Al Jones has been suffering from the effects of twitches of rheumatism for the past few days. Misses Clara Young, Olga Minford, Messrs. Guy White and Elbert Wiles spent Sunday afternoon at Morton park.

W. H. Puls and wife with their daughter Elsie, were visiting in Omaha last Tuesday and looking after some business matters.

A little son of Joe Robbins has been afflicted with summer complaint for the past few days but is reported as being considerable better at this time.
Dr. B. F. Brendel was a visitor in Omaha last Tuesday going to visit two of his patients who are at the hospital, one being a son of George Hill, who but a short time ago underwent an operation for appendicitis and who is doing very well. The other is Mr. Sanford Homan who had the serious accident and who is also getting along nicely.

Program for Saturday Evening
The following program will be given Saturday evening at the community club: Piano solo, Miss Edith Gaper; vocal solo, Mrs. Cameron

Cathey; violin solo, Miles Altman; vocal duet, Misses Latta and Todd; cornet solo, Miss Ola Clark; piano solo, Miss Olga Minford; mandolin and voice, Miss Mae and Paul Schlemmer. The speaker of the evening will be from Nebraska City and as to subject or his name, it is not known, but will be along the line of interest to the community, but not on consolidation.

Had Splendid Time in West.
For two weeks the families of Dr. J. F. Brendel and T. J. Brendel, went over the western portion of Nebraska, touching Kansas and the eastern portion of Colorado, driving in their cars, and enjoying the trip immensely. They stopped for a day with Warren Wiley and family at Vernango and visited with them, receiving the glad hand and enjoyed the old time fellowship which was of many years growth in Murray. They also were the guests at the home of Lloyd Gaper and wife of near Hamlet and there met the same cordiality and good cheer which had been theirs at the former place. The travelers could not speak high enough for the excellent reception which they received and of the fine eats which the former Murrayites furnished them. They found a land of beauty and prosperity on every hand.

Enjoy Picnic Sunday.
W. H. Puls and family, W. Puls, Sr., and wife, L. H. Puls and family, A. Gansemer and family, A. L. Baker, Fred Lutz and family and Otto Puls and family, attended services at the church south of Cedar Creek and west of Plattsmouth and afterward visited at the home of August Enckemeier, where an entertainment and an ice cream social was given for the church society.

Sure Surprised Her Friends.

Last Saturday evening Mrs. Edward J. Wassen of Havelock and formerly Miss Vera Hatchett, arrived home on her vacation where she has been employed with the Lincoln Telephone and Telegraph company at Havelock, and announced that her name was Mrs. Edward J. Wassen, they having been united in marriage at the Lutheran church at Hastings on July 23.

The bride is well known in Murray and one of the finest little ladies this city has ever known. She was employed with the telephone company for a number of years and was at the time of her marriage the chief operator of the exchange at Havelock. The bride has a host of friends in and near Murray who are extending congratulations and well wishes. The groom is a worthy young man and is employed with the Burlington, being their stock keeper in the store house at Havelock. This couple by their secrecy sure surprised their friends and came near getting past the congratulations of the friends and this paper. We suppose they will let their friends know next time. Mr. Wassen will arrive Saturday evening for the week end with the folks here.

Christian Ladies Aid.

Arrangements have been completed for the holding of the ladies aid society meeting at the home of Mrs. Myra McDonald on September 1, in the afternoon. All the ladies of the church and their friends are cordially invited to attend and enjoy the pleasant afternoon. The hostesses who will insure a very enjoyable meeting are Mesdames Myer McDonald, P. A. Young and A. A. Young.

Kicked by a Mule.

Harry, the son of Mr. and Mrs. Fred Range, last Tuesday morning was kicked by a mule and quite severely injured. Medical attention was given the young man and he is resting as well as could be expected. It is hoped that he will soon be able to be out again and that no serious results will follow.

Entertained For Dinner.

Mr. and Mrs. Wm. Seybold entertained for dinner last Tuesday at their farm home, Mr. and Mrs. Mont Gomery and little grand daughter, Neelie Gomery of Sheridan, Indiana. Mrs. Dr. B. F. Brendel, Dr. J. F. Brendel, wife and son Richard, and T. J. Brendel and wife of Murray, making a merry and interesting circle around the table in the dining room. To say that they all did justice to the many good things to eat would be but putting the matter mildly.

Mrs. Hollowell Gets Injured.

Mrs. A. G. Hollowell, wife of the minister of the Christian churches both at Murray and Plattsmouth, who has been living on a farm homestead in Wyoming and whom Rev. Hollowell went to few weeks ago to move back to Plattsmouth, was injured in a runaway with a team between the homestead and the farm. How seriously Mrs. Hollowell was injured is not at this time known but it is hoped that she will soon be well again. Until she is able to move the family cannot return.

Big Crowd Catch Fish.

Last Sunday Al Jones and family, Joe and Frank Marasek and families, J. A. Swinton and family, R. S. Barrow and Alex Campbell went to the Chris Bell farm, where they spent the day fishing and wading in the Rock Creek which empties into the Missouri river at that point. There were seventeen boys in the party and to say they enjoyed the occasion would be putting it mildly. They were accompanied also by the Wittman children. During the day those who were experts with the line and rods, were able to land some thirty pounds of fish.

