UNION PLAYS TIE GAME WITH SHOP TEAM

SEVEN INNING BATTLE RESULTS IN 5 TO 5 SCORE—CALLED FOR LACK OF LIGHT.

VISITORS PLAY GOOD BALL

Fast Fielding on Both Sides Features Twilight Game Played at Red Sox Park Last Night.

From Saturday's Daily.
 Last evening the Union base ball team battled to a seven inning draw with a team representing the Burlington shop league and the gathering darkness made it impossible to complete the nine innings that might be necessary to break up the tie.

The fielding of Winscott for the shop team and Bruce Wolfe and Bob Eaton for the visitors featured the game. McCarthy for the locals had the edge on the visitors in the pitching department as the gift of several bases or balls by Fred Kline resulted in scores against the Union team. The visitors also suffered in several of the close decisions on the bases.

In the opening Davis of the Union team was out on a high fly to McCarthy and was followed by Earl Wolfe who hit safe to the left garden, but Wolfe was caught at second on the throw from short on the grounder of Hoback. Eaton proceeded to hit safe over short and registered Hoback. Bruce Wolf closed the inning with a strikeout. For the locals Martin drew a walk as did Winscott who followed and Fenwick retired on a fly to Wolfe at short territory. Newman was walked and then Connors secured a needed run with a grounder to first that Kline threw wild to Eaton, taking him off the base and on which Martin scored.

The second inning was the swiftest of the game as both teams added

two runs to their list in this session. For Union Derwood Lynde retired on a grounder to McCarthy and was followed by Griffin with a hot one over short that was safe and G. Kline proceeded to score him with a three sacker to center and on the hobble of Winscott in handling the grounder of F. Kline, the visitors secured another tally. Davis grounded out to Ault; E. Wolfe was safe on an error by Martin but failed to register as Hoback was retired Winscott to Ault. In the half of the home folks Jack Neitzel opened with a safe poke over the short territory and was followed by Rucker who struck out while McCarthy drew a pass from Kline and Neitzel advanced. Martin was out on a hit to Eaton, while Winscott was given a life-saver on the hobble of Bruce Wolf. Neitzel and McCarthy having tallied.

The third gave the visitors a lead after Eaton had retired on a hit to McCarthy. Bruce Wolfe laid on the leather for two bases to the left field and scored on the poke of Griffin to the same territory. Lynde and Kline were struck out.

The shop boys were one to the good in the score when in the fifth they tallied two runs. Fenwick opened with a hit over second while Newman was walked by the pitcher. Connors was out on a grounder, Kline to Eaton and on which Fenwick registered and when Ault hit safe to center Newman scored. Neitzel was struck out and Rucker retired. F. Kline to Eaton.

The visitors proceeded to tie up the pot in the seventh with a clean hit by E. Wolfe to left field who was followed by John Hoback with a rap to center that tallied Wolfe. Hoback was caught at second by a throw from Neitzel. Eaton hit safe to center but was held at first and on the rap of Bruce Wolfe to short both players were doubled. Winscott to Connors to Ault and retired the side.

As it was growing very dusk Manager Charles Graves and Manager Ault decided to call it an even split and trust to a future meeting to decide the question of supremacy. The Union team proved an excellent bunch of ball players and another meeting of the two teams would mean a good game for the lovers of the national pastime. The tabulated score of the game was as follows:

CONSTITUTIONAL ELECTION AT HAND SOON

ELECTORS OF STATE WILL BE CALLED UPON IN REGARD TO FUNDAMENTAL LAW

WILL BE HELD SEPTEMBER 21

Problems Should Be Studied by Voters as They Are of Importance to the People of the State.

From Saturday's Daily.
 The voters of the state of Nebraska will be called upon Tuesday, September 21, 1920, to pass upon the matter of approving or disapproving the proposed amendments to the state constitution that were prepared by the constitutional convention last winter at their session in Lincoln.

This election is one that is not being considered seriously by the voters but the matters involved are far greater and important than that of merely choosing some official to act for the state during the coming two years as the amendments affect the law under which the people of the state will live and through which their government will operate for at least the next twenty-five years and it behooves the voters to exercise the greatest of judgment in voting on the propositions.

The state has prepared a number of pamphlets that give the present law, the proposed changes and the reasons for making the amendments as they appear to the constitutional convention members.

There are many parts of the state constitution that have been outgrown by the state and to change which is almost necessary if the state is to be operated as other of the states of the union in a strictly modern way. The present constitution was adopted in 1872 and while it has since been amended as to prohibition and suffrage it is still lacking in being a document that the present needs of the state calls for and to overcome this and attempt to simplify and place on a business basis the affairs of the state of Nebraska, the constitutional convention was called.

