### BREAKS ARM CRANKING CAR

Elmer Sundstrom, local manager of the Lyman-Richey Sand company was another victim of a kicking Ford when he was unfortunate enough to break his arm at the wrist last Saturday as he was cranking his car. Mr. Sundstrom is a good driver and always realized the danger of such an accident, but the best of them are liable to have the same experience. He has suffered considerable pain and discomfort but is making good progress and expects to have no permanent trouble from it. —Louisville Courier.

P. A. Meisinger was among the visitors in the city today for a few hours attending to some matters of business.

The most popular little girl in the city will receive one of the finest dolls ever made at the close of the popularity contest of M. Fanger, which is now commencing.

### HAD A FINE TIME.

Last evening the members of the local picnic of the Eagles enjoyed a very pleasant social time at the club rooms in the Coates block, having as their guests the members of their families and the friends and the event was notable for the feeling of the sociability that prevailed throughout the evening. The chief feature of the occasion was the dance for which the Eagle orchestra furnished the music and the jolly party enjoyed to the utmost the fox trots, waltzes and done-steps as well as the old time square dances and which produced much enjoyment for the members of the party. The festivities continued until the approach of the midnight hour had the members depart homeward, wishing for an early repetition of the event.

John T. Lyon and wife departed this afternoon for Glenwood, where they will enjoy an over Sunday visit there at the home of Mr. Lyon's mother, Mrs. J. B. Ironmonger and family.

## DEATH OF AUNT OF REV. A. V. HUNTER

Mrs. S. W. Cogilizer of Joplin, Mo., Dies as Result of Automobile Accident Near Neosho, Mo.

The following from the Joplin, (Mo.) News-Herald tells of the death of Mrs. S. W. Cogilizer, a aunt of Rev. A. V. Hunter of this city and a sister of L. N. Hunter of the Weeping Water Republican. Mrs. Cogilizer was a former resident of Weeping Water.

Mrs. Harriet L. Cogilizer, wife of S. W. Cogilizer, of the Cogilizer Tent and Awning Company, died at 3:20 o'clock this morning at St. John's hospital from injuries sustained in a motor car accident three weeks ago last Sunday.

A motor car in which Mr. and Mrs. Cogilizer were riding, overturned 10 miles south of Neosho, plunging over a small embankment. Mrs. Cogilizer was pinned beneath the car and sustained internal injuries. Mr. Cogilizer and his daughter escaped with minor cuts and bruises.

Mrs. Cogilizer's condition became critical Friday night. Until then, she was believed to be slowly improving. Members of the family were at her bedside when she died.

Mrs. Cogilizer was widely known here, having taken an active part in the management of her husband's business. She was a member of the Rebecca lodge, Knights and Ladies of Security, the Fraternal Aid Union and the Congregational church.

Prior to her marriage, November 18, 1881, at Weeping Water, Neb., she was Miss Harriet L. Hunter, a daughter of a pioneer settler and mail carrier. She was born May 16, 1863.

Mrs. Cogilizer came with her husband to Joplin in 1901 from Pittsburg, Kansas, where they had been in business. Besides her husband, she is survived by four daughters, Mrs. Roy Fallis, Mrs. Dan Sandford, Mrs. Ivan DeRoy Cox and Miss Harriet Cogilizer, and a son, Warren Cogilizer, a student in the University of Missouri. Warren was called home by the illness of his mother and has remained here.

The funeral was very largely attended and twenty-one autos were in the procession that followed the remains to the beautiful Mt. Hope cemetery. Pall bearers were L. O. O. P. members of the Joplin lodge and the honorary pall bearers were all Odd Fellows from Pittsburg, Kansas, the former home of the Cogilizer family. The Joplin Rebekas, Knights and Ladies of Security, Fraternal Aid Society and the Congregational Ladies Aid Society attended in a body. Also a Delegation of the Joplin Masonic Lodge No. 345 was present in honor of the son Warren who is a Mason. Ten different organizations were represented and a section of Main street, business houses were closed during the service. Evidence of the esteem in which Mrs. Cogilizer was held was more than expressed by the profusion of floral offerings, as some eighty-four different pieces of flowers were sent in. They included wreaths, emblems and bouquets.

## SUFFERS LOSS OF GAS AND BATTERIES

Farmers Elevator at Cullom is Visited and Fifty Gallons of Gasoline and Batteries Taken.

Someone who has need of supplies for their auto or gas engine has hit on a new method of combating the high cost of living and this by taking their supplies from someone else. The Farmer's elevator at Cullom is the sufferer from the activity of the seeker of these supplies and fifty gallons of gasoline and a set of batteries is the total of the raid made by the night caller. Some of the residents of the vicinity of the elevator report that on two nights of the past week a car has been seen in the vicinity of the elevator late at night and was apparently the machine used to transport the stolen property from the elevator just who the party or parties are that has been doing the work has not been revealed but the manager of the elevator, George A. Kaffenberger is on the lookout and if the gentleman is discovered he will be compelled to answer for the violation of the law. The value of the gas and batteries is sufficient to make the job a severe one if the party is apprehended.

Names can be entered at the store any day now as the contest is opening this week and will continue over the next few weeks. On the closing day the votes will be counted and awards made of the dolls. Any child from one to thirteen years of age is eligible and Mr. Fanger and his force will be glad to enter the names of any little folks that may be presented at the store.

## BRENNAN NOT SATISFIED AND WANTS ANOTHER TRY

New York, Dec. 15.—Bill Brennan, who was knocked out in the twelfth round by Jack Dempsey, the heavy-weight champion, in Madison Square Garden last night, said today he intended to ask for another match. "I am not satisfied that Dempsey is my superior," he declared.

The challenger, while saying that he had vindicated himself, asserted he was "surprised" when the referee motioned him to his corner, believing that he had beaten the count in the twelfth.

Dempsey said "Brennan was tougher than I expected. He stood up longer than I thought he would. His blows did not hurt me at any time but I found him a hard man to hit properly." Dempsey expects to leave for the Pacific coast tomorrow, to remain until late in February, when he will come back to New York to train for his match with Jess Willard on St. Patrick's day.

The match last night broke all records for receipts for an indoor affair in this country, according to unofficial estimates today. The 11,956 seats brought in \$209,852.50. This does not take into account the receipts from about 1,000 temporary bleacher seats and 2,000 persons who obtained standing room.

Deducting Brennan's share of \$100,000 and Dempsey's guaranteed of \$25,000 last night, the promoters' estimated profit, after paying taxes and expenses, probably will be about \$12,000. The federal tax approximated \$21,000 and the state tax \$10,500.

Ralph Holmes is enjoying a visit over the holidays with his parents in this city and taking a rest from his work at the state university.

Misses Margaret Donelan and Jeanette Patterson were among the visitors in the metropolis today, where they spent a few hours there with friends.

Mrs. W. K. Fox came over from Glenwood this morning and departed this afternoon for Omaha for a short visit with friends and looking after some matters of business.
