

MURDOCK DEPARTMENT.

PREPARED EXCLUSIVELY FOR THE JOURNAL.

Do You Know?

That THE BANK OF MURDOCK is the only bank in Murdock in which your deposits are protected, and guaranteed, by the Depositors' Guaranty Fund of the State of Nebraska?

That THE BANK OF MURDOCK is managed by experienced bankers, that the DIRECTORS, who are also the officers, give their entire time to the management and care of this one bank?

That these officers and directors always concentrate their entire efforts, abilities, time and resources on this one bank, and that in so doing they have built up one of the soundest and most reliable banks in Cass county?

That THE BANK OF MURDOCK pays FIVE per cent on money deposited on Certificates of Deposit? That our service on checking accounts is unexcelled, ledger and statements being kept by the most modern bookkeeping machine, and that you can obtain a statement of your account, at any time you want it, in a very few minutes?

That the only safe and reliable manner of paying bills is by checking account, as the canceled checks automatically become receipts, and show you have paid any bills, which may later on be questioned?

And further, in case you lose, or destroy your canceled checks, and need evidence of having issued a certain check on THE BANK OF MURDOCK, we have the proof for you. THE BANK OF MURDOCK gives close attention to details, which most banks neglect, on account of additional work. We keep a complete record of every check drawn on, and paid by our bank, as we record every check you give on us, by keeping a record in detail, showing by whom the check is given, and to whom it was made payable, together with the amount of same.

With the ordinary bank, when you get your canceled check, you have the only complete record the bank has, but with THE BANK OF MURDOCK you still have a permanent record of the facts and figures.

That you are cordially invited to drop in and see us, at any time, whether on pleasure, or business? We are always ready to serve you to the best of our ability, and make your interests our interests. We are, VERY CORDIALLY YOURS.

Community Program Excellent. The people of Murdock excite themselves proud when they arranged for a community program as a service on Thanksgiving evening and with a concerted spirit, every body took hold of the matter, assisting in the making of the venture the pronounced success which it was. The matter of community spirit is one which will work to the good of the entire community and should be a means of making the town better in every respect. Good addresses were made on the subject by Mrs. Oscar Zink and Rev. L. Laipply, both touching the popular chord in their discourse. Joseph Wutchinek and Max Dusterhoff rendered two very beautiful musical numbers on the violin, guitar and piano. There were other very fine numbers on the program and the social time and the ears brought the citizens closer together. The entertainment was held in the church and the number who could hardly find room to get inside, demonstrated that this town needs a larger public gathering place.

A MERCILESS JUDGE! One Who Shows No Favor. A merciless judge is Father Time. Before him the weak and the wanting go to the wall. Only the truth can stand. For years the following statement from a Plattsmouth resident has withstood this sternest of all tests.

Theo. Starkjohn, retired farmer, Locust and Ninth streets, Plattsmouth, says: "For several years Doan's Kidney Pills have been used in my family for kidney troubles and backache and they have proven to be all that is claimed for them. Whenever my back feels a little lame and my kidneys are not acting as they should, I take Doan's Kidney Pills for a few days and they never fail to do me good. Doan's cannot be equalled and anyone having kidney trouble should take them for they are very reliable." (Statement given February 23, 1914.)

OVER FOUR YEARS LATER, on May 12, 1920, Mr. Starkjohn added: "The cure I had from Doan's Kidney Pills several years ago has been a lasting one. It has been a couple of years since I used or had need of a kidney medicine and my kidneys are now good and healthy. I still have faith in Doan's and if ever I should need kidney remedies again, I would certainly use them." 60c. at all dealers. Foster-Milburn Co., Mrs. Buffalo, N. Y.

The Kiewit quarries across the river have practically closed down for the winter, only a small force of men being retained.

Frank Ross moved his family to Weeping Water the first of the week, where he accepted a position as bookkeeper for the Meyer Stone company. The Ross family will be greatly missed in Louisville, where they have lived for so many years. Prof. Hawk, superintendent of the schools, will occupy the Ross property.

Charles Anton, who has been staying around here for a few weeks, was taken to Plattsmouth last week and from there he was sent to Omaha to be cared for by the county as he was blind and was without means. He had lived in Omaha for several years and was a charge of that city and while he desired to make his home in Cass county, the commissioners decided he would have to return to the metropolis.

J. M. Hoover spent Sunday in Omaha with his son-in-law and daughter, Mr. and Mrs. Lee LaTour. The many friends of Mrs. A. J. Cornish will be pleased to know that she has returned from Mayo Brothers in Rochester, Minn., where she went for treatment and that she is much improved in health and that her trouble is not as serious as was reported. She expects to return to Rochester for further treatment but those of her friends here who saw her say she never looked better. The Courier is surely pleased to know that Mrs. Cornish is gaining in health and trusts that her recovery may prove permanent.

He has a large steam engine to furnish the power.

Harold and Ovid Barnes and Ross Rich drove down from Omaha Monday evening to see old friends and shoot a few rabbits. Harold is holding down a homestead near Gillette, Wyoming and came to Omaha with cattle from one of the large ranches in Wyoming. He says he is getting along fine although the cattle men in that country are hard hit by the drop in prices. He said he saw Jeff Stout not long ago and he is getting along fine. Harold's aunt, Lena Ralston, lives close to Jeff Stout and is getting along fine. Harold's homestead is near the oil fields and he has hopes of striking oil on it some day.

Art Fitzpatrick and Mrs. Violet Chapman were married at Falls City Friday, at the home of the bride's parents, Mr. and Mrs. D. C. Phillips. The happy couple arrived here on the Saturday morning train and went to housekeeping in the Mrs. Maggie Reed house on the south side. There young people are as well known to our readers as to the writer as Art is the son of Mr. and Mrs. John Fitzpatrick, Jr., and has grown up in this town, while the young woman has made her home here for several years. A charivari party called on the newlyweds Monday night.
