## The Genuine Lee

That's the original Unionall; all others are imitations. Of course you don't care about that; only you want quality and price with it. Why pay seven dollars for a pair of overalls and jacket?

Genuine Lee Unionalls \$5.50  
A close-out price

### Hiatt & Tutt,

MURRAY, : : : NEBRASKA

Oliver Lloyd last Tuesday purchased an excellent cow and half from Alex Rhoden.

W. H. Puls and family were guests at the home of Charles Herron last Sunday afternoon.

John Farris and family were entertained for dinner Sunday at the home of Mr. and Mrs. Wm. Spotted.

George Brown of Weeping Water, was a visitor in Murray last Tuesday coming to look after some business.

Seard Davis and family were visiting and looking after some business at Omaha last Monday making the trip in their car.

Mrs. Ona Lawton was down making arrangements for her son Lyle, who will attend the Plattsmouth schools this winter.

Mr. and Mrs. Jas. Holmes and son Ralph, were Murray visitors, coming down to attend the fare well gathering for Rev. Buchanan.

A. Gansemer was a visitor at the county seat last Monday looking after some business and was also transacting business at Omaha on Tuesday.

Many of the people in and near Murray, were in attendance at the Farmers Union picnic which was held at Weeping Water on last Wednesday.

Wm. Carper of near Manley, was in Murray to have one of his fingers dressed by Dr. Gilmore, which he had injured while playing ball a few days ago.

Geo. H. Decker of Plattsmouth, representing the Standard Oil company, was a visitor in Murray last Tuesday looking after business and delivering oil and gasoline.

Frank Russell and Frank Doty were in Murray for a short time last Tuesday while enroute to Plattsmouth where they were looking after some business matters.

Misses Velta Betts and Viola Walen of near Weeping Water, were visitors in Murray last Tuesday, having driven the car of Mr. Betts here to have some needed repairs made.

J. H. Brown and family and Raymond Henry and family who have been camping for the past week at that most delightful place, Lake Okoboji, returned home last Friday after having had a splendid time.

Edward Gansemer and family who have been visiting in Wyoming and Colorado for the past two months or more returned home last Friday after having had a most excellent time during their trip which covered many of the important places in the west.

James Hatchell and Albert Jones, just completed the matter of cleaning up the Lewiston cemetery and after they had finished their work, the place was indeed a beautiful spot. They expect also to improve the appearance of the Young cemetery also.

Mrs. Earl Carroll was a passenger last Sunday to Wyoming, where she will visit for some time at the home of her parents, Mr. and Mrs. Theodore Buck of that place and who formerly lived northwest of Murray. Mrs. Carroll will remain for some two weeks.

Clarence Murray, who held a sale in conjunction with the home of Sidney L. Wimmer at Murray last Monday, disposing of his household effects and stock, departed for the west with his family last Wednesday and will make his home in California, where they have rented a farm.

Henry C. Long who has been in the west looking after the threshing of this year's crop of wheat, returned home last Thursday, after having placed the crop in the bins to wait until he could dispose of the grain to the elevator. Mrs. Long who has been visiting in Omaha for some time past, returned home last Friday while Mrs. George Nickels who had also been visiting in the metropolis, returned home Saturday evening.

#### Community Meeting.

Piano solo—Olga Minford.  
Mandoline and voice—Mae and Paul Schlichtemeier.

Vocal solo—Helen Todd.  
Prof. Fugleby of the state and W. H. Norwith, both of Lincoln will explain all the details of school consolidations. If you do not understand it and wish to know more about it, don't fail to hear these men. They are both able speakers.

The committee report is ready and will be made at this meeting.

#### Horse Sale.

There was a good crowd at the horse sale in Murray last Monday afternoon, but evident no one desired horses very bad for the average price paid for the 37 horses offered was \$33.49, which made the whole car sell for less than fifteen hundred dollars. There was in contrast with three cows which Clarence Murray offered for sale, they bringing respectively \$151, \$95 and \$90.

#### Tractor For Sale.

I have an excellent used tractor of the Helder Company make, which I am offering at a right price. In first class condition, with three 14-inch bottom plows. Size 12-20.  
L. H. PULS,  
Murray, Neb.