County Clerk George R. Sayles has received a number of the state pamphlets as to the proposed amendments and the voters should avail themselves of the opportunity of studying these questions and the accommodating county clerk is ready to pass these out to all who call for them.

CLOSING OF BARGAINS CIRCUS.

From Saturday's Daily.
 Today marks the wind-up of our fifteen days of Bargain Circus and tonight will be given the last dance on the open-air platform at Fifth and Main streets. Monday the American Legion boys will tear it down and the lumber will be returned to the Cloidt Lumber and Coal company, which concern kindly donated its use during the past fifteen days.

During the fortnight of pleasure and business a large number of people have been attracted to Plattsmouth and have left with our merchants no small sum of money. In addition they have been provided with various entertainment, chief among which has been the thrilling flights by Lieut. Nielson. Also, those of our people who wished to do so, have been provided with opportunity right here at home of soaring into the clouds.

Tonight at 12 o'clock the event will pass into history and the general consensus of opinion is that it did much to stimulate business during what would otherwise have been an exceedingly dull period in merchandise lines.

SKETCH OF LIFE OF S. W. McCLELLAN

Former Cass County Resident Dies at Callaway, Neb., Where He Has Resided for Number of Years

From Saturday's Daily.
 On Friday, July 16, 1920, S. W. McClellan of Callaway, Nebraska, passed through the gateway of death into the light of the eternal world. In him Callaway loses another of its venerable citizens.

Mr. McClellan was born at Dalton, Wayne county, Ohio, July 1, 1851. On February 21, 1883 he was united in marriage to Mrs. Mary E. Carothers. To this union one child, Melvin, was born. After living at various places Mr. McClellan spent the last few years of his life in Callaway.

Five years ago he received a stroke of paralysis and since that time he never has been the man physically, that he was before. But his character did not weaken. Many good things have been said about him and the following birthday greeting which he received from a friend shows how he was esteemed: "Here's wishing health and happiness to the best man I ever knew. When you are through with the sorrows of this life, may you be ready and glad to throw off the old body and take up your robe and crown inside the pearly gates."

Mr. McClellan united with the Methodist church at Weeping Water, Neb., and after moving on his farm near Callaway he was united with the Evangelical church. The last few years he was unable to attend public services very much. During the last week he received the second and third strokes of paralysis which ended his earthly life, at the age of 69 years and 15 days.

His father, mother and one brother preceded him to the other world. Those who survive him and his beloved wife Mary E. McClellan, one son Melvin L., two step children, Anna M. Russell and Charles S. Carothers of Callaway. Three brothers, Samuel L. and Charles W. of Holmesville, Ohio; Joseph E. of LosGatos, California, and four sisters, Susan Stucker of Camerop, Mo.; Mary S. Dawson of Omaha, Neb.; Martha J. Murray of Elmwood, Neb., and Elizabeth E. Doty of Weeping Water, Nebraska.

Funeral services were conducted by the Presbyterian minister of Broken Bow at the Methodist church and the body laid to rest in the Rose Hill cemetery near Callaway on Sunday afternoon, July 18, 1920.—Weeping Water Republican.

FORMER SOLON IS NOW A PAUPER

Story of A. S. Cooley, Once Member of Legislature and Wealthy Cass County Farmer.

From Saturday's Daily.
 Old timers and former acquaintances will be interested to learn of the present whereabouts of A. S. Cooley, formerly one of our prominent farmers and stockmen, and twice a member of the legislature from Cass county. The Beacon learns he is an inmate of the poor farm at Hutchinson, Kansas.

We interviewed Ed Carr, who now owns the old Cooley farm, and formerly worked for him and several other old timers, and by piecing together these reminiscences the story appears about like this:

Cooley was a man of wealth in those days, had a splendid family, but a weakness for women and wine. After his service in the legislature, which was not noted for probity, he moved his family to Lincoln. Just how long after this we are not informed, he went east and in Ohio passed himself off as a widower and married a widow.

The wife and one son still live in Lincoln. Another son, Hal, who visited Eagle a couple of years ago was the first of the family to learn of his father's bigamous conduct. While in Guide Rock, Hal made the acquaintance of a young lady, who noted the familiarity of the name and laughingly remarked that her mother had just married a man named A. S. Cooley back in Ohio. By securing letters it was learned that it was his father. The girl told her mother, who promptly left Cooley.

