Sheriff Quinton and Officer Jones Round Up Man Who Will Have Opportunity to Explain to Court.

This morning Sheriff C. D. Quinton and Officer Alvin Jones were busy engaged in investigating a case of "booze" possession in the south portion of the city where it had been reported the flow of "white mule" had been progressing very lively. The party conducting the operations is reported to have created not a little disturbance last evening by the shooting of firearms and otherwise attracting a great deal of attention to himself that later developed into his being arrested as it was claimed that the foundation of liquor had secured the foundation of their jag at this place. The man, whose name is E. V. Stiles, was apprehended this morning by the sheriff and Officer Jones at the Platte river bridge, being enroute to Omaha and was brought back to this city where he was lodged in jail to await the filing of a complaint by the county attorney.

The matter will probably be brought to a head this afternoon when the complaint will be filed by County Attorney Cole.

IMPROVEMENTS AT THE RIVERSIDE

Widened Roadway to Ferry Will Be Realized in a Few Days and Plans Made to Create Picnic Grounds

Mr. Richardson informs the Journal that he has purchased the tract of land between the ferry and the Burlington bridge that has been used by Jerry Abraham of Schuyler and will turn this space into parking grounds where cars can be parked and which will give a mile room for cars to turn around as they are hampered now by lack of space. In addition several long tables to be used for picnics will be placed by Mr. Richardson and seats provided, making it a very pleasant spot.

YOUTH HUNTING IS FATALLY SHOT

Marshall Ernestine, Nebraska City Lad, Dies Few Hours After Being Accidentally Shot.

From Tuesday's Daily. Marshall Ernestine, 17-year-old son of E. C. Ernestine, Nebraska City jeweler, was so seriously injured in a hunting accident Sunday afternoon that he died early Monday morning at the Fegers hospital in Nebraska City.

Marshall and a companion, Russell Place, were out hunting and when they reached a high embankment, Ernestine climbed to the top and aimed his gun, butt foremost to his companion. The weapon was discharged and the charge tore away Marshall's left leg, entering his body about six inches below the hip.

Ernestine heard Place's scream and responded promptly. When they arrived on the scene the wounded boy lay on the ground bleeding profusely from the wound.

Amputation of the leg was necessary. The shock and loss of blood was too much and he died at 2 o'clock the following morning.

Ernestine was a member of the senior class of the high school and held several important positions in the school organizations.

PASSES 81ST MILESTONE

From Tuesday's Daily. Our old friend, Columbus C. Despain, whose smiling face has so long been a familiar sight on the streets of the city, yesterday passed the 81st milestone on life's journey and is today as well and vigorous as a man of much younger years.

Mr. Despain has stood well the rigors of his long life and while he bore the hardships of pioneer days in Nebraska there is little evidence of his strenuous life reflected in his present physical condition and he is feeling fine and remains engaged in the pursuit of his daily duties.

The friends join in wishing this splendid pioneer resident many more birthdays in the years to come.

Miss Grace Nolting who is teaching near Colome, S. D., departed yesterday to resume her school work after being called here by the death of her uncle, August Nolting. Miss Nolting will have the Journal with her each week hereafter having subscribed to the semi-weekly edition.
