MURRAY IS AGAIN VISITED BY ROBBERS

WHO FORCE ENTRANCE SATURDAY NIGHT TO THE STORE OF HIATT & TUTT.

The activities of the auto bandits over the county continue and this time they have once more made Murray the target of their operations and the store of Hiatt & Tutt was the loser by some \$200 worth of their stock, which was taken from the shelves and show cases and evidently carried away by auto.

The robbers secured entrance to the store by breaking the glass in the front door of the building, crawling in and then opening the rear doors, through which the spoils were carried.

From indications found of the work of the burglars on the rear door of the store they had evidently attempted to use their way of getting into the store in the first place but were foiled in their efforts. Holes had been drilled near the lock that allowed the catch to be sprung, but two large wooden bars were used to hold the door in place and these the burglars were unable to move and had to resort to breaking the glass in the front door in order to get into the building.

As far as could be ascertained from the hasty inventory of the stock, there is something like \$200 worth of merchandise missing from the store and this is composed largely of leather coats, cigars and cigarettes, as well as a few sweaters and other articles of clothing. In the rear of the store in the alleyway two of the leather coats were found, having evidently been dropped while being loaded into the auto of the robbers.

The robbers did not tamper with the safe in the store although they had evidently overhauled the cash register, but there was nothing aside from a few pennies in this and they did not bother to take the small coins.

The night callers were evidently particular as to their ciphers, for they took only the Camels in the stock, leaving the others untouched. The general aspect of the job is similar to the robbery committed a few weeks ago at the Sheldon store in Nehawka, the same methods of attempting to gain entrance to the store having been used only in this case they were not able to force the rear door as easily as they did at the Sheldon store.

It is thought that the robbery occurred about 1:30 Sunday morning as several of the residents of Murray report that they heard the sound of an automobile engine about that time of the night and this was without doubt the car of the unwelcome visitors.

The robbery was not discovered until yesterday morning and by that time the gang had plenty of opportunity to seek refuge in their hangouts in Omaha, but it is thought they were evidently a part of the auto bandits that have been operating in the small towns of this part of the state.

The Donnelly home was charmingly arranged with decorations of chrysanthemums throughout the rooms and being featured in the table decorations. One of the pleasant features of the occasion was the delicious 6 o'clock dinner served by the hostess and which was appreciated to the fullest extent by the friends who had come from the old home in Plattsmouth to help celebrate the natal day. Those attending from this city were Mrs. J. A. Donelan, Mrs. C. G. Fricke, Mrs. R. W. Clement, Mrs. J. S. FUNERAL OF MRS. C. E. M'BRIDE HELD

Yesterday Afternoon at the Christian Church—Many Friends Were in Attendance.

From Monday's Daily. Yesterday afternoon the funeral services of Mrs. Charles E. McBride were held at the Christian church and were attended by a large number of the old friends and neighbors who gathered to pay their tribute of love and esteem to the memory of the departed lady.

There was a short service held at the home of Rev. A. G. Hollowell at 1:30 which was attended by a number of the neighbors and following which the body was taken to the church.

Rev. Hollowell in his remarks paid a tribute to the beautiful character of the departed lady and her untiring devotion to the members of the family that she had so tenderly cared for and the home that she had loved so much. To the sorrowing relatives and friends the minister held up the promise of the Maker that all the pain and separation of death should be swept away in the future when they should come to dwell in the house of many mansions, which the Redeemer had gone before to prepare for the coming of those who believed in him and these words brought a sense of comfort to all the sorrowing relatives who had mourned so deeply the passing of this good woman.

During the services the choir of the church gave two of the favorite hymns of the departed. What a friend we have in Jesus and "God be with You 'Till We Meet Again." Miss Thelma Hudson gave as a solo, "The Home of the Soul."

At the conclusion of the service at the church the body was conveyed to Oak Hill cemetery where it was laid to rest.

YOUNG MEN HUNTING GET IN TROUBLE

Omaha Parties Shoot Pigeon at Farm of Lawrence Stull and Turned Over to Sheriff.

From Monday's Daily. Yesterday morning Sheriff C. D. Quinton was called out to the home of Lawrence Stull, north of the city, by a message announcing that two young men had shot a pigeon on the Stull farm and that the power of the law was desired to punish them for their shortcoming. The sheriff made prompt a sense of comfort to all the boys were working in Omaha and they had come down to hunt ducks along the Platte, but found considerable ice in the river and did not put their boat in the stream, leaving it on the auto truck that they brought with them and while awaiting the flight of any stray ducks had saw the flock of pigeons and decided to take a shot at them and with the result that they had killed one and this brought a protest from Mr. Stull, on whose land they happened to be at the time. The sheriff brought the two young men in to this city and they made arrangements to come down next Saturday and talk the matter over with the county attorney, as the offense was not serious and the boys were working in Omaha and could not afford to lose the time to remain over. Sheriff Quinton allowed them to return home and to appear later and discuss the matter with County Attorney Cole.

From Tuesday's Daily. William P. The many friends of the Sitzman family will be pleased to welcome them back to Plattsmouth where they resided prior to moving to Weeping Water.

DREAM OF LONG STANDING REALIZED

AMERICAN LEGION LEASES CLUB ROOMS OVER NEB. GAS & ELECTRIC OFFICE.

From Monday's Daily. The dream that has been uppermost in the minds of the officers and members of the local American Legion post ever since its inception nearly a year and a half ago—the outfitting of a club home—is about to be realized. On Saturday afternoon a committee from the Legion effected a two year lease on the upper half of the Leonard building over the Nebraska Gas and Electric company's office. Possession is to be given December 1st, and already a committee is busily engaged looking after the securing of furnishings for the new club rooms. Paint and paper are included in the plans for making the place as inviting as possible.