The next hearing of him he was in Chicago driving a dray. Then he drifted to California, where all trace of him was lost several years ago. He kept in touch with Eagle until six or seven years ago, when his lodge insurance was defaulted.

Thus is again illustrated the inexorable law of sin's paymaster—Eagle Beacon.

HERE ON BRIEF VISIT.

From Saturday's Daily.
 Mr. and Mrs. C. A. Robeson came in this morning on No. 5 for a few days' visit with old friends. Mose was for two years an employe of the Daily Journal, which work he gave up to go firing last November. He goes through Plattsmouth often on west bound freights, being employed on the Creston division, which was his home prior to coming here in 1917. Mose is wearing a broad smile which we opine comes from the recent wage advance awarded railroad employes and in which he will share to the extent of considerable back pay.

Child Cured of Bowel Trouble
 A child of Floyd Osborn, Notary Public of Dunganpon, Va., was taken with bowel trouble. Mr. Osborn gave it Chamberlain's Colic and Diarrhoea Remedy and it quickly recovered. In speaking of this remedy he says, "It is the best I ever used."

MISS IONE DOVEY MARRIED IN EAST

Plattsmouth Girl Joined in Wedlock to Harold W. Betts, Former Art Institute Classmate.

From Saturday's Daily.
 The announcement is made by the parents of the bride, Mr. and Mrs. H. N. Dovey, of this city, of the marriage in New York City yesterday of their daughter, Miss Mary Ione, to Mr. Harold W. Betts, of Chicago.

The wedding is the result of an acquaintance and friendship formed while the two young people were art students in Chicago several years ago and since the visit of the bride in the east, where she has been for the past few months the friendship has deepened into a romance of which the wedding is the outcome.

The bride is a daughter of one of the oldest and best known families in the county and a lady of more than usual accomplishment as she has made a well earned reputation as an artist, having been engaged in art work for a number of years, but in the late summer of 1918 entered into war work and was among the Y. M. C. A. volunteers to be sent abroad, serving for several months in France and assisting in the care and comforting of the American forces which were stationed there.

Mrs. Betts will have the heartiest well wishes of the host of friends in this city for the most abundant happiness in her new home even though her removal from this city will mean the loss of her companionship to the friends.

The groom is one of the promising young artists of the windy city and his family have been very prominent in the art circles of the east as the father is one of the most distinguished portrait painters of the nation.

RETURNS FROM OUTING

From Saturday's Daily.
 Earl R. Travis returned last evening from an outing through the east and including a short stay in Canada, where in company with Attorney Matthew Gering, he enjoyed a trip up the stately and wonderful St. Lawrence river from Lake Erie to the quaint old world city, Quebec, long time capitol of French America and which to this day retains the greater part of its old customs and has become one of the greatest points for tourists in the North American continent. Mr. Travis and Mr. Gering also visited at Montreal for a short time and enjoyed to the utmost the stay in this modern Canadian city which however still retains its French atmosphere that lends a great charm to the city and its people. A short stay was enjoyed in New York and Boston and the tourists who are base ball fans of the first degree enjoyed some of the big league games and saw Babe Ruth in action in New York and saw him add one of his famous home runs. Mr. Gering remained in New York for a short visit with his relatives, the Pfeiffer family, while Mr. Travis returned home.

DOING VERY NICELY

From Saturday's Daily.
 Reports received this afternoon from the Immanuel hospital state that Clarence Beal is doing very nicely and seems to have rallied in fine shape from his operation. He was visited today by his father, M. M. Beal, who found the patient feeling better and much more cheerful than he has been as he has almost entirely recovered from the shock of his accident and is showing a very optimistic spirit that will greatly hasten his recovery. That he is doing so nicely will be very pleasant news to the host of friends of this popular young man.

Cured of Stomach Trouble and Constipation

Rachel Cribley of Beaver Dam, Ohio, was sick for two years with stomach trouble and constipation, taking one medicine after another, with only temporary relief. "My neighbor spoke so enthusiastically of Chamberlain's Tablets," she says, "that I procured a bottle of them at our drug store to try. A few days' treatment convinced me that they were just what I needed. I continued their use for several weeks and they cured me."

Mrs. Emily Morrison and daughter, Miss Edna, were in Omaha today for a few hours, accompanying Mrs. George Morrison and little daughter of Minneapolis that far on their way home.

George Snell, of Benson, Nebraska, who has been here visiting at the home of Mr. and Mrs. Henry Born for the past three weeks, returned this afternoon to his home.
