

CAMPBELL LEADS LIST OF ASPIRANTS

Out Ahead for gubernatorial nomination in Michigan—Democratic Vote is Light.

Detroit, Mich., Aug. 31.—With the bulk of the city vote in Tuesday's primary still to be heard from Milo D. Campbell of Coldwater continued to lead Attorney General Alex J. Groesbeck by a margin of slightly more than 2,000 for the republican gubernatorial nomination. Returns from 662 out of 2,453 precincts in the state and representing incomplete figures from sixty-three of the state's eighty-three counties, the vote stood: Campbell, 19,495; Groesbeck, 16,435.

Charles S. Mott of Flint was running third with 13,695; Lieutenant Governor Luren D. Dickinson, fourth, with 5,294; Fred C. Martindale, Detroit, fifth, 5,256; Frank B. Leland, sixth, 4,668; James Hamilton of Detroit, seventh, 4,398; Cassius L. Glasgow, eighth, 3,958; and Horatio S. Earle, Detroit, ninth, 2,138.

In the republican race for the lieutenant governorship nomination, Thomas W. Read of Shelby maintained his lead over Charles D. Scully of Almont. With the vote tabulated from 354 precincts Read had 15,616; Scully, 11,228.

The vote cast for former Governor W. N. Ferris, unopposed candidate for the democratic governorship nomination, here out early predictions that the democrats would display comparatively little interest in today's primary. The 662 precincts tabulated on the governorship gave Ferris, 2,407. Ferris, unopposed running mate, Lieutenant Colonel Guy Wilson of Flint received 1,500 in 254 precincts.

A Doughboy is Very Happy.

Proving his Americanism by service during the world war in France, Ben Raymond returned home to take up the occupation of farming, having wedded a most beautiful and talented American girl just before he departed for the camp. With the coming of peace for his country also came happiness, when last Monday evening at his home between Murray and Union the stork brought to his home a bouncing young American boy who will make his home with the happy parents. Here is to you young man, and your parents also, may you live long and may happiness and good deeds mark your life.

Mrs. August Swanson was among the Omaha visitors today, going on the afternoon Burlington train.

John Bajcek, the "Acorn" manufacturer, was in Pacific Junction and Glenwood today looking after his cigar interests.

DO NOT LET IT DISCONCERT YOU.

Many people are staring in astonishment how the "bitter wine" remedies spring up like mushrooms in various states of our country. Do not let this discomfort you! Triner's American Elixir of Bitter Wine is the only genuine Bitter Wine remedy, from 1896 in the American market, and he who suffers from constipation, poor appetite, headaches, nervousness or other stomach ailments has only to buy this remedy, if he wants to get rid of those troubles. Mr. Louis Jacyna, 1337 Jos. Campau Ave., Detroit, Mich., wrote us a few months ago: "Triner's American Elixir of Bitter Wine made me like new-born and I ask you kindly to publish my words, because I want to recommend it to all sufferers." Other Triner's remedies, like Triner's Liniment for rheumatism, neuralgia, lumbago, sprains, swellings, etc., or Triner's Antiputrin, an excellent gargle in case of throat inflammation, are also very reliable, ask your druggist or dealer in medicines for them!—Joseph Triner Company, 1333-45 S. Ashland Ave., Chicago, Ill.

SUGAR NOT YET AT THE BOTTOM

Dealers at New York Worrying Over the Prospect of a Fruther Drop.

New York, Aug. 31.—Whether the price of sugar after its quick decline of last week has reached bottom or is due for further drops was the subject of conjecture today among dealers, some of whom are said to stand to lose heavily if additional breaks occur. The consensus of opinion among traders was that many heavy losses were not to be expected. All agreed that profits would be materially curtailed and in some cases would have to be foregone completely to avoid more serious consequences should lessened demand forces the market still lower.

"The bottom fell-out of the market," one large dealer said today, "shortly after the demand for domestic consumption and export failed to absorb huge quantities of sugar which poured in from nearly every country, including China, Japan and Central Europe, to points such as the Balkans and Czecho-Slovakia."

From a high of over 25 cents for refined sugar, the price gravitated rapidly to 17, with frequent offerings at 15 cents from speculators who featured the end of the decline had not been reached.

Today one refinery yielded to continued pressure, cutting to 16 cents for fine granulated, or 1 cent under other refineries and about 8 cents below highest prices of the summer.

The best bid for Cuban raw sugar was 8 cents cost and freight. The early summer high for the same quantity was 23 cents.

A general unsettling of the trade with a return to profit scales of two years ago would be the most noticeable consequence, it was predicted.

TO CELEBRATE EVENTS

Columbus, Aug. 31.—Columbus will celebrate historic events. Acting on suggestions advanced by some of the members of the commercial club, the directors authorized the appointment of a committee to arrange for the public observance in Columbus of constitution day and the landing of the Pilgrims. The suggestions that the commercial club could promote 100 per cent Americanism in the community, by fathering a public patriotic meeting, September 17, in observance of the two hundred and thirty-third anniversary of the framing of the constitution of the United States met the approval of the club and a committee was appointed to carry out the plan.
