Halloween Party

A Halloween party was given in the "old haunted house" of H. M. Frans, Saturday night, October 23. It is situated one and one half miles east of Union. At 8 o'clock the guests began arriving and there were thirty-two boys and girls. There was no light in the house except that from the jack-o-lanterns and the big round moon as it peeped in through a window. The rooms were decorated in white sheets with cats and witches pinned all over them. Three black and two white witches made the party merry. After many games two readings and some songs. An old black witch settled down on the floor and told a story of the "Mystery Cave". After the story the boys and girls formed partners and two by two were led (by two ghosts) into the "Mystery Cave". Then came the fortune after which a delightful luncheon was served by the hostesses, Ina LaLue, Vera Upton, Mildred Clark, Virginia Harris and Alma Frans. Many more games were played out in the moonlight under the big maple trees. They about 10:30 the guests started for home, most of them tired but nevertheless declaring they had a perfectly wonderful time.

Solving Stock Water Problem.

Winfield Swan, one of the more progressive of the farmers about Union, and living northeast of town, has solved to a nicety the problem of stock water by building a dam across a ravine through which flows a small stream fed by a number of springs and which will feed the artificial lake and keep a large quantity of good pure water for the stock.

Excellent Meeting at Sciota.

Last Sunday evening the school house which is used also for a place for holding religious services, was crowded to its fullest capacity, when the Rev. W. A. Taylor conducted a meeting there. The subject of the discourse was "Sleep" and the tense from which the thought was gotten, was "For He Giveth His Beloved Sleep."

Caught in Snow Storm.

A. C. Reinheimer and wife who visited here for some time driving from their home in Elgin, Ill., to Long Beach, California, in a car were caught in a snow storm at Colorado Springs a week ago last Thursday and were kept there until the following Saturday. They wrote Ray Frans telling of their experience.

Not Exactly Civilized.

To whom belongs the blame for the neglect of the man who accidentally killed his wife on Monday morning, but the people of the town are much perturbed over the matter of leaving the remains lay in the freight room of the station from that time until ten o'clock on the following morning. This was more than forty-four hours and with not a thing done except brought to the station and placed there in the bloody clothing in which he was dressed when the accident occurred. On Monday County Attorney A. G. Crabo Suter the remains were locked after the remains which were taken by the railway company to his

With a Low, Even Hum

Motors lubricated with Polarine run easily—smoothly—quietly. Polarine is not an ordinary lubricant. It is made from selected crude oil by processes that have taken many years to perfect. Standard conditions keep its unexcelled quality uniform.

To meet the requirements of all makes of cars and trucks, Polarine is made in four grades, differing in body but not in quality. These grades are

Polarine	Polarine Heavy
Polarine Medium Heavy	Polarine Extra Heavy

For winter use the Polarine and Polarine Medium Heavy grades are recommended.

Imperfect compression is a costly source of lost power. It is only one of the many bad results of using low grade motor oils. Preserve the life of every moving motor part by using Polarine regularly.

Get all the satisfaction you expected out of your car by using Red Crown gasoline. With Polarine, it makes possible the finest performance of which your car is capable—always.

A Mishap by the Way.

Last Friday, E. B. Chapman and wife, accompanied by Mrs. J. S. Pitman, went to Lincoln to bring Miss Ellen Chapman home for Sunday, she attending the state university. They progressed very well until they arrived at Eagle where they had some car trouble, which required a part to be sent for and Mr. J. A. Pitman drove to Eagle for them returning home late in the evening.

DAMAGE SUIT DISMISSED

The \$15,000 personal damage suit of Arleigh Eaton of Kansas City against H. V. McDonald of Murdock growing out of a collision between the Eaton and McDonald automobiles at Eighteenth and O streets in August, 1919, was settled and dismissed in the United States court Tuesday morning. Attorney D. J. Flaherty for the plaintiff stated that a settlement in full for damages had been made. The consideration was not stated.

Mr. Eaton was a former resident of Lincoln and University Place. In his petition he alleged that the defendant was driving his car at a high speed and that the collision was due to his negligence. The plaintiff claimed to have been severely hurt and that his automobile was considerably damaged. This was the first automobile damage suit brought in the federal district court here.—State Journal.
