The expenses of the woman's party in the presidential campaign amounted to only \$664,208. The women have a lot to learn about pretty accurately.

Our position is simply this: A nice girl should not go automobiling on a chilly night in a flimsy costume unless she expects to snuggle up to the driver.

Now that congress has the election off its mind it really doesn't seem too much to expect from it fewer stump speeches and more activity of a brass tack nature.

A San Francisco man has sued his wife for a divorce because she insists on taking a pet lion to bed with her. Hubby is right. The lion may be afflicted with fleas.
