Why the Banker's Advice Is Sound!

You don't go to a doctor for legal information; neither would you entrust your health to the care of a lawyer. You go to the man of experience in the particular line in which you are seeking information.

This is why it is wise to go to your banker with your financial affairs. He knows the experience of practically every individual in his community and, through his years of service, has accumulated a fund of information on financial matters which is invaluable to you.

Get your banker's advice. His interests are your interests. He is as anxious to see you succeed as you are anxious to succeed.

This bank desires to render broad and valuable service to the people of this community. Consult our officers about your financial affairs.

Let'er Go!

Why not start the New Year right?

The lumber manufacturers all say the lumber market has hit bottom and there is a good chance of an increase when the spring building booms start.

Now is a good time to start a barn or a house. Workmen are plentiful as is material and they may not be if you wait.

Come in; let's talk it over.

We appreciate your patronage.

AN UNUSUAL SUCCESS AND A SPECIAL OFFER

Triner's Wall Calendar with fifteen maps of European countries and their new borders proved a great success. Its geographical information appealing to every customer of Triner's Bitter Wine and other excellent Triner's remedies has been universally declared as a splendidly conceived idea. Half a million copies were distributed and the paper, if stretched out, would be 700 miles long, the same distance as from Chicago to Washington. Now the Joseph Triner Company comes with a special offer: Whenever in doubt about some geographical or historical question, send us your inquiry and Dr. Vojan, a noted authority on history and geography, will be only too glad to answer the same free of charge. Write to Joseph Triner Company, 1333-45 So. Ashland Ave., Chicago, Ill.

NOTICE TO OWNERS OF DAIRY COWS

The Dairy Law of Nebraska requires that all cows from which any milk or cream is sold for consumption shall be tested at least once each year by an approved veterinarian. The only exceptions to this are in cases where milk or cream is delivered to a dairy where the product is properly pasteurized before it is sold to the public, or where the entire product of the herd is sold for manufacturing purposes.

Cow owners are urged to have this testing done during the months of January and February for the reason that more time is available, and when a number of cows are assembled at one time and place, reduced rates for testing will be made. The law provides that this testing shall be done by an approved veterinarian, and the following are the approved veterinarians in this district: Dr. O. Sandin, Plattsmouth; Dr. W. H. Tuck, Weeping Water; Dr. James Parrish, Elmwood; Dr. Guy Lake, Mardock.

Arrangements should be made to have this testing done within the time specified, as the dairy inspector will check all cow owners who are required to test. Attention is called to the fact that the Dairy Law provides a penalty for failure to comply with the above provisions.

Don't fail to attend the big type Poland China bred sow sale of Frank Anderson, Pacific Junction, Ia., Saturday, January 15th, 1921. Never before has there been such an opportunity for farmers to get a start in all full-blood swine, and at a price they can afford to pay.

Mr. Anderson's herd is of the most popular blood lines of the present day, and they carry more Big Orange, Big Giantess strains, than any other one herd in the world.

Any one of these sows will stock your farm with all pure bloods in a very short time. Be sure to attend this sale and take home a sow. One of these sows will make you more money in the long run than four common sows. Send your name for a catalogue, and remember the date, January 15th, 1921.

TO MEET ROPER IN DES MOINES SOON

Andy Schmadler Stops Johnny Lee in Second Round of Their Mill New Year's Night.

Andy Schmadler, of Louisville, was in town Sunday evening, and while here informed a Journal representative of the result of his boxing match at Central city on New Year's night, when he was matched against Johnny Lee, Omaha light-heavyweight, whom it will be remembered won a referee's decision over Harry Williams a year ago in their fight at Fort Omaha.

Andy found little trouble in stopping his opponent in the second round, which will be pleasing news to his Cass county friends. He informs us that he is scheduled to meet Captain Bob Roper at Des Moines on the 30th of this month, in a ten round match. Roper is one of the big boys and shades well up to Bob Brennan who is the only man to date securing a knockout over Schmadler, and that only after six rounds of terrific battle. Roper recently knocked out Bob Martin, the A. E. F. champion, and his battle at Des Moines with the ex-uvy champion should prove a good drawing card.

Unlike many young comers at the game, Schmadler has contented himself by remaining at home in the village of Louisville, rather than seek the bright lights of the city, which have ruined many pugilistic aspirations, and credit for his successes is due in no small measure to this fact.

BIRTH OF DAUGHTER.

New Year's day at Omaha a fine little daughter was born to Mr. and Mrs. A. J. Sietek at the Stewart Maternity hospital. Mrs. Sietek is a daughter of Mr. and Mrs. Charles L. Hemple of Omaha, and a granddaughter of Mrs. B. Hemple of this city and the advent of the little one has brought a great deal of pleasure to Mrs. Hemple who is now great grandmother.

BABY QUITE SICK

The little five-months-old babe of Mr. and Mrs. Frank Harrison, is reported as being quite sick as the result of an attack of pneumonia. Dr. R. P. Westover was called there this morning and assisted in the care of the little one. It is hoped that the babe will be able to rally from the attack of the pneumonia and soon be on the highway to recovery.

BRING JOY TO HOME.

The stork which has been quite active in this community paid a call at the home of Mr. and Mrs. Louis Schissel west of the city on Friday and left in their care a fine little son and heir. The mother and little one are doing nicely and the occasion has brought much happiness to the relatives of the little son.

MRS. VAN EVERY PASSES AWAY

Settled Near Plattsmouth With Parents in 1864, Later Moving to Weeping Water.

Mary Alberta Rose was born in Potsdam, N. Y., in 1861. At the age of three years, together with her parents and older brothers, came to Nebraska in search of a home. They settled near Plattsmouth, in Cass county, later moving to near Weeping Water in the same county. Here she grew to womanhood. In 1879 she was united in marriage to Nelson Van Every at Plattsmouth. The following year they moved onto a homestead in Antelope county, where they met with the usual pioneer struggles. In 1895 they moved to Holt county, living at Page for the first seven years. From there they moved to Amelia, coming to Inman in 1904.

To this union ten children were born, seven of whom have left to mourn with their father the loss of a kind and loving wife and mother. Ruben, Gertrude and Sarah Jane preceded their mother several years previous. Those living are James E. the oldest, John P., Glen and Mrs. Marion Engelhardt, all of Inman; Mrs. Ethel Aker of near Page; George E. and Mrs. Georgia DeLong of O'Neill. She also leaves a sister, Mrs. Albie Flower of Stillwater, Oklahoma, and two brothers, B. I. Rose of Brunswick, Neb., and H. J. Rose of Brighton, Mo., to mourn her departure.

For the past four years her health had been gradually failing, although she hadn't been confined to her bed over seven weeks when her spirit left for its final resting place with the Almighty, on December 21, 1920. Funeral services were held December 29, at the Methodist church in Inman, conducted by Rev. Urwin, and interment made in the Page cemetery.—Inman (Neb.) News.
