ST. MARY'S GUILD HOLDS MEETING

Mrs. R. A. and T. B. Bates Are Hostesses to Episcopal Ladies at the Former's Home Yesterday.

The ladies of the St. Mary's Guild were very pleasantly entertained yesterday afternoon at the home of Mrs. R. A. Bates, who was assisted in receiving and entertaining by Mrs. Tom-Bates, and the occasion proved one of the greatest of interest. The afternoon was spent in the plying of the busy needles as the ladies prepared the many pleasing articles for be held in this city and at which the ladies will offer many attractive articles to the Christmas shoppers. The date of the market will be December 10th and 11th and as an added feaare the ladies are planning to serve dinner to the residents of the city.

dinner to the residents of the city.

At a suitable hour the members of the party were invited to particle of a very dainty function and in the serving the hostesses were assisted by Mrs. J. H. Donnelly of Omaha, a former member of the guild and who was a special guest of the occasion. Mrs. W. W. Coates of Kansas City was also a guest of bonor of the afternoon.

WIZARD OF MAGIC COMING NOV. 29

Davis, the Great Magicion, Presents Most Elaborate Entertainment.

Davis, popularly known as the "Master Magician", Is to unloose his bag of tricks before local peopl here on the evening of Monday, No vember 29th, at the high school au ditorium: Davis is the exception disproving the rule that there is nothing new in magic. There is more new stuff in the Davis program than the usual whole evening given by the ordinary magician. What Davis does is wizardry, and his manner of doing it is an artistry of the highest

another and fun all the time You'll laugh at his wit and humor, as well as his wonderful magical feats You'll want to watch him closely, for when you think he has finished a fent of magic and it would be the end with the average magician-he is just getting to the interesting part; in fact nearly all his tricks have three

points to them instead of one. Davis performs twice as many feat. no delay with useless "patter" and his talk is as interesting as what he does. With a splendid stage setting. lots of parapehrnalia, and an excelruns smoothly and without waits You will say he is the eleverest ma gician you have ever seen, and you will enjoy his pregram from beginning to end. Battery's Endurance

I OW long your battery lasts is measured by its plates. Your money goes farthest in securing battery-service when you pick a battery with quality plates.

Machine-Pasted Plates give the USL Battery durability. The machine forces the working material into the frames of the plates and gives them the tight-gripping tenacity which slows down the wearing-out process.