Young Man Arrived Tuesday.

A call on the telephone asking for the presence of Dr. J. F. Brendel at the home of Mr. and Mrs. John Hoback near Union, made the Ford car of the genial doctor climb hills leading to the Hoback home.

He had the pleasure of greeting the stark with a bouncing baby boy, which has come announcing in no uncertain words that he would make his home with father and mother Hoback. They were more than pleased with his arrival and gave him a royal reception. Judging from the smiles which continually rest on the faces of the happy parents, the young man has found an excellent home.

Will View the West.

Charles Mutz of west of Murray and wife, together with T. W. Flemming and wife, will depart on Thursday for the western portion of the state, visiting many places and will be away for some two weeks. They will go in their cars and camp out where night finds them and enjoy the trip to the utmost.

In Appreciation.

To our many good friends who so kindly helped us in time of sorrow and for the many kind words and floral offerings, at the time of our dear mother's death, we extend our most sincere thanks.

Mrs. A. M. Cole,
B. W. Hiatt,
L. D. Hiatt,

Visited Relatives Here.

Mr. R. L. Johnson and wife, with their son Edward and daughter, Mrs. Dr. Tlesman, all of Orient, Ia., ar-

rived in Murray via their auto and visited at the home of their daughter, Mrs. G. W. McCracken, for a few days remaining over Sunday and enjoying the visit greatly. On their departure, they went via Nebraska City, crossing the river there and making a detour through south-west Iowa and were accompanied by Mr. McCracken and daughter, Eliza, both, as far as Nebraska City, they returning home on the evening train.

Visited From Indiana.

Mr. and Mrs. Mont Gomery and their little grand daughter, Neelie Gomery, arrived in Murray from their home at Sheridan, Ind., and are visiting at the home of their nephew, Dr. B. F. Brendel and wife and with the children, Dr. J. F. Brendel and family, T. J. Brendel and wife and Will Seybold and wife of this place and will also visit at the home of Dr. J. W. Brendel of Avoca.

Bring in Those Sacks.

In order to receive credit on the cement sacks which are out, among the customers of this yard, we must have them in for shipment back to the house from whence we purchased the cement by September 10. Be sure and get them in for shipment before that time.

Banning & Nickels.

2t sw. Murray, Neb.

Have Headon Collision.

Last Sunday while Mr. Ed Gruber was going north near the J. A. Pitz place south of Plattsmouth and Earle Rainey was going south, and endeavoring to make the hill which

was pretty steep, they met on a narrow portion of the roadway. Mr. Gruber was able to turn partly out of the oad and had stopped his car, while Mr. Rainey, who was going up grade assayed to turn out and a ditch at the side of the road yawned before him, making it either going into the ditch or hitting the other car. He chose the latter which resulted in a pretty hard contact and a broken car for each of the parties. Just how serious it was for each the repair man has to say. However they both escaped themselves. Many places there is scarcely room for one car to travel let alone for two to pass.

Will Assist With Merry-Go-Round
Herman Smith departed last Tuesday afternoon for Springfield, where he is assisting the Tulene brothers with their merry-go-round and after the picnic at Springfield, they will go to Weeping Water for the Farmers Union picnic at that place, which is to occur on September 1. They will then go to Plattsmouth for the labor day picnic which is to be given at that place.

Will Hold Horse Sale Monday.
Sidney L. Wemmer and H. H. Shraeder arrived in Murray on Thursday morning with a car load of excellent Oregon horses, which Mr. Wemmer will offer for sale at Murray on Monday of next week. See the announcement in this paper elsewhere and also bill telling of the sale. Those who are needing some good horses would do well to attend this sale.

Balance of Murray news will be published in Monday's semi-weekly.

FOR SALE

Electricity on the Farm!

The United States government is advocating the use of electricity more extensively on the farms. It is pointed out that where electricity is used laborious farm work is reduced and better results are obtained. Many things can be done on a farm with electricity, such as churning, grinding grain for live stock, food for poultry, washing dishes, lighting the buildings and other necessary tasks that now require brawn and sap vitality.

Farm life should be made as pleasant and easy as possible, to increase its popularity. The work of the women folk on the farm would be much less arduous with the installation of electrical appliances, say the government investigators, for on their shoulders falls much of the most trying work on the farm. The average farm woman works a few minutes more than thirteen out of twenty-four hours during summer, and her daily average for the year is eleven hours and eighteen minutes. Half of the women on farms, say the government reports, are at work at 5 a. m. and get practically no rest until they retire at night. Of every 100 women on farms thirty-six of them help with the milking, while seventy-nine of them trim and fill lamps, and all but four do the family washing.

As a labor-saver electricity, says the government, has no equal, while the saving of vitality to both man and woman is astonishing where it has been tried out.

Many farmers of Nebraska and Iowa have installed electricity and few of them would do without it now.

Silent ALAMO

FARM ELECTRIC POWER AND LIGHT PLANT

There are many good makes of farm light plants on the market now that will speed up machinery and illuminate the buildings by the simple touch of a button.