#### Sacred Song Service.

The people of Murray who attended the Presbyterian church last Sunday were entertained to Misses Margie Walker, Neva Latta and Mr. L. D. Hiatt for a most splendid sacred song service.

#### Bank Will Be Closed Monday.

On account of Monday of next week being a legal holiday, being Labor day, the Murray State Bank will not be open for business. Those having business with the bank will please note and govern themselves accordingly.

#### The Murray State Bank.

## A NOBLE WOMAN CALLED HOME

After a Life of Many Good Deeds, Pays Full Devotion to Family and Friends.

Mallissa C. Hiatt who's maiden name was Millissa Kaubie, was born near Terre Haute, Ind., December 24, 1838. By the death of her parents she was left an orphan at the age of five years and after which time she went to make her home with a family by the name of Rogers at Savannah, Mo. Later and at the age of fourteen, she made her home with an older sister at Sidney, Ia., for a number of years and then returned to her home where she was married about the year 1855, to Moses Hiatt and for the number of years they made their home near Sidney where Mr. Hiatt was engaged in farming. In the year 1860 they moved to the then prosperous new town of Rock Bluff, Mo. and it was there their younger days were spent in the rearing of their family. They were prominent workers in the cause of God and were among the early settlers who organized and helped to build the first church in the village and which structure remained there a monument to those earlier days until about five years ago. Mrs. Hiatt had been a faithful Christian through all her life having confessed her faith in God when she was but a child and to this faith she has ever held true even unto death which came Thursday, August 19, 1920, after much suffering. Mrs. Hiatt is the last of her family of three sisters and two brothers to answer the call of God and would have been 82 years old had she lived until December 24th of this year.

To the union of Mr. and Mrs. Hiatt there were six children, Lawnie and Anna having died in childhood. Charles M. Hiatt having met death by accident July 19, 1917. Those who survive her are Mrs. Rosy Cole of Weeping Water, B. W. Hiatt of Rising City and L. D. Hiatt of Murray, the husband Moses Hiatt, having died in Murray, January 17, 1918.

Making Trip to Northwest. Wednesday morning Messrs and Mesdames D. A. Young, and A. A. Young, departed in the latter for a trip which will extend over two weeks to the northwest, which will include many points in the Black Hill country and will return through other parts of South Dakota. They will visit at Rapid City, Deadwood and Lead, and will be the guests of relatives there. They will also visit at Gale, S. D. where they will be the guests of Mr. and Mrs. A. E. Lyman and later will return passing through Winner, S. D. where they have relatives also.

Something With "Kick" in It. Harry Puls, the son of W. H. Puls the hardware man, found something with kick in otherwise that what is contained in bottles. Harry was endeavoring to start a refractory Ford when like the proverbial mule he kicked and threw it now carrying his strong right arm in slings. Fears were entertained that the member was fractured but on examination it developed that it was just a severe sprain.

Reception for Mr. Buchanan. Monday evening August 30, a reception was held at the home of Mrs. Sam Latta in honor of Mr. John Dales Buchanan, who completed his second year in Princeton Theological Seminary last June, and who has been supplying the United Presbyterian church through the summer months.

On the eve of his departure for Princeton to finish his third year, his many friends in and around Murray gathered to give him a farewell visit, to manifest their high appreciation of his services while here.

Mr. Buchanan will prepare for the degree of S. F. B. from the Theological Seminary and will also receive the degree of A. M. from Princeton University next June.

Mr. Will Smith had previously attended to the electrical lighting of the house and lawn and the ladies had attended to the floral decorations.

A musical program was given by the following persons: Ralph Kennedy in a piano solo, Mrs. Vance Pitman in a solo, Misses Helen Todd and Neva Latta in a duet, Miss Olga Minford in a flute solo, Miss Elizabeth McCracken in a whistling solo and Mr. Demi Hiatt and Miss Neva Latta sang a duet as a closing number. Miss Margie Walker was accompanied. The ladies had prepared refreshments for this occasion. Your reporter has good authority for writing that there were sixteen large cakes.

Mrs. V. A. Kennedy served the coffee and your reporter can testify from sampling the coffee that it was A.

When the clock was nearing the midnight hour the friends began to disperse; each one giving Mr. Buchanan the glad hand, expressing a desire for his return to us next summer.