The upstairs is partitioned into two large rooms at present, and with the exception of a kitchen at the rear of the building no change will be made in the interior arrangement. The front room will be made into a lounge, reading, writing and meeting room, and the plan is to keep it heated at all times. Back of this will be the athletic room, where a wrestling mat and other paraphernalia will be installed as rapidly as the finances of the Legion will permit. Here also will be stored the folding chairs necessary to seat those present at meetings of the entire post.

The bulletin board will be removed to the new location soon and will be placed on the wall in the opening leading to the stairway, where the members may keep posted on late information without having to even climb the stairs.

The furnishings will be arranged with a view to making the place as home-like as possible and consistent with the limited resources available. The athletic equipment will also necessarily be limited in quantity at the start, on this account, but it is hoped that friends of the Legion will be responsive to their needs and aid the boys in properly outfitting a place of meeting. In this, the ladies of the Auxiliary will have a part, and the rooms will be placed at their disposal for meetings.

As soon as possible after possession is obtained, and probably about the middle of December, a housewarming reception will be given to which all the people of Plattsmouth and vicinity will be invited. The building being centrally located makes it easily accessible and it is certain that the executive committee of the Legion could not have made a more satisfactory selection.

The Journal takes pleasure in congratulating the Legion boys upon the acquisition of club rooms, and trusts the business men and citizens generally will show their appreciation of the services they performed during the late war by aiding and assisting them in outfitting their new home.

AGED LADY DIES AT MASONIC HOME

Mrs. Elvira Snell Passed Away This Morning at the Advanced Age of Seventy-Nine Years.

From Monday's Daily. Mrs. Elvira Snell, one of the aged residents at the Nebraska Masonic Home in this city passed away at 4:30 this morning after a prolonged illness and which culminated in a stroke of paralysis some four months ago, just after the admission of Mrs. Snell to the home.

She had been a resident of Lincoln for many years and was well known in that city where she had passed so many years of her life time. Some four months ago she was admitted to the home here on the request of Lincoln lodge No. 19 A. F. & A. M. and at the time of her admission was in very poor health and shortly afterwards suffered a paralytic stroke that left her bedfast and her condition had gradually grown more serious until death came to her relief.

A daughter, Miss Eva Snell and a close friend, Mrs. Fredericks, arrived this morning from Lincoln and will accompany the body of Mrs. Snell back to her old home where the funeral services will be held. The funeral party left for Lincoln this afternoon on the 1:58 Burlington train.

NEHAWKA YOUNG MAN IS MARRIED

Glenn Rutledge, Well Known Here, Joins Ranks of Benedictus at Lincoln a Week Ago.

From Monday's Daily. Married Saturday, November 6th, 1920, Miss Helen Stray to Glenn Alvin Rutledge. The wedding ceremony was performed by County Judge Reid at his office in the court house in Lincoln at 11:30 a. m., only a few friends of the contracting parties being present.

The wedding was a surprise to even their own parents as they kept close their secret until within a few hours of the wedding.

The bride is the daughter of Mr. and Mrs. George Bray of Syracuse. She is a graduate of the Syracuse high school, and was raised in that village.

Glenn is the eldest son of A. B. and E. S. Rutledge of Nehawka, and is too well known in this vicinity to need comment.

What in the name of Cupid can we say anyhow? When lightning strikes that close to an editor and without warning, he is apt to be more or less huzzified and get things mixed, or in printers' language pick.

Of course we are glad to have a daughter in the family. We were not fortunate to be blessed with one, so of course it remained for our son to bring one in. This he did last Sunday night and the happiness that had taken possession of his mind was broken by meeting their first and only daughter.

And, though some daughters-in-law may have difficulty in finding grace in the sight of their newly acquired parents, it was not thus with Helen, who appears to measure up to all the standards that a daughter-in-law should.

The young couple after a few days' visit with relatives in Lincoln and Nehawka, returned to Lincoln Wednesday where they immediately went to housekeeping, and where the husband has secured a position as line-type operator with the Daily State Journal. Nehawka News-Ledger.

COMES FROM ACROSS SEA TO LIVE HERE

MISS MARY HALUZA ARRIVES IN CITY TO MAKE HER HOME WITH SISTER, MRS. JAMES PANOS

On Saturday there arrived in this city Miss Mary Haluza, who has just arrived from her old home amid the Stravagan hills in the new Czechoslovakia republic to live here in this city at the home of her sister, Mrs. James Panos and family. The story of the life in the little old world city while the tragedy of war was raging over Europe is one of interest and gives one the inside story of what conditions were in that portion of the Austria-Hungarian monarchy during the period of the war. This lady resided at Komna, in the state of Moravia, a town that numbers between 2,000 and 3,000 inhabitants, and this community suffered greatly from the effects of the war as the inhabitants were not in sympathy with the cause of their masters and while they were many of them engaged in the army of the Central powers their hearts were longing for the day of independence. When the war had broken out the food and other supplies were ordered turned over to the government and the residents were put on rations, only a certain amount of foodstuff being allowed and this was gradually reduced as the war kept on over the course of four years. Many times the lines at the stores awaiting the opportunity to exchange their ration tickets for the small amount of foodstuff allowed, would extend for miles. The grain ration per day was one-half pound to each person and this was in the underground grain that shrank greatly in the grinding and in most cases was far insufficient to permit it being made into bread. To avoid the taking of all the food supplies the residents resorted to all manner of subterfuges to save their food from falling into the hands of the government officials. Often strawstacks would be made and the food buried beneath the ground and the stacks placed back to cover the spot and avoid the taking of the food in boxes buried in piles of manure and in the winter time in the deep snow drifts was resorted to by the residents of Komna and vicinity.
