

ANOTHER GAME TIED IN LOCAL SHOP LEAGUE

RESULT OF GAME BETWEEN LOCOMOTIVE AND FREIGHT CAR SHOP IS SCORE OF 7 TO 7

FREIGHT SHOP LOADS THE BAGS

Fourth Inning Scene of Wild Batfist as Freighters Add Their Total Runs of the Game

From Saturday's Daily.

The game last evening in the shop league between the Freight Car shop and the Locomotives resulted in a tie and making the second tie game of the season between these two teams. The shades of darkness brought the conflict to a close in the first of the sixth inning with the Freight Car shops at bat, two out and bases loaded.

The Locomotives took an early lead and apparently had the exhibition nicely in hand with a good lead of 6 to 9 up to the fateful fourth inning when the Rip trackers proceeded to add up seven tallies and eleven men faced Miller, the young slab artist of the Locos, he being nicked for four hits, two bases on hitting the batter and two errors that brought downfall to the hopes of the Locomotives.

The Freight Car shop opened the game at bat and Winscott, Fenwick and Connors were retired in order. For the Locos, Skalak, the first man up, was winged by Neitzel and advanced to first and was able to piffle second. Burbridge was out on a fly to Maurer at third and followed by Janda with a drive to short that Winscott failed to handle and Skalak scored. Herold was also hit by Neitzel and given a base and when Hula doubled to deep center both Janda and Pete scored. Hula was caught at second and Thompson retired on a fly to Neitzel.

There was nothing doing in the second inning but in the third the Locos made more trouble for their opponents with the addition of three more runs. Burbridge was out on a grounder to Neitzel, and was followed by Janda who snagged a safe drive to right garden and Herold placed one to Winscott that he failed to handle in time to retire the runner and Janda scored. Hula was struck out and then Thompson hit to short for a safety as it was not fielded and brought in Herold and when Wilson hit safe to right Thompson registered.

The fourth saw a bitter revenge on the part of the freight shop. Ault, the first man up was jabbed by one of the slants of Miller and followed by Maurer who poked to center for a safety that advanced Ault and started the delicious round of batting and errors that followed. Rucker hit an easy one to Reed at second who tried to grab it one handed and failed. The bases were then full and with three on Miller hit Schilskie, bring-

ing Ault in with a free run. Neitzel was out on a fly to Skalak in center, but on the throw in Maurer scored. Winscott hit safe to center and tallied Rucker and Schilskie. Fenwick was out on a grounder to Miller. Connors was safe when Janda failed to handle his grounder and to cap the demoralized condition of the Locos, "Hobby" Newman laid on the ball for a two sacker to left that scored Winscott and Connors and when Ault hit to right Hobby scored the needed run to give his team a lead. Maurer closed the inning with a grounder to Miller. Fenwick did the pitching for the Freight Car shops after the 4th inning.

The Locos succeeded in tying the score in their half of the game. Miller opened with a clean hit to center and was followed by Skalak who was out on strikes. Burbridge was safe on an infield hit and scored on the safety of Janda. Herold hit to left and his fly was grabbed by Newman and Miller was caught off second retiring the side.

LINCOLN SCULPTOR HERE

J. E. Wallace, the well known sculptor of Lincoln has been here for over a week at the Cornish bungalow across the river, engaged in making a bust model in clay of the late Judge A. J. Cornish. He made the model of the Louisville clay and speaks of the high terms of the clay, which he claims is the best he has ever handled.

The model is made first in clay and then cast in plaster of Paris and later cast in bronze. A Courier representative had the privilege of seeing the clay model and it surely is a wonderful piece of work and is a splendid likeness of Judge Cornish, and reflects great credit upon the sculptor.

Among the house guests at the home this week were Dr. P. J. Morton, of Lincoln, who took a photograph of the model before it is put in the plaster cast. Dr. Morton left for Lincoln on Tuesday afternoon.

Mrs. Cornish is assisted in entertaining her guests by her daughter, Miss Virginia. —Louisville Courier.

THE NEBRASKA HIGHWAY WILL BE A REAL HIGHWAY

The editor had occasion to pass over part of the Nebraska Highway which is being worked this way through Murray and by way of Manley. The work that is being done on this highway is far above what we supposed it to be and the roads as they are now are real roads and with the work that is yet to be put on them, they will be right up to the minute. The large graders are being used and are drawn by a large caterpillar Holtz six-cylinder 150 horse power tractor. The work had been brought up to the point at the Rock Island track making the turn to come this way. This road will not cross the track at all but will come along south of the same until it strikes the road coming this way, whereas before it crossed the track twice. It should not be a long time now until they reach Elmwood, considering the rapidity with which this work has been progressing. —Elmwood Leader-Echo.

"AMAZING," SAYS CEDAR RAPIDS MAN

Four Years of Stomach Trouble Has Disappeared Since He Began Taking Tanlac.

"Tanalac was surely the medicine I needed, for it has not only relieved me of all my sufferings, but has built up my whole system," said Ambrose Hickabaugh, 1657 South Second street, West Cedar Rapids, Iowa. "I had suffered from stomach trouble for four years. My appetite was very poor and I had indigestion so bad I could seldom retain a thing on my stomach and there was a bad taste in my mouth all the time. After eating there was a feeling like lead in my stomach and if I ate anything the least bit hard to digest, I had terrible cramping pains, would bloat up gradually with gas, have severe headaches, and such awful dizzy spells I just had to sit down until they passed off.

"I had but little strength or energy left, and my nerves were so broken I could not get the rest I needed. "After reading several statements about Tanlac, I decided to try it myself and after finishing my first bottle the results are really astonishing. My appetite has returned and I can eat just anything I want without suffering a particle afterwards. "I no longer have headaches or dizzy spells and I sleep like a child all night. In fact I am a well man in every respect and owe it all to Tanlac."

Tanalac is sold in Plattsmouth by F. G. Fricke and Company and the leading druggist in every town.

POSITIVE PROOF

Should Convince the Greatest Skeptic in Plattsmouth.

Because it's the evidence of a Plattsmouth citizen. Testimony easily investigated. The very strongest endorsement of merit.

The best proof. Read it: Wm. Hassler, proprietor of Blacksmith shop, corner of 5th and Oak streets, says: "I know the straining work I have had to do most of my life as a blacksmith is what caused my back to weaken several years ago. Many times I have been down showing a horse, when a sharp stitch would take me through my kidneys

and hurt severely. My back was stiff and lame at times, too. I started to use Doan's Kidney Pills and they soon corrected the trouble and made my back strong again. About two boxes of Doan's Kidney Pills from Weyrich & Hadraba's drug store was all I had to use. I can work every day now and give Doan's the credit for my condition. I always keep Doan's on hand and take them occasionally to keep my kidneys well and they never fail."
