

THE MASTER STROKE!

Down Goes the High Prices!

A Real Home Coming Sale--Bringing Back Prewar Prices!

A word to my many friends in Plattsmouth and vicinity. I have recently made a very fortunate purchase of a General Stock of merchandise at about 50 cents on the dollar. The sale of this stock opened TUESDAY MORNING with a rush and continues with the store crowded with buyers each day. Folks, it's a real Fanger store and a real Fanger sale at the old time prices.

My store is jammed full of goods and large quantities of merchandise are in transit. I am in position to give you bargains, as I bought a bargain at Randolph, Iowa, and am going to give my old-time Plattsmouth friends the advantage of my purchase. Other goods arriving daily were also bought at present bed-rock market prices and are offered you a real money-saving prices.

I have added to my stock a line of LADIES, MISSES and CHILDREN'S READY-TO-WEAR, which is a credit to Plattsmouth (at least I was told so by many shoppers on the first day of this sale.) I own a large Ladies Ready-to-Wear store in Council Bluffs and if at any time you should not be able to get just what you want from the stock here, I can and will be pleased to get the garment for you on short notice. Thanking the many shoppers who attended the opening day of the sale, and asking your continued patronage, I am, Your old friend, M. FANGER.

The sale continues and I advise any who are holding back to come early before the stock is broken in size. Be one of the many Cass county people to get real bargains.
