LINCOLN WOMAN GAINS 15 POUNDS

So Much Stronger Since Taking Tanlac that Housework is Easy, Says Mrs. Snyder

"I have not only gained fifteen pounds in weight, but am feeling stronger and better than I have in years," said Mrs. Edward Snyder, of 2030 K street, Lincoln, Neb. "Before I started taking Tanlac," said Mrs. Snyder, "I was in such a weak, run-down condition that I could hardly get around the house to do my work. I had no appetite whatever and what little I ate nauseated me and gave me awful pains in my stomach. The indigestion affected me so much as night that I lost much sleep and in the mornings I was tired and worn out. I was always having headaches and at times felt so dizzy I thought I would fall over. I fell off until I weighed only a hundred and five pounds and I was anxious about my condition. My sister-in-law had been so much helped by Tanlac that she got me to try it and it did me good right from the start. I now have a fine appetite and although I eat three good hearty meals a day, I am not bothered with indigestion. I am so much stronger I can do all my work without difficulty and have gained fifteen pounds and just feel good all the time. Tanlac has been such a blessing to me that I wouldn't be without it in the house, and can strongly recommend it to others."

Now Ready for School.

The school board of Manley are pretty well satisfied with the condition of the school house which has just recently been refurnished with a couple of excellent painters from Louisville. After having refurnished the building on the inside and out, the gentlemen also scrubbed and cleaned the place thoroughly and the place is in the best of condition for the school which will soon begin.

Last Wednesday, while turning a corner on the road, Leonard W. Wendt and Louis Rau ran together with their cars damaged both very much. Mr. Wendt, who car was a Nash, took the same to Omaha, where he had it repaired and home again on the following Saturday.

Cured of Stomach Trouble and Constipation

Rachel Cribley of Beaver Dam, Ohio, was sick for two years with stomach trouble and constipation, taking one medicine after another, with only temporary relief. A few days' treatment convinced me that they were just what I needed. I continued their use for several weeks and they cured me."

LOYAL WORKERS ENTERTAIN

From Thursday's Daily. The parlors of the Christian church were the scene of a delightful and pleasant afternoon entertainment yesterday. It was at this time the Loyal Workers entertained the elderly ladies, those who have found it impossible to assist in the work or attend the meetings of the society regularly, due to failing strength. For the occasion and in honor of their guests the parlors had been made very attractive with decorations of garden flowers. The ladies had arranged a pleasing program which was greatly enjoyed and appreciated by their guests. A portion of the afternoon was willed away in the singing of the favored and familiar hymns loved by the honored guests. This pastime was delightfully interspersed with the relating of experiences in the work of the society by the guests in their days of youth and strength. This proved very interesting to the hostesses as their guest had surely accomplished great things. At a suitable time a dainty luncheon was served which was likewise thoroughly enjoyed. A number of the honor guests were unable to be in attendance on account of illness, but those fortunate enough to be present felt very much indebted to the hostesses for the splendid good time they had enjoyed.
