

Barnum Once Said!

"The American People Like to be Fooled."

There still seem to be a lot of manufacturers and dealers who believe that is true, and base their business getting schemes on that belief.

At frequent intervals a "Talking Machine" with a new name only, finds its way on the market, and it is usually announced with a lot of claims that later are disproved, but not until a lot of people have been fooled.

One of the pet claims is that the machine can play Edison Re-creations satisfactorily and many times the claim is even made that they can play them better than the NEW EDISON.

This is manifestly absurd, and you can save yourself from being fooled by insisting that you hear an Edison Re-Creation played on the "Talker" and on the NEW EDISON, insisting that the NEW EDISON and the "Talker" be placed side by side.

We will furnish the NEW EDISON to prove the claim, and we will at the same time prove to you that the—

NEW EDISON

—and—

RE-CREATIONS

are the finest combination to be found today, regardless of price.

MISSOURI PACIFIC HAS AN ACCIDENT

MEMBER OF EXTRA GANG AT UNION KILLED AS THROWN FROM HANDCAR.

This morning August Rohn, a member of an extra gang employed on the Missouri Pacific out of Union, met his death when he fell from a handcar and was run over by the car.

Mr. Rohn was little known in Union, having been there but six days as a member of the gang of fifteen men employed in road work and this morning with the other members of the party started for their work several miles south of Union.

The party was using two handcars for transportation and the unfortunate man was one of the five men occupying the last car. When about a mile south of Union the members of the party noticed the stranger acting as though taken with a sudden stroke and a moment later he fell forward from the car onto the track. Before the car, which had reached quite a high speed, could be checked, it had passed over his body causing instant death.

The dead man was brought back by his companions to the depot at Union and the remains left there to await shipment to Falls City, from which point he had come to Union.

There is little known of Mr. Rohn by his companions and he was apparently in the neighborhood of fifty years of age and is supposed to be unmarried. So far no trace of his family or relatives has been learned, although railroad officials at Falls City will endeavor if possible to find some relatives of the unfortunate man.

The accident occurred at 9:30 just before the arrival of the early morning south bound passenger train.

The second serious accident on the Missouri Pacific occurred at Auburn shortly after the accident at Union, when M. L. Nelson, roadmaster of the Falls City division of the road was killed in the yard there by being struck by the locomotive of a work train and death occurred instantly. The details of the accident are very indefinite. Mr. Nelson is a resident of Falls City and married.

LOCAL NEWS

From Thursday's Daily. Sheriff C. D. Quinton was out in the vicinity of Eagle today attending to some matters for the county for a few hours.

J. S. Benschotter was among the business visitors in Omaha today for a few hours attending to some matters of importance.

Bert Philpot, of Weeping Water, was in the city yesterday for a few hours enroute home from Omaha, where he has been looking after some business matters.

Ralph Larson, of Louisville, was a visitor in the city over night, a guest at the home of his parents, Mr. and Mrs. L. G. Larson, returning to his duties this afternoon.

From Friday's Daily. Ludwig Hallas came up last evening from Murray to attend the performance of "The Wishing Ring" at the Farnside theater.

W. S. Wetenkamp departed this afternoon for Omaha to spend a few hours securing some repairs for his car that has been put out of commission.

Fred Nutzman of near Nehawka, candidate for representative on the republican ticket, was in the city yesterday afternoon looking after his political fences.

This morning a license was issued at the office of County Judge Allen J. Beeson to Mr. Lindsay L. Raymond and Miss Hazel Hunter, both of Pacific Junction.

George Merriweather and wife of Valley, Neb., who have been here visiting at the home of Mrs. Z. Niel and family for the past few days, departed this morning for their home.

Mrs. Henry J. Meisinger was among those going to the metropolis this morning where she visited for the day. Mr. Meisinger motored in from the farm with the wife and visited here for a few hours.

Merritt Russell and Frank Domingo, two of the bustling young business men of Weeping Water, motored up last evening to spend a few hours here visiting with friends and looking after some matters of business.

John Cory and J. H. Short returned this morning from Hastings, at which place they have been attending the grand encampment of the I. O. O. F. Mr. Cory was rather under the weather during the encampment and did not enjoy it as much as he had anticipated.

Financial Loss Due To Colds

It is estimated that the average man loses three days time each year from inability to work on account of having a cold. Much of this loss can be avoided by treating every cold as soon as the first symptoms of the disease appear. Chamberlain's Cough Remedy has won a wide reputation and immense sale by its cures of this disease. Try it. You are certain to be pleased with its pleasant taste and the prompt relief which it affords.

If you are figuring on entertaining for Halloween, call at the Journal for your decorations.

Joliet Power Corn Shellers

"Famous Wherever Corn Grows"

Established 1851

Incorporated 1867

The Cylinder Machines

BUILT TO SHELL HUSKED CORN

The Joliet Cylinder Corn Shellers possess all the advantages of other cylinder corn shellers and are free from their defects.

They do not require a man to stand behind them in the dust to keep back the unshelled ears of corn.

In fact, these shellers are as nearly automatic as any machines can be that require adjustment for different kinds of work.

We have these shellers in stock. Come in and look them over.

IS MAKING RECORD

Victor Sturm, son of A. F. Sturm, of Nehawka, and who is a student at Yale college, is now playing fullback on the football team of that great eastern educational institution. In the recent game between Yale and the University of North Carolina, Mr. Sturm distinguished himself in the playing of his position and the press comments on the game gave him great credit as a player of marked ability. Prior to entering Yale, Mr. Sturm was a student at Exeter college in New Hampshire.

W. T. Richardson, of Mynard, writes insurance for the Farmers Mutual of Lincoln. Phone 2411.

Ford

THE UNIVERSAL CAR

The Ford Sedan is the favorite family car, seats five comfortably. While an enclosed car with permanent top, it has large windows, and may in a minute be changed to a most delightful open car with always a top protecting against the sun. In inclement weather it is a closed car, dust-proof, water-proof, cold-proof. Finely upholstered. Equipped with electric starting and lighting system and demountable rims with 3 1/2-inch tires all around. A real family car. Anybody can safely drive it. It has all the conveniences of an electric car with the economy which goes with Ford cars, low cost of purchase price, small cost of operation and maintenance. Won't you come in and look at it?
