

MURDOCK DEPARTMENT.

PREPARED EXCLUSIVELY FOR THE JOURNAL.

Do You Know?

That THE BANK OF MURDOCK is the only bank in Murdock in which your deposits are protected, and guaranteed, by the Depositors' Guaranty Fund of the State of Nebraska?

That THE BANK OF MURDOCK is managed by experienced bankers, that the DIRECTORS, who are also the officers, give their entire time to the management and care of this one bank?

That these officers and directors always concentrate their entire efforts, abilities, time and resources on this one bank, and that in so doing they have built up one of the soundest and most reliable banks in Cass county?

That THE BANK OF MURDOCK pays FIVE per cent on money deposited on Certificates of Deposit? That our service on checking accounts is unequalled, ledger and statements being kept by the most modern bookkeeping machine, and that you can obtain a statement of your account, at any time you want it, in a very few minutes?

That the only safe and reliable manner of paying bills is by checking account, as the canceled checks automatically become receipts, and show you have paid any bills, which may later on be questioned?

And further, in case you lose, or destroy, or have canceled checks, and need evidence of having issued a certain check on THE BANK OF MURDOCK, we have the proof for you. THE BANK OF MURDOCK gives close attention to details, which most banks neglect, on account of additional work. We keep a complete record of every check drawn on, and paid by our bank, as we record every check you give on us, by keeping a record in detail, showing by whom the check is given, and to whom it was made payable, together with the amount of same.

With the ordinary bank, when you get your canceled check, you have the only complete record the bank has, but with THE BANK OF MURDOCK you still have a permanent record of the facts and figures.

That you are cordially invited to drop in and see us, at any time, whether on pleasure, or business? We are always ready to serve you to the best of our ability, and make your interests our interests. We are, VERY CORDIALLY YOURS.

The box was found near Springfield some two weeks ago, but was not sent to Murdock until last week.

Wiener Roast at Rose Valley.

A crowd of the town kids of Murdock last Wednesday secured a supply of the makings of a "wiener roast" and departed for Rose Valley, where they enjoyed the evening to the limit. They prepared their supper in the open and played games, sang songs, and had an excellent time.

The young people of Murdock enjoyed a community dance at the M. W. A. Hall last Wednesday in which a large number of the folks participated. The music was supplied by the people of Murdock and on occasion provided a very merry time for those who participated in the dance.

Mr. Charles Schaefer departed for Plattsmouth to bring Mr. Schmidt home in order that he might depart for Enid with the rest of the folks for the funeral which was to occur the following day. Mr. Schaefer made the round trip with the soft roads, in one hour and fifty-five minutes.

O. E. McDonald, who is enterprising, and a hustler, has arranged to come to the rescue of the hungry ones in Murdock and will open an eating house here immediately. He has placed in his business house a lunch counter, and will provide a dining hall in the rear of the building where he can serve meals. Mr. McDonald has secured the services of Joseph Wutchinek, as his chef and who has had experience in the line of cooking from London to Singapore, and is capable of doing all kind of cooking, and all who go therefor something to eat, will find themselves well served.

Word was received in Murdock last Sunday of the illness of Mr. Louis C. Eickhoff, formerly a resident of near Murdock, but who has been making his home in the south for some time. Mr. Eickhoff visited in Murdock with his daughter, Mrs. Herman Schmidt, some two weeks ago and was in apparently good health when he returned home. When the news of his illness

was received his daughter, Mrs. Schmidt and his daughter, Hilda, immediately departed for the bedside of the father and grandfather. Mr. Hempke made his home here for many years and has a large number of friends who extend sympathy for the family at this time of their sorrow.

Making Some Good Records.

Edwards are making some good records in the matter of picking corn and are hustling the crop into the crib, notwithstanding the price that the grain is bringing. John Scheel has been averaging nearly a hundred bushels per day, some days going over a little, and again quite making that amount. Albert Theil, last week for the first five days, made a record of 505 bushels which would be just 101 bushels per day. Mr. Scheel was picking at the home of Louis Schmidt, while Mr. Theil was hustling at home. At the home of Louis Bornemeier, who completed his corn harvest last Saturday, Jesse McBeck, who is working here, coming from Missouri, made a record when he picked 120 bushels last Thursday.

REPLIES TO QUERY REGARDING BONUS

Senator Norris Says He's for Soldier Compensation Raised from the Pockets of the Rich.

Post Adjutant Elmer A. Webb of Hux J. Kearns post No. 56, American Legion, has received a letter from Senator G. W. Norris replying to numerous post cards on the soldiers' adjusted compensation law which have been mailed by local members of the Nebraska Nebraska senators, stating that he is willing to go to almost any length either in the proposition of homes and farms for the soldiers, or a cash bonus if that can be worked out by a tax on wealth.

He further states in answer to a query from the adjutant regarding his view as to the prospect of a bill embodying the four-fold compensation plan passing the senate this winter, that "From the meagre information I have, I am of the opinion that it will not pass. As a matter of fact, the kind of a law that you outline, as it will be to get it up for consideration. It is always a difficult matter to depend on the short session for any constructive legislation, because as a matter of fact, there is but little more time than is necessary for the passage of the necessary appropriation bills. The coming session will end on the 4th of March, but I suppose that a special session will be called soon after the 4th of March and I should think that sometime during that session, the question in which you are interested will be definitely determined."

To date no reply has been received to a similar letter and card addressed to Senator Hitchcock, although he promised the adjutant when he was here a few weeks ago that he would write a letter setting forth his views on the bonus matter in detail at an early date.

A Reliable Remedy for Colds and Croup.

It would surprise you to know the number of people who use and recommend Chamberlain's Cough Remedy. Mrs. J. N. Rose, Verona, Pa., writes "Chamberlain's Cough Remedy has been used by myself and husband for a number of years for coughs and colds. I also gave it to my little granddaughter three and a half years of age when she had croup last winter. It broke up the attack at once. I have recommended this remedy to many of my friends and neighbors who have also used it with good results."

MRS. TIERNEY IS FRED OF CHARGE

Jury Out 18 Hours—Court Officers Stop Demonstration when the Verdict is Announced.

After deliberating eighteen hours, a very much exhausted jury Friday morning returned a verdict of not guilty in the murder case of Mrs. Mike Tierney, in Judge Troup's court in Omaha, says the World-Herald.

The jury went out at 5 o'clock Thursday afternoon and reported at 11 o'clock Friday morning. A demonstration started in the court room when the verdict was read, but this was promptly stopped by the court officers. Mrs. Tierney was tried for the murder of her son-in-law, Ray Dunlap in her South Omaha home, following closely upon the elopement of Dunlap and her daughter and subsequent marriage performed here by County Judge Allen J. Beeson. The evidence of the defense was along the lines that the woman was demented when she fired the shot. As the clerk read the words "not guilty," Mrs. Tierney's head sank slowly forward on her breast, and she sobbed quietly. After the verdict was read and as the jury filed out of the court room, Mrs. Tierney thanked several of them that she was able to reach in the crush of spectators.
