The death of Mildred Vivian, ten year old daughter of Mr. and Mrs. Oscar McNurlin at Getwask, Oregon, is learned with great sorrow by the friends of the family here. Death occurred December 4 and was due to complications following diphtheria, with which she took sick on November 15. The funeral was held December 6, with burial in Getwask cemetery, at Salem, Oregon. Floral offerings and expressions of sympathy were received from people of the surrounding community, many of whom were practically strangers to the McNurlin family, but who were attracted to and learned to love Mildred.

It is with just pride that we learn of the success of two of our former boys, Will and Charley Lyman. From time to time we have noted their progress in the business world and their latest enterprise is to establish a bank at Lyman, in Scottsbluff county. We take it that they have founded the town and given it the name of Lyman. The bank has the following officers: W. H. Lyman, president; C. F. Lyman, vice president; J. R. Haber, cashier. Its capital is \$15,000. We hope Lyman will be one of the coming cities of western Nebraska, and the bank the biggest in that section.

The many friends of Henry Clapp are glad to know that he is able to be up and about the house. On Tuesday morning, Mrs. Mart Nickel of near Alvo went out into the yard and noticed a large chicken hawk in the act of flying away with a chicken. NEWMAN AS STRONG AS EVER, HE SAYS

Iowa Farmer Says Since Taking Tanlac, He Can Work All Day and Not Get Tired.

"After taking Tanlac, I am as strong as I ever was and can work all day and not get tired," said F. M. Newman, a well known and highly respected farmer residing on R. F. D. No. 1, Toddville, Iowa.

"Last winter I had a bad attack of 'flu'. I was all run down and so weak and nervous I couldn't do any work at all for more than two months.

"My stomach was in such a bad fix anything I ate seemed to do me more harm than good. I was all bloated with gas that gave me no end of trouble with pressure on my heart and causing it to skip beats. I was stiff and sore all over, and my head would ache like it might burst. I got no rest day or night and I had about come to the conclusion that I'd be a sick man the rest of my days.

"Then I read about Tanlac. I had the folks get me a bottle and it helped me right from the start. Already I have taken six bottles, have gained twelve pounds and feel entirely well, but I intend to keep on taking it for a while to clinch the good it has already done me."

Tanlac is sold in Plattsmouth, by P. G. Fricke and Company; in Murray by the Murray Drug company, and the leading druggist in every town.

Doan's has been used in our family for a long time and the results have been very satisfactory."

On May 13, 1920, Mrs. Cotner said: "The cure Doan's Kidney Pills made for me a few years ago has lasted. I still have good faith in them and am glad to recommend them to my friends."
