenhall and family of Missouri Valley; Charles Mendenhall and wife, Council Bluffs; Kenney Mendenhall and wife, Pacific City; Lemuel Mendenhall, Plattsmouth. Other relatives attending the funeral were Mrs. Jennie Gilmore and daughter Floy, the former being a niece of Mrs. Mendenhall and Fred Davis and Ed Rority of Council Bluffs; Pete Birdsall of Missouri Valley; Mrs. Rose Shannon, of Council Bluffs; Gladys and Milly Lee, of Plattsmouth; Ann Wilson, of Tabor; Mr. and Mrs. Sam Vinton; Mr. and Mrs. James Rhoades and Mrs. Al Miller of Glenwood.

"Funeral services were held Friday at the Methodist church in Pacific Junction conducted by Rev. Coleman. Burial was in the Glenwood cemetery. The pall bearers were her grandsons, Ora and Harvey Mendenhall, of Mondamin; Harry Mendenhall of Missouri Valley, Chas. Mendenhall of Council Bluffs, Kenneth Mendenhall of Pacific City and Merritt Mendenhall of Pacific Junction.

RAIN IS QUITE HEAVY

One of the heaviest rain storms of the summer visited this portion of the state last evening and from this city south to the Kansas line the rain was quite heavy and in a number of scattered localities considerable hail fell. The intense heat of the afternoon gave a warning of the storm and toward evening the banks of the clouds forming in the west gave an intimation of what might be expected. In the vicinity of Murray some hail is reported and which did some damage to corn but not what is considered serious. The wet weather has interfered with the harvest to some extent through the southern portion of the state also. North of this city to Omaha the rain was not as heavy as it was here and south and the worst if the storm evidently took its way to the south of this city.

Suffered Intense Pain

"A few years ago, when visiting relatives in Michigan, something I had eaten brought on an attack of cholera morbus," writes Mrs. Celesta McVicker, Macon, Mo. "I suffered intense pain and had to go to bed. I got a bottle of Chamberlain's Colic and Diarrhoea Remedy and one dose relieved the pain wonderfully. I only took two or three doses, but they did the work."
