Community Club Met in Rain.

Last Saturday evening the attendance at the community club was but a portion of the number which has heretofore marked the meetings of the club and the enthusiasm was considerably dampened by the rain that fell. The spirit though in the project is the best and a design is now on foot to provide a place of meeting which will enable the gathering of the people when the weather is such that an out door meeting cannot be held. With all working together this community will overcome all obstacles. See in another column a list of the new officers of the club and the committees which are to look after its well-being.

LENROOT LEADS BY BUT SLIGHT MARGIN

Returns Insufficient to Indicate Final Result—Senator Moses Renominated in New Hampshire Primary

Milwaukee, Wis., Sept. 7.—Senator Irvine L. Lenroot had a slight lead over James Thompson of La Crosse for the republican nomination for United States senator according to returns tabulated by the Milwaukee Sentinel from today's primary. The vote in 197 precincts was: Lenroot, 528; Thompson, 851. The polls did not close until 8 p. m.

Two hundred and forty-seven precincts out of 2,379 in Wisconsin as completed by the Milwaukee Sentinel early Wednesday morning in the race for the republican senatorial nomination gave Lenroot 14,833; Thompson, 23,075; McHenry, 2,705. The precincts include seventy-six in Milwaukee county.

One hundred and thirty-three precincts out of 2,379 in Wisconsin for the republican gubernatorial nomination gave Wilcox 7,328; Blaine, 6,435; Senman, 3,847; Merin, Hull of Black River Falls, 2,767; Edward F. Dithmar of Baraboo, 1,275 and J. N. Tittmore of Omro, 1,058. These returns were from twenty-four of the seventy counties.

William H. Stafford of Milwaukee, polled 3,549 votes in forty-seven pre-

incts for the republican congressional nomination in the Fifth district against 1,602 for Gerhard A. Zading and 1,454 for P. F. Leuch. The winner of this contest will oppose Victor L. Berger, socialist, in the November election.

Manchester, N. H., Sept. 7.—United States Senator George H. Moses, candidate for renomination in today's republican primaries, had a lead of two to one over Huntley N. Spaulding, former state food administrator, according to unofficial returns from more than one-third of the state tonight. Returns from 110 out of 294 precincts gave Moses 9,303, Spaulding 4,714. Albert O. Brown, chairman of the state tax commission, was leading in the three-cornered contest for the republican nomination for governor over Windsor H. Goodnow, member of Governor's Bartlett's council, and State Senator A. P. Morrill. The vote from 110 precincts gave Brown 6,373; Goodnow 4,970; Morrill 2,282.

Charles E. Tilton was leading A. W. Noone in the contest for the democratic nomination for governor and Former Congressman Raymond B. Stevens was leading Noone, who also stood for the nomination for United States senator. The vote from sixty-seven precincts gave Tilton 1,348; Noone, 718; for governor, Stevens, 1,480; Noone, 540.

Sutton, Sept. 7.—Late returns from today's primary indicated the probable nomination of John J. Walsh for governor and Frederick W. Cook for secretary of state by the democrats. The republican nominee was James Jackson for state treasurer. Channing H. Cox, now lieutenant governor, was made the republican nominee for governor without opposition. Returns from 863 precincts of 1,205 in the state, including Boston, gave Walsh 30,840 to 28,388 for Richard H. Long; Warner 3,689 to 39,529 for Charles L. Burrell, and Cook 31,881 to 23,742 for James W. Bean. Jackson had 66,719 to 26,840 for Fred J. Burrell. The fact that women were voting for the first time gave election officials many puzzles in trying to determine whether ballots marked in many ways not strictly according to requirements were valid.

Partial returns from three districts indicated the renomination by large pluralities of Speaker Frederick H. Gillette and Congressman Robert Luce and Joseph Walsh, all republicans.

Reno, Nev., Sept. 7.—Primary election returns from twenty-five precincts out of a total of 132 in the state give former Governor Taskert L. Odde 531 votes for the republican nomination for United States senator, with Rev. Brewster Adams of Reno second with 367 and A. Grant Miller of Reno third with 149 votes. United States Senator Charles B. Henderson was unopposed for the democratic nomination. For the republican nomination for congress W. T. McNeil of Reno and A. J. Arents of Lovelock are running nearly even. Congressman C. R. Evans is leading Reno for the democratic nomination. The vote was exceedingly large through the state.

CANDIDATE TOO POOR TO RUN IN MICHIGAN

Flint, Mich., Sept. 7.—Asserting that he was not accustomed to "political ways, means and methods," and had neither the time nor money to make a campaign, Lieutenant Colonel Guy Flint, today formally notified the secretary of state of his withdrawal as democratic nominee for lieutenant governor of Michigan.

In his letter he wrote: "The method practiced in Michigan in the last few years in relation to money and promises made or political patronage is such that I cannot follow. I am not a wealthy man, and therefore it seems the desire for political aspirations is closed in Michigan to a man of moderate means."

LEAGUE CONSIDERS POLISH REQUEST

London, Sept. 7.—The league of nations is considering the Polish government's request for mediation in the Polish-Lithuanian dispute. Unless an improvement occurs in the situation, Poland will be compelled to declare war on Lithuania, the appeal states.

The communication declares an unprovoked attack had been made on the Polish troops by Lithuanian forces.

Warsaw, Sept. 6.—Today's official statement from military headquarters reports additional attacks by the Lithuanians upon Polish forces, while the latter have repelled. The communique says: "Our detachments continue successfully to repel attacks of Lithuanians. A scouting company of two officers and 200 soldiers with six machine guns which penetrated behind our rear, was captured."

Gompers Asks Farmers of State to Unite in Opposition to Industrial Court.

Washington, Sept. 7.—Renewing attacks upon the Kansas law establishing a court of industrial relations, Samuel Gompers, leader of the American Federation of Labor, today urged farmers to unite in opposition to the law. "The law is a direct violation of the constitution," Gompers said. "It is a direct violation of the rights of the citizen to work for his own support. It is a direct violation of the rights of the citizen to work for his own support. It is a direct violation of the rights of the citizen to work for his own support."

Mr. Gompers further suggested that a state wide conference of representatives of Kansas labor organizations be called to make repeal plans effective.