ESSEX MAKES NEW WORLD'S RECORD

Crosses Continent in 4 Days, 14 Hours and 43 Minutes; Carries U. S. Mail.

Essex now holds the coveted transcontinental record. On August 6th an Essex five passenger touring car, reached New York from San Francisco covering the distance of 3347 miles in just 4 days, 14 hours and 43 minutes, beating the best previous record of another car by 12 hours and 48 minutes.

At the same time an Essex traveling from New York to San Francisco made the transcontinental run in 4 days, 19 hours and 17 minutes, beating the best time this way by over 22 hours.

Two other Essex cars also made the run, one from San Francisco to New York in 4 days, 21 hours and 56 minutes and the other from New York to San Francisco in 5 days, 6 hours and 15 minutes. Both of these cars, however, encountered heavy rain storms and deep mud in the west.

Aside from the fact that this is a new record, it is also the first time in history that an automobile has been permitted to carry mail across the continent. All cars carried bags of first class mail and every driver was in the eyes of the government, a postman, properly sworn in and under bond to the government.

The cars were not driven, at any point, by professional drivers. The entire trip was supervised by Essex distributors and dealers along the route and they furnished drivers from their own organizations. In all, probably 25 drivers took the cars across the continent, which is an even greater testimony of the performance and reliability of the car.

The second westbound car was diverted from its route on the way to San Francisco long enough to establish a new record from New York to Chicago of 24 hours, 43 minutes and 56 seconds, beating the best previous record by over two hours.

L. H. PULS GARAGE,  
Murray, Neb.

Fine Testimonial Service. Last Monday evening at the parsonage of the Presbyterian church, the many friends made by Rev. Buchanan during his stay in Murray as the minister of the church here, were gathered to testify, but the most excellent farewell reception which they tendered Rev. Buchanan, their faith in the splendid ministry which he extended to the church and community of Murray. An excellent program was given which was followed

ALFRED GANSEMER, Proprietor

by a very enjoyable social time and delightful banquet which was furnished by the ladies of the church, under the leadership of Misses Margie Walker and Neva Latta. The Rev. Buchanan departed on the early train of Tuesday for Omaha and from there to Princeton, N. J., where he goes to finish his education in the original seminary of that place.

Visited With Murray Friends. Mr. and Mrs. Clyde Smith, the latter formerly Miss Mae Loughridge, arrived in Murray last Saturday, having removed from Grand Island, where Mr. Smith was with the business college of that place, to locate at Bird City, Kansas, where he has been appointed the secretary and manager of the Commercial Exchange of that place and visited at the home of grandma Mrs. W. A. Brown until Monday when they departed for their new home.

Young People Have Enjoyable Time. The young friends of Will Minford gathered on invitation at his home last Tuesday evening where they had a most pleasant time as young people can have, enjoying sociability, with games, songs, and a delightful supper. No one present could help but declare Mr. Will Minford a good entertainer.

School Notice. The regular term of the Murray schools will open Monday, September 13th. Parents desiring to enroll pupils under the age of five years please take notice that this is not permissible under the laws of the state and all such children under proper age will not be accepted.

L. D. Hiatt, Director.  
G. M. Minford, Moderator  
A. Gansemer, Secretary.

Have a Family Reunion. At the home of Otto Schaffer, last Sunday, was gathered a large number of the family as well as friends and neighbors in a reunion which numbered over a hundred people, many families coming from near Lincoln. Those from Murray were L. H. Puls and family, Dr. Gilmore and family, and A. Gansemer and family.

## The "Z" Lives a Long and Useful Life

"Z" Engine endurance is proverbial—it's a lifetime engine. That's because every part liable to wear is case hardened. Push rod rollers—valve stems and cams—contact parts throughout—are made immensely hard by heat treating. They will not wear—nor will they break.

The "Z" has an extra large crankshaft. Not one has ever broken. All "Z" bearings are die cast and removable. Every "Z" part so carefully made that it is absolutely interchangeable. Ample lubrication—positive—well-balanced, correct mechanical design—help make the "Z" the "lifetime" farm engine. On the job—dependable—powerful—always.

Other "Z" features are: Runs on kerosene; coal oil, tops, as well as gasoline; built-in Bosch high tension oscillating magnet; more than rated power; every part interchangeable; clean-cut, efficient design.
