The Ford Motor Company Makes the Above BIG CUT in Prices of Ford Cars, Ford Trucks and Fordson Tractors!

Effective Wednesday, September 22, 1920

—in the face of the fact that the Ford Motor Company now have 146,000 unfilled orders for immediate delivery on hand—these new low prices will mean a very large temporary loss to the Ford Motor Company while using up materials on hand, but at the high prices, but Henry Ford is willing to make the sacrifice in order to assist in bringing business back to a GOING condition as quickly as possible and to re-establish the BUYING POWER OF THE DOLLAR.

Henry Ford says there is no sense or wisdom in trying to maintain an artificial standard of values and for the best interests of all it is time a real practical effort was made to bring the life of the country and the business of the country down to regular PRE-WAR basis.

We are at your command with a force of trained Ford mechanics to insure reliable FORD SERVICE and we are eager to fill your orders for NEW FORD CARS at the NEW FORD PRICES.

Do not overlook the fact that at these greatly reduced prices every Ford dealer will be flooded with orders for new cars for immediate delivery and our monthly allotment will not nearly supply the demand, so phone us or call at once and place your orders if you expect to get immediate delivery.

AUTO DAMAGE CASE UP IN COUNTY COURT

H. M. Soennichsen Brings Suit for Recovery on Loss of Horse—Counter-Claim Made.

From Monday's Daily.

This morning in county court was heard a case wherein H. M. Soennichsen brought suit against one, Riley Hudelson, who resides northwest of Plattsmouth and works in the packing houses of South Omaha. The case grew out of the killing of a horse belonging to Mr. Soennichsen some time ago, while the animal was being led behind a delivery wagon also the property of Mr. Soennichsen, and which was struck by the car of Mr. Hudelson.

Damages in the sum of \$200 are asked by Mr. Soennichsen as the value of his horse. Hudelson offers a counter claim of \$250 which he alleges is due him for damage done his car, claiming that the horse was being led by a rope of such length that it endangered traffic and was the cause of the accident, which precipitated the case now in court.

Hearing of the case occupied most of the forenoon, numerous witnesses offering testimony before County Judge Beeson.

Aubrey Duxbury, one of Plattsmouth's fast rising young attorneys is in charge of the plaintiff's side of the case.

As we go to press the case is still occupying the attention of the court, and there are a number of witnesses yet to be examined. The outcome of the controversy will doubtless be known tomorrow.

SURELY IS LUCKY

Yesterday the announcement was made through the Journal of the fact that County Road Commissioner C. F. Vallery was the happy grandparent of a fine boy born to Mr. and Mrs. Max Vallery, but that is only part of the story as Mr. Vallery is grandfather to a fine little daughter that was born at the home of Mr. and Mrs. Joe Spence near Stockville, Neb., on Sunday last. The two happy occasions has proved almost too much for the genial road commissioner and he feels that his cup of joy is well near full to overflowing. Mrs. Spence was formerly Miss Josephine Vallery of this city.

This afternoon Mrs. Frank Dill of Murray returned home from Omaha where for the past several weeks she has been at the St. Joseph hospital, recovering from the effects of an operation for appendicitis. CATCHES TWO YOUNG MEN

Last evening two young men were discovered in the Burlington railroad yards engaged in prowling in one of the cars standing on the side tracks and in this act they were seen by W. T. Melbern, one of the section bosses and the matter reported to Chief of Police Manspeaker, who with Officer Alvin Jones hastened to the scene and placed the young men under arrest. As there had been nothing taken from the car or the fact that the boys had not broken into the car established, they were released from custody.
