WEEPING WATER, NEBRASKA

FARMERS' RELIEF RESOLUTION IS UP

Measures Drafted in Both Houses to Revive War Finance Board— Urges Quick Action.

Washington, D. C., Dec. 6.—Revival of the war finance corporation and action by the federal reserve board permitting extension by banks of "liberal" credits to farmers would be directed in a joint resolution drafted late today by the senate agricultural committee. The resolution will be reported to the senate tomorrow by Senator Gronna of North Dakota, the agricultural committee chairman, who will ask for immediate consideration.

Members of the committee drafting the resolution expressed confidence that enough voters were assured to bring about its prompt passage, but members of the finance committee indicated that they would ask that it first be referred to them for consideration, inasmuch as the war finance corporation was created under a bill drawn by their committee.

Restoration of the war finance corporation to furnish financial aid to farmers also would be directed in a concurrent resolution presented today in the house of representatives by Brynes, democrat, of South Carolina. The senate agricultural committee decided to report its resolution as a committee measure, hoping thereby to save time. With unanimous consent under the senate rules the resolution could be called twice in one day and placed on the calendar for passage.

Senator Norris of Nebraska, member of the agricultural committee, first proposed a concurrent resolution, which does not require approval by the president, but other members objected on the ground that such a resolution would not be strong enough. While not anticipating the action of the president, democratic senators made clear their intention of voting to override a veto if necessary.

The senate committee's resolution declares that "unprecedented and unparalleled distress" exists among the farmers because of their inability to market their products at prices equaling the cost of production, and that the people of Europe are in "dire need" of these products, but not able to purchase because of existing financial conditions.

The resolution further recites that banks have been unable to extend credit to farmers so they may hold their products until "they can be sold in a fair and reasonable market." Then followed the resolution's directions, which declare:

"The secretary of the treasury and the members of the war finance corporation are hereby directed to revive the activities of the war finance corporation and that said corporation be at once rehabilitated with the view of assisting in the financing of the exportation of agricultural produce to foreign markets.

"The federal reserve board is hereby directed to take such action as may be necessary to permit the member banks of the federal reserve system, in accordance with law and consistent with sound banking, to grant liberal extension of credit to the farmers of the country upon security of the agricultural products now held by them, by permitting the rediscounting of such notes of extension, at the lowest possible rates of interest."

FIRE DAMAGE UP TO MILLION

Houston, Tex., Dec. 7.—Fire, which broke out in the shops of the Southern Pacific Railroad company here tonight, had caused damage estimated at \$1,000,000, and the flames were still spreading. The paint and airbrake shops, an office building and a storehouse, together with a quantity of rolling stock, were destroyed. A stiff wind was carrying the flames to the heart of the shop district which covers four blocks.

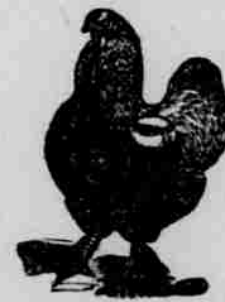

SHOP EMPLOYEES LAID OFF

Norfolk, Neb., Dec. 7.—Northwestern officials announced here today that 125 men would be laid off in the shops located at Missouri Valley, Norfolk, Fremont and Chadron. This makes 10 per cent reduction in shop forces as ordered over the entire system.

Fooling the Feeder

A prime steer could never be made of this critter, even if a carload of corn were funneled down his throat. He lacks something most essential to the making of a high-priced carcass. That "something" is pure blood. For all practical purposes, pedigree is the best feed.

If you've heard of a grade steer's topping the market, it was just because such pure blood as he possessed had *chanced* to get in its work, *chanced* to offset his scrub blood—but it was mere *chance!* With the pure-bred it's a planned certainty.

The pure-breds are the easiest feeders—they use their feed to make prime beef. If you are ready to do your part in efficient feeding, get in touch with some good local breeder and strike hands with him for the upbuilding of your business and of this community.

THE COUNTRY GENTLEMAN, the one great national weekly of practical farming, advises you to do this. Its Editors and contributors travel some 300,000 miles a year to study and write about farming in the United

States. And they declare, as a result of their investigations, that the most hopeful beef practice is that of breeding good steers and feeding them where they are bred.

If you have not yet subscribed for THE COUNTRY GENTLEMAN you owe it to yourself to order now. Only \$1.00 a year for 52 big issues containing the important farm news of the nation; well-tried plans; the best of fiction; strong editorials; good pictures; great cartoons; hopes, helps, and plenty of smiles.

Nebraska Shorthorn Breeders Association

C. M. McCarthy, Secretary
York, Nebraska.

THE COUNTRY GENTLEMAN, Philadelphia, Pa.: I'm glad to see you pushing our organization with good advertising. And here's my dollar for a subscription for one year, fifty-two issues. The two go well together.

'WIN-MY-CHUM' CAMPAIGN IS ON

Epworth League of M. E. Church is Observing the Week With Special Services.

The Epworth League of this city are busily engaged this week in the observance of the "Win My Chum" week that is being celebrated over the United States by the church organization. It is the desire of the League to enlist the young people of the community who are not now

affiliated in active church work, with their organization.

There are services held each evening at 7 o'clock and which lasts for forty-five minutes and enable the members to transact what other engagements they may have as well as enjoying the meeting that is for the spiritual betterment of their membership. Each evening there is an interesting program given and in these the young people of the community are heartily invited to attend and enjoy.

On Wednesday evening at 6:15 there will be a round table supper held at the church parlors and to which everyone is invited. This meeting will be over in ample time to allow all those who desire to attend the

prayer meeting services in the church auditorium.

BOX SOCIAL

There will be a box social and program given at the school house in district No. 25 on Friday evening, December 17th. Everyone invited as there will be a good time in store for all.
